The Hammered Dulcimer Treasury Of Tunes:

The Hammered Dulcimer Treasury of Tunes Sally Hawley, 2011-02-24 This sizeable collection of hammered dulcimer tunes brings together over 225 old time and Celtic traditional tunes that are commonly heard at gatherings of old time musicians This is music that has been passed down vocally or learned by ear instrumentally and derived from countries where many of our ancestors originated Trying to separate American and Celtic traditional music is an impossible task as so many of the tunes we consider our own are adapted versions of tunes passed on to us from other countries and would fit into either category This book therefore features favorite selections from both American and Celtic traditions These instrumental arrangements are written in standard notation only with chord symbols

Killer Technique: Hammered Dulcimer Dr. Mark Alan Wade, 2013-06-20 Killer Technique Hammered Dulcimer is a book that uniquely focuses on improving the everyday elements of dulcimer playing Some mundane fundamentals of technique may seem mindless and appear to need no attention In reality though even the most basic essentials of dulcimer playing can hold us back without careful examination and precision This book does just that The author himself a National Hammered Dulcimer Champion and music professor draws on over twenty years of experience in playing and teaching to share his recipe for success The material focuses on dulcimer specific skills and drills them in effective and engaging new ways Targeted areas include dexterity aim flow commonly used percussion rudiments chords arpeggios and chord suffixes Each exercise is carefully designed to isolate the targeted skill provide instruction for its most efficient execution and help you acquire new and improved muscle memory in the least amount of repetitions Admittedly working on technique can seem like a chore This book takes the work out of it and presents the exercises in fresh new ways so you get the most out of them in the least amount of time Dr Wade s biggest technique secret revealed in this book is his use of varying rhythms to re engage the brain and to acquire new and lasting muscle memory The exercises are not only fun to master but also incredibly effective It s all about efficiency not just going through the motions

[Dulcimer Frolic](#) Peggy Carter, 2021-05-03 The tunes in this collection were chosen from Peggy Carter's half century of performing teaching and arranging music for the hammered dulcimer This anthology contains 60 tunes arranged especially for novice to intermediate level players of the 12/11 dulcimer including suggestions for note reading hammering patterns and embellishments Playing the dulcimer is not effortless but it should be fun The title tune Dulcimer Frolic is a family heirloom originally written for mandolin by Peggy's grandfather in the early 1920s transcribed for hammered dulcimer the tune really lives up to its name In fact every tune in the collection is designed for fun and frolic Some have lyrics some are presented as bare bones melodies and some are embellished You'll find that these arrangements bring out the best in all of them
