The Half-White Album Cynthia J. Sylvester, 2023-04 This powerful debut collection explores lives lived between worlds Sylvester masterfully weaves together fiction poetry and nonfiction to give readers a poignant though fractured view of her characters lives their loves and their struggles Told from the perspective of an urban Native the work details a journey led by the nomadic band the Covers It is an experience meant to heal generational trauma and bring back into the light people who may otherwise be forgotten At its heart *The Half White Album* is a healing ceremony of the author's own creation a process grounded in music that celebrates what it is to be human and imperfect and to love imperfectly

The Half Brother Holly LeCraw, 2015-02-17 A passionate provocative story of complex family bonds and the search for identity set within the ivy covered walls of a New England boarding school When Charlie Garrett arrives as a young teacher at the shabby yet genteel Abbott School he finds a world steeped in privilege and tradition Fresh out of college and barely older than the students he teaches Charlie longs to leave his complicated southern childhood behind and find his place in the rarefied world of Abbotsford Before long he is drawn to May Bankhead the daughter of the legendary school chaplain but when he discovers he cannot be with her he forces himself to break her heart and she leaves Abbott he believes forever He hunkers down in his house in the foothills of Massachusetts thinking his sacrifice has contained the damage and controlled their fates But nearly a

decade later his peace is shattered when his golden boy half brother Nick comes to Abbott to teach and May returns as a teacher as well. Students and teachers alike are drawn by Nick's magnetism and even May falls under his spell. When Charlie pushes his brother and his first love together with what he believes are the best of intentions a love triangle ensues that is haunted by desire, regret, and a long buried mystery. With wisdom and emotional generosity LeCraw takes us through a year that transforms both the teachers and students of Abbott forever. Page turning, lyrical, and ambitious *The Half Brother* is a powerful examination of family loyalty and love. *The Half Has Not Been Told* Patricia Betts Tyus, 2011-12-29. Often there are many things that go untold about raising a special needs child. Feelings are not expressed or explained. Stories are kept to a silent hush. The family members live day in and out with stories that never makes the news, never makes the newspapers, or a topic of general conversation. The stories as many as there are have not been told. Some of the stories are of embarrassment, some of laughter, some of tears, and some of struggles. Many of them are of joys, strengths, and victories. Many of them should be told. In *The Half Has Not Been Told* Memoirs of my Destiny Patricia Betts Tyus captures stories of things that have occurred over the years in the life of her daughter Destini, diagnosed as special needs at the age of two years old. She shares the emotions that a mother experiences when she finds out that the child she sees as perfect is being labeled with titles that would alter the perception of anyone that hears them. The author shares stories of the hard and continuous work that goes into overcoming challenges and all the joy of reward that is on the other side of getting through the challenge. The author shares emotional and enlightening moments to help redefine the stereotypical thoughts that people have of special needs children. She challenges those who work with special needs individuals to think outside of the box to design ways of doing things so that special needs individuals can have great success stories. The author shares the half of the stories that have never been told.

Tripti Pandey,2023-01-09 Among the rulers of Jaipur Maharaja Sawai Jagat s name is taken with contempt because of his affair with a tawaif or courtesan Raskapoor the daughter of a Muslim mother and a Brahmin father The Maharaja defied all norms and bestowed upon her the title of Half Empress With little experience Raskapoor resiliently navigated her way through the cobwebs of the royal life But pitched against a fleet of plotters in an atmosphere filled with deceit she finally fell into their trap and was imprisoned There are many stories about how her life ended the compassionate prison chief allowed her to flee or she flung herself on to the pyre of Jagat Singh But today she is best remembered by the guides who routinely mention her as a celebrity prisoner at the famous Nahargarh Fort In her historical novel *The Half Empress* Tripti Pandey transports the reader to the royal corridors of nineteenth century Jaipur and brings to life the story of a formidable woman who has been deliberately omitted from history
