Son Of The Sheriff:

The Sheriff's Son Sallie Cochren, 2022-09-04 People are dying in the small town of Brackford but they aren't acting like they're dead. Even being murdered can't seem to keep them from going about their daily lives. The sheriff's son knows something but he isn't talking. Will the sheriff and others be able to learn his dark secret before it's too late? This story is also available in the short story collection *No Time to Panic: A Book of Short Stories*. **The Sheriff's Son** William MacLeod Raine, 2019-11-01 John Beaudry was a fearless sheriff in the Wild West who ended up killed by the notorious Rutherford crew, leaving behind a young and fragile boy. Many years later Roy Beaudry is a grown man who never managed to live up to the standards his father set. However, when an old friend of his father reaches for help, Roy returns to his father's country, determined to overcome his nature and confront his demons. A local rancher has been missing for a while after interfering in the dealings of the same Rutherfords, who are suspected of pulling off a recent train robbery, and Roy gets a chance to stand up against the Rutherford clan and avenge his father's death. *The Sheriff's Son (Mosaic Western Mysteries)* William MacLeod Raine, 2020-12-17 John Beaudry was a fearless sheriff in the Wild West who ended up killed by the notorious Rutherford crew, leaving behind a young and fragile boy. Many years later Roy Beaudry is a grown man who never managed to live up to the standards his father set. However, when an old friend of his father reaches for help, Roy returns to his father's country, determined to overcome his nature and confront his demons. A local rancher has been missing for a while after interfering in the dealings of the same Rutherfords, who are suspected of pulling off a recent train robbery, and Roy gets a chance to stand up against the Rutherford clan and avenge his father's death. *The Sheriff's Son* Wayne Skarka, Donald "Butch" Campsey, 2013-05-10 Before Crime Scene: The Texas Killing Fields on Netflix, there was *The Sheriff's Son*, a potential suspect for the League City murders. This true story begins on Valentine's Day 1961: 14-year-old Claudette Carolyn Covey went missing from Hondo, Texas. On Halloween evening 1961, Claudette's remains were discovered eight miles from town in a field. She had been shot twice in the head. From the beginning, town folks believed that she was murdered by the corrupt sheriff or his 18-year-old son, whom she was dating. Because of the corrupt sheriff's influence, no one was ever charged with the murder. The story follows the life of the sheriff's son from 1961 to his death in 1998. The son was on the edges of many similar murders of young girls in the Houston and Galveston areas but he was never charged. After 1961, the sheriff's son was arrested twice for the rape of 12-year-old girls, essentially walking away from these charges due to the connections of his father. After the deaths of the father and son, former wives and step children no longer terrified, came forward. They tell a horrific story of brutality, rape, incest, and murder at the hands of the son. Our novel connects the dots and makes the case that a serial killer went to his grave never charged with his many crimes against young women. **The Hereditary Sheriffs of Galloway** Sir Andrew Agnew, 1893 Covers the period A.D. 79-1792 **Acts of Malcolm IV (1153-1165)** G.W.S.
