*The Cancer Odyssey* Margaret Brennan Bermel, MBA, 2011-03-10 Chemotherapy is the greatest fraud ever perpetrated upon the American public This statement must reach the public consciousness The Big Pharma FDA complex must be exposed as a cartel colluding not on curing cancer but on generating profits Does chemotherapy work Maybe sometimes with some specific cancers But very often it does not work The best weapon used in the war on cancer traces its genesis to mustard gas The cancer may die but the collateral damage is the patient s life Approximately 600 000 Americans die each year ostensibly from cancer but are they actually dying from treatment A very provocative question Bill Henderson interviews Margaret Bermel about her new book called *The Cancer Odyssey* Bill says I really enjoyed your book If everyone would read it BEFORE they get the cancer diagnosis and go into fear orbit the millions of unnecessary cancer deaths would end Here is a direct link where you can listen to it or download it plain mp3 audio file [http://webtalkradio.net/s/bill\\_henderson/task\\_search](http://webtalkradio.net/s/bill_henderson/task_search) How to Live Cancer Free *The Cancer Odyssey* by Margaret Bermel      **Education of Cancer Healing Vol. VII - Heretics** Peter Havasi, 2012      *The Cancer Microbe* Alan Cantwell, 1990 A revolutionary book which provides evidence to show that the infectious cause of cancer is already known and that the discovery was made a century ago P 4 of cover      [Education of Cancer Healing Vol. IX - The Best Of](#) Peter Havasi, 2013-06-14 *The Education of Cancer Healing* is the MOST comprehensive and COMPLETE study collection on the history of cancer healing on the market today Totaling more than 2500 pages filled with invaluable information this magnum opus holds answers to your questions regarding cancer and many other diseases These books give you information which is in fact a HEALING DYNAMITE covered by thousands of scientific and medical studies independent professionals and dozens of patient and witness testimonials With this masterwork I am giving you the BEST of my own research the product of 300 000 and the result of more than 20 000 hours of exhaustive and careful research in the field of cancer My mission is to give you THE SUPER KNOWLEDGE the foundation for super powers that are within you so that you can heal yourself of cancer and any other disease and live your life to the fullest potential I will be your guide on your way to POWERFUL HEALTH      *No More Cancer* Gary Null, 2014-07-29 One word strikes more fear into a person s mind than any other CANCER The physical mental emotional and financial toll that comes with a cancer diagnosis is immense and affects not only cancer patients but also families and entire communities This year alone approximately 600 000 Americans will lose their lives to cancer and the forecast shows no signs of improving Recent estimates tell us that 41 percent of all Americans will be diagnosed with cancer during their lifetimes and 21 percent of the population will lose their lives to this devastating disease Cancer has evolved into a national crisis that touches each and every one of us The vast majority of individuals who lose the battle against cancer are treated with the standard orthodox therapy These people may never have questioned their oncologists believing that they were in the best possible hands with their physicians advanced education knowledge of latest treatments and all the tools of modern research at their disposal In this groundbreaking book

Gary Null debunks the commonly accepted belief that drugs and chemotherapy are the only cures for cancer and explores the alternative treatments that most mainstream doctors will never discuss with their patients Dr Null asserts that there are foods and supplements that boost the body's immune system and can actually prevent and reverse cancer Did you know that eating lemons and melons can help balance your body's pH which will help prevent and treat cancer You knew that fiber is important for a healthy diet but did you know that it lowers the risk of breast colorectal uterine and prostate cancers Have you heard of maitake mushrooms which kill cancer cells by enhancing the activity of T helper cells In addition to diet Dr Null discusses important supplements and herbs and cutting edge therapies you may never have heard of With twenty five cancer fighting recipes and testimonials from individuals who have found health through Dr Null's methods this book could save your life
