Gwen Bristow, 1968 *Plantation Trilogy* Gwen Bristow, 2015-05-12 A saga of Louisiana by an author who belongs among those Southern novelists who are trying to interpret the South and its past in critical terms The New York Times Published in the late 1930s by New York Times bestselling author Gwen Bristow the *Plantation Trilogy* is an epic series of novels that bring to life the history of Louisiana from its settlement in the late eighteenth century to the realities of slavery and poverty to the post World War I era via the intertwined lives of the members of three families the Sheramys the Larnes and the Upjohns *Deep Summer* is the story of Puritan pioneer Judith Sheramy and adventurer Philip Larne who marry and strive to build an empire in the Louisiana wilderness during the American Revolution *The Handsome Road* tells the story of plantation mistress Ann Sheramy Larne and poor seamstress Corrie May Upjohn who forge an unlikely bond of friendship as they struggle to survive the cataclysms of the Civil War and Reconstruction *This Side of Glory* presents the story of Eleanor Upjohn a modern young woman in the early twentieth century who marries charming Kester Larne and struggles to save the debt ridden plantation that her husband's ancestors founded more than one hundred years ago [Entitled to the Pedestal](#) Nghana tamu Lewis, 2007-04 In this searching study Nghana Lewis offers a close reading of the works and private correspondences essays and lectures of five southern white women writers Julia Peterkin Gwen Bristow Caroline Gordon Willa Cather and Lillian Smith At the core of this work is a sophisticated reexamination of the myth of southern white womanhood Lewis overturns the conventional argument that white women were passive and pedestal bound Instead she argues that these figures were complicit in the day to day dynamics of power and authorship and stood to gain much from these arrangements at the expense of others At the same time that her examination of southern mythology explodes received wisdom it is also a journey of self discovery As Lewis writes in her preface As a proud daughter of the South I have always been acutely aware of the region's rich cultural heritage folks and foodstuffs How could I not be I was born and reared in

Lafayette Louisiana where an infant's first words are not da da and ma ma but crawfish boil and fais do do I have also always been keenly familiar with its volatile history Where these conflicting images and specifically the role of white southern women as catalysts vindicators abettors and antagonists meet forms the crux of this study As such this study of the South by a daughter of the South offers a distinctive perspective that illuminates the texts in novel and provocative ways
