Son of Frankenstein, 1939 Draculas, Vampires, and Other Undead Forms John Edgar Browning, Caroline Joan "Kay" S. Picart, 2009-04-08 Since the publication of Dracula in 1897 Bram Stoker's original creation has been a source of inspiration for artists writers and filmmakers From Universal's early black and white films and Hammer's Technicolor representations that followed iterations of Dracula have been cemented in mainstream cinema This anthology investigates and explores the far larger body of work coming from sources beyond mainstream cinema reinventing Dracula Draculas Vampires and Other Undead Forms assembles provocative essays that examine Dracula films and their movement across borders of nationality sexuality ethnicity gender and genre since the 1920s The essays analyze the complexity Dracula embodies outside the conventional landscape of films with which the vampire is typically associated Focusing on Dracula and Dracula type characters in film anime and literature from predominantly non Anglo markets this anthology offers unique perspectives that seek to ground depictions and experiences of Dracula within a larger political historical and cultural framework

The Cinema of Isolation Martin F. Norden, 1994 Filmmakers have often encouraged us to regard people with physical disabilities in terms of pity awe humor or fearas Others who somehow deserve

to be isolated from the rest of society In this first history of the portrayal of physical disability in the movies Martin Norden examines hundreds of Hollywood movies and notable international ones finds their place within mainstream society and uncovers the movie industry s practices for maintaining the status quo keeping people with disabilities dependent and in their place Norden offers a dazzling array of physically disabled characters who embody or break out of the stereotypes that have both influenced and been symptomatic of societys fluctuating relationship with its physically disabled minority He shows us sweet innocents like Tiny Tim obsessive avengers like Quasimodo variations on the disabled veteran and many others He observes the arrival of a new set of stereotypes tied to the growth of science and technology in the 1970s and 1980s and underscores movies like *My Left Foot* and *The Waterdance* that display a newfound sensitivity Nordens in depth knowledge of disability history makes for a particularly intelligent and sensitive approach to this long overlooked issue in media studies

The Monster Movies of Universal Studios James L. Neibaur, 2017-06-16 In 1931 Universal Studios released *Dracula* starring Bela Lugosi This box office success was followed by a string of films featuring macabre characters and chilling atmospherics including *Frankenstein* *The Mummy* and *The Invisible Man* With each new film Universal established its place in the Hollywood firmament as the leading producer of horror films a status it enjoyed for more than twenty years In *The Monster Movies of Universal Studios* James L. Neibaur examines the key films produced by the studio from the early 1930s through the mid 1950s In each entry the author recounts the movie s production provides critical commentary considers the film s commercial reception and offers an overall assessment of the movie s significance Neibaur also examines the impact these films had on popular culture an influence that resonates in the cinema of fear today From the world premiere of *Dracula* to the 1956 release of *The Creature Walks among Us* Universal excelled at scaring viewers of all ages and even elicited a few chuckles along the way by pitting their iconic creatures against the comedic pair of Abbott and Costello *The Monster Movies of Universal Studios* captures the thrills of these films making this book a treat for fans of the golden age of horror cinema

Terror Down Under Daniel Best, 2023-07-27 In 1948 the Australian government banned the production importation and exhibition of horror films in a move to appease religious communities and entertainment watchdogs Drawing upon previously unseen government documents private letters and contemporary newspaper accounts this book is the first to extensively cover the history of censorship and the early production of horror movies in Australia Beginning its examination in the late 19th century the book documents the earliest horror films like Georges Melies *The Haunted Castle* 1896 and how Australians enjoyed such films before the ban The book then explains how certain imports like 1954 s *Creature from the Black Lagoon* were able to circumvent the ban while others were not It also reveals how Australian television though similarly impacted by government censorship was occasionally able to broadcast films technically banned from cinematic release The work concludes with a look at the first Australian horror films produced after the ban was formally lifted in 1969 like Terry Bourke s *Night of Fear* 1973

Texts and Textuality Philip G. Cohen, 2018-12-20 These essays deal with the

scholarly study of the genesis transmission and editorial reconstitution of texts by exploring the connections between textual instability and textual theory interpretation and pedagogy What makes this collection unique is that each essay brings a different theoretical orientation New Historicism Poststructuralism or Feminism to bear upon a different text such as Whitman s Leaves of Grass Faulkner s The Sound and the Fury or hypertext fiction to explore the dialectical relationship between texts and textuality The essays bring some of the textual theories that compete with each other today into contact with a broad range of primarily literary textual histories That texts are intrinsically unstable frequently consisting of a series of determinate historical versions has consequences for all students of literature because different versions of a literary work frequently help shape different readings independently of the interpretations brought to bear upon them Textual instability of the works is relevant to our understanding of how the meanings of texts are generated The contributors build on the numerous challenges to the Anglo American editorial tradition mounted during the past decade by scholars as diverse as Jerome McGann D F McKenzie Peter Shillingsburg D C Greetham Hershel Parker and Hans Walter Gabler The volume contributes to the paradigm shift in textual scholarship inaugurated by these scholars Index *LIFE* ,1968-03-15 *LIFE* Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use
