Beardsley,2018-10-30 Most people think they know the story of the Gunpowder Plot and of how a bloody catastrophe was averted at the eleventh hour when Guy Fawkes was caught lurking in the shadows beneath the Houses of Parliament But what if it wasn't like that at all How was it that a group of prominent disaffected Catholics were able to plot for months with apparent impunity How could they openly rent a house next door to the House of Lords and use it as their base right under the nose of the leading spymaster of the age Robert Cecil How could they have hacked a tunnel towards their target and dispose of tonnes of spoil without alerting anyone and why is there no record of anyone ever having seen such a tunnel This book explores the idea that the government was not only aware of what the plotters were up to long before Fawkes arrest but that agent provocateurs may have given them a helping hand or have even instigated the plot themselves
