The Guide for the Perplexed Moses Maimonides, Before the sun of Eli had set the sun of Samuel had risen Before

the voice of the prophets had ceased to guide the people the Interpreters of the Law the Doctors of the Talmud had commenced their labours and before the Academies of Sura and of Pumbadita were closed centres of Jewish thought and learning were already flourishing in the far West The circumstances which led to the transference of the head guarters of Jewish learning from the East to the West in the tenth century are thus narrated in the Sefer ha kabbalah of Rabbi Abraham ben David After the death of Hezekiah the head of the Academy and Prince of the Exile the academies were closed and no new Geonim were appointed But long before that time Heaven had willed that there should be a discontinuance of the pecuniary gifts which used to be sent from Palestine North Africa and Europe Heaven had also decreed that a ship sailing from Bari should be captured by Ibn Romanis commander of the naval forces of Abd er rahman al nasr Four distinguished Rabbis were thus made prisoners Rabbi ushiel father of Rabbi ananel Rabbi Moses father of Rabbi anok Rabbi Shemarjahu son of Rabbi El anan and a fourth whose name has not been recorded They were engaged in a mission to collect subsidies in aid of the Academy in Sura The captor sold them as slaves Rabbi ushiel was carried to Kairuan R Shemarjahu was left in Alexandria and R Moses was brought to Cordova These slaves were ransomed by their brethren and were soon placed in important positions When Rabbi Moses was brought to Cordova it was supposed that he was uneducated In that city there was a synagogue known at that time by the name of Keneset ha midrash and Rabbi Nathan renowned for his great piety was the head of the congregation The members of the community used to hold meetings at which the Talmud was read and discussed One day when Rabbi Nathan was expounding the Talmud and was unable to give a satisfactory explanation of the passage under discussion Rabbi Moses promptly removed the difficulty and at the same time answered several questions which were submitted to him Thereupon R Nathan thus addressed the assembly I am no longer your leader that stranger in sackcloth shall henceforth be my teacher and you shall appoint him to be your chief The admiral on hearing of the high attainments of his prisoner desired to revoke the sale but the king would not permit this retraction being pleased to learn that his Jewish subjects were no longer dependent for their religious instruction on the schools in the East Henceforth the schools in the West asserted their independence and even surpassed the parent institutions The Caliphs mostly opulent gave every encouragement to philosophy and poetry and being generally liberal in sentiment they entertained kindly feelings towards their Jewish subjects These were allowed to compete for the acquisition of wealth and honour on equal terms with their Mohammedan fellow citizens Philosophy and poetry were consequently cultivated by the Jews with the same zest as by the Arabs Ibn Gabirol Ibn asdai Judah ha levi ananel Alfasi the Ibn Ezras and others who flourished in that period were the ornament of their age and the pride of the Jews at all times The same favourable condition was maintained during the reign of the Omeyades but when the Moravides and the Almohades came into power the horizon darkened once more and misfortunes threatened to destroy the fruit of several centuries Amidst this gloom there appeared a brilliant luminary which sent forth rays of light and comfort this was Moses Maimonides Maimonides' Guide of the Perplexed Daniel
