The Haphazard Amorist Graham Jackson, 1980 *The Haphazard Amorist* Graham Jackson, 1980 **The 7th Victim**
Graham Jackson, 2019-07-29 Incest in Heidelberg Gardens dark meetings of the Order of the Silver Serpent the shadow world of the Conservative Alliance and its impact on the city These are the themes of *The 7th Victim* a psychogeographic novel of Melbourne seven chapters in the life of Xian Cross Michael Xian is an apparatchik of the Alliance but he is on the way out He has served his purpose His departure reverberates around his suburban enclave shaking its foundations and influencing the behaviour of its inhabitants in particular his sister Mary and her husband Leif Winther Leif is the suicide heir of the Winther family a dominant force in the Alliance the political party shaping Melbourne Or does the city shape the emotions of those within it and control its own future Xian is the narrator of the novel one of the victims but not the seventh Who are the others And can Xian be trusted to tell the truth **Guantanamo Bay** Graham Jackson, 2018-11-14 A retrenched bank manager from rural Australia resumes his personal war against Terror on a flight to London His wife is beside him aware of some of the disturbance in his mind but not the full extent of his dark occult vision He is immediately suspicious of Harold Byron the passenger sitting on his other side He has never accepted the death of his elder daughter in the Twin Towers In the fearful emanations of London in its Underground and Tower he is brought to the edge of his personal ground zero which will finally absorb him in Disneyland Paris He follows Harold Byron to Rome pursues him through the Sistine Chapel and on to a reckoning in the Colosseum But fear has no satisfactory resolution Is his wife all she appears to be Might she be in bed with Terror He travels on through northern Italy and into Germany to find out Guantanamo Bay follows **Accounting for Terror** in the tragicomic Terror Trilogy which concludes with *A Captain of Souls* **Accounting for Terror** Graham Jackson, 2018-11-14 Australia refuses to allow Tampa's asylum seekers into the country and terrorists attack New York An Australian bank manager is retrenched Removed from his position of authority above the town's main intersection he contemplates his cautious existence his personal expedient reality His mind is disintegrating In a series of episodic recollections before the past catches up with him he reveals his relationships with his family with his parents and his criminal brother He recounts his acrimonious debate with the local Presbyterian Minister and examines the state of his conscience after reassessing the part he played in the death of his sister's first husband He stays in touch with the world beyond Australia through the songs of Bob Dylan But as that world darkens and is consumed by terror the bank manager plans his own response to the terror within *Accounting for Terror* is the first novel in The Terror Trilogy and is followed by *Guantanamo Bay* and *A Captain of Souls* **The Other Side of Pop** Graham Jackson, 2018-11-12 Pop's personal failings have led him to believe he has an evil twin the doppelganger Iggy who controls his destiny From his room in the Kia Ora Nursing Home he relates the significant events of his life to his son Ossie an androgynous poet who has an interest in psychogeography as well as a desire to avenge dead Mama As he listens to the story Ossie discovers more darkness in Pop's

life than he expects In the world outside the Home Ossie is a Pub Poet who performs regularly at the Portwine and Shot Tower in front of modest audiences and hecklers This reality collides with that of his father and doppelganger Iggy as revealed by Pop s American correspondent the drug addict Rockwell Lewis Jordan Kia Ora is not all it seems its corridors the location of occult practice burning candles malign effigies and geriatric games Ossie has to interpret the signs as well as understand the influence Iggy Pop might be exerting on his own life Who is controlling who

Where Dead Corals Lie Graham Jackson,2018-11-13 Captain RP Laxman and Oliver Cape sail to the Olympus Islands on the giant wind ferry Charon Their mission is to administer the World Authority s peace at the end of the long anarchist war Expecting to make a useful contribution in an outpost of empire they instead become enmeshed in local intrigue and incompetence The Resident Commissioner is a pompous alcoholic with a Treasurer scheming to replace him The Secretary James Darling is a buffoon with a dangerous diseased mind The Japanese trader Omi is also prominent in the affairs of the Islands as are the Resident Commissioner s wife Jocasta and the Treasurer s daughter Hope The Olympus Islands are being slowly drowned by the ocean The native People of the Coral bemused by the Authority s representatives realise they have to make use of their innate occult vision and take a more active role in their own affairs Even though they know that ultimately the inhabitants of all worlds live at the direction of the Fates and the Furies

Fake It Mark Osteen,2021-08-13 How many layers of artifice can one artwork contain How does forgery unsettle our notions of originality and creativity Looking at both the literary and art worlds Fake It investigates a set of fictional forgeries and hoaxes alongside their real life inspirations and parallels Mark Osteen shows how any forgery or hoax is only as good as its authenticating story and demonstrates how forgeries foster fresh authorial identities while being deeply intertextual and frequently quite original From fakes of the late eighteenth century such as Thomas Chatterton s Rowley poems and the notorious Shakespearean documents fabricated by William Henry Ireland to hoaxes of the modern period such as Clifford Irving s fake autobiography of Howard Hughes the infamous Ern Malley forgeries and the audacious authorial masquerades of Percival Everett Osteen lays bare provocative truths about the conflicts between aesthetic and economic value In doing so he illuminates the process of artistic creation which emerges as collaborative and imitative rather than individual and

inspired revealing that authorship is to some degree always forged *The Darkening Ecliptic* Ern Malley, 2018-10-01 In 1944 the Australian literary world was rocked by a hoax which was to become a worldwide scandal Ern Malley deceased motor mechanic and poet was the invention of two Sydney poets James McAuley and Harold Stewart who were intent on proving that modern poetry was a sham The work of Malley comprised lines and words selected randomly everywhere from Shakespeare to an American report on the drainage of the breeding grounds of mosquitoes Max Harris published the poetry in the literary magazine *Angry Penguins* but when the deception was revealed he was mercilessly lampooned tried and convicted of publishing indecent advertisements This definitive edition contains all of the poems a new introduction by artist Albert Tucker and historical background by Max Harris John Reed and Colin Wilson augmented by the unique contribution of drawings and etchings by Garry Shead **Telling Tales** Melissa Katsoulis, 2013-02-07 When Dionysus the Renegade faked a Sophocles text in 400BC cunningly inserting the acrostic Heraclides is ignorant of letters to humiliate an academic rival he paved the way for two millennia of increasingly outlandish literary hoaxers The path from his mischievous stunt to more serious tricksters like the controversial memoirist and Oprah duper James Frey takes in every sort of writer from the religious zealot to the bored student via the vengeful academic and the out and out joker But whether hoaxing for fame money politics or simple amusement each perpetrator represents something unique about why we write Their stories speak volumes about how reading writing and publishing have grown out of the fine and private places of the past into big business TV book club led mass marketplaces which some would say are ripe for the ripping For the first time the complete history of this fascinating sub genre of world literature is revealed Suitable for bookworms of all ages and persuasions this is true crime for people who don't like true crime and literary history for the historically illiterate A treat to read right through or to dip into it will make you think twice next time you slip between the covers of an author you don't know Forthcoming Books Rose Arny, 1981 **The Literature Board** Thomas W. Shapcott, 1988 **The Publishers' Trade List Annual** , 1985 Poems Ern Malley, James Phillip McAuley, 1961 **Mandrake** , 1949 *Australian Books* National Library of Australia, 1981 **Helix** , 1981 *Current Contents Africa* , 1981 *Paperbound Books in Print* , 1984
