it seems a slight exaggeration but not wrong either So with much joy respect patience and gratitude we are pleased to present you with The Guardian Angel Book **The Guardian Angels: Our Heavenly Companions** Sisters of Perpetual Adoration ,2016-08-23 DO YOU know who is your best and most faithful friend It is one whom God Himself has placed at your side as a life companion a Prince from His own Heavenly Court your Guardian Angel God in His goodness has appointed him to guide and protect you through life and to lead you safely to your Eternal Home From the very beginning of your existence your Guardian Angel has been concerned about you He rejoiced when you were born into the world just as a good mother rejoices over the birth of her child From the day of your Baptism you became ever dearer to your Guardian Angel ever more loved by him Day and night he watched at your cradle He led you as you took your first steps He cared for you with most tender love when danger threatened He grieved when you committed sin as if he himself had received the greatest injury and he left you no peace until you became reconciled with God by a good Confession He has watched and prayed with you in hours of distress He has rejoiced with you in days of prosperity On the day of your First Holy Communion he was the bridal attendant of your soul As often as you have received the Bread of Angels in the state of grace he has rejoiced to accompany you to the Holy Table He it was who prayed for you specially when the hand of the bishop anointed you as a soldier of Christ in the Sacrament of Confirmation Your Guardian Angel is your best counselor Particularly will he assist young boys and girls in their choice of a vocation He will shield you amid the dangers of the world If you call upon him he will help you to find the life companion whom God has destined for you He will ever remain at your side so that you may faithfully and conscientiously fulfill the duties of your state in life If God has called you to the religious life or to the holy priesthood your Guardian Angel will protect you from the temptations of the world and help you to preserve your virginal purity to offer it to God at the altar by your holy vows or to offer the sacred Body of Christ with unstained hands and holy lips as a priest of the Most High In short your Guardian Angel is your companion in all the circumstances of life your friend in good as well as evil days He will one day assist you in a very special manner when you enter into life s last conflict Then he will fight with you and for you until you have won the battle and your heart is at rest But not even then will he leave you there where every other even the best of friends must leave on the threshold of eternity When the light of earth fades away and the brightness of eternity bursts upon you your Guardian Angel will present your soul before the tribunal of God and faithfully plead your cause What is more if you require purification in the flames of Purgatory your holy Angel will visit and console you He will bring before God s throne the good works that are performed for you on earth and he himself will intercede for you Finally when your time of purgation is ended he will joyfully bring you word of your release from the flames of Purgatory and will lead you to the blissful kingdom of Heaven But to benefit by the presence of this heavenly companion you must be docile to his inspirations and never turn away from this holy Angel who is your guide and your protector *The Guardian Angel* Caroline M. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year. The Guardian Angel : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Guardian Angel : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
