contemporary to its efflorescence **The Ministry, Vol. 09, No. 02** Various Authors, 2005-02-01 This issue of The Ministry contains a complete record of the nine messages given in Auckland New Zealand during the International Training for Elders and Responsible Ones in October 2004 The general subject of these messages is the uniqueness of the Lord's recovery see The Ministry February 2004 and June 2004 The burden for these messages can be summarized in the following fellowship from Message One from excerpts of Practical Talks to the Elders by Witness Lee We don't know how long the coming days will be only the Lord knows But for as long as the Lord carries the recovery will be on this earth With these future days and future new ones especially in mind I feel there needs to be a basic vision or basic knowledge of the Lord's recovery Just five years ago a distraction came in which confused some dear ones who were concerned for the Lord's recovery Since such a thing could happen in the past right before our eyes how can we have the assurance that such a thing will not be repeated in the future Thus while the Lord still grants me the days I would like to do as much as I can to put things clearly into writing Then the dear ones who are in and who will be brought into the Lord's recovery can have a clear view about what it is pp 51 52 God is unique His plan is unique His work is unique His way to carry out His work is unique And the very instrument used for His way is the ministry Thus this ministry is also unique In the New Testament there is the unique Christ the unique way and the unique focus to carry out the unique circumference the church by the unique ministry p 57 In the Lord's recovery we are doing one work carrying out one ministry We are serving one Lord worshipping one God We are in His unique plan in His unique economy in His unique work in His unique way We minister His unique focus p 60 If we are not in the focus and if we do not experience what we preach to others we face two perils One sooner or later there will be divisions Two if we don't practice the focal points the saints have no way to practice them The things we teach will eventually become doctrines in the Lord's recovery There will be no reality The recovery will be just empty If we don't care for the Lord's recovery by paying heed to all these unique points then we will care for the spreading of our work To care for the spread of our work is dangerous It will produce different works to build up different ministries Then division will result I am fearful and trembling of these two perils the peril of different works being produced to cause division and the peril of emptiness pp 62 63 May the Lord speak to us in these messages to show us the uniqueness of His recovery May the Lord keep us secure in this vision and may He keep His recovery from division and from emptiness Last of all in the sections regarding reports and announcements we include a schedule of the upcoming conferences and trainings in Europe for 2005 **MASTERING SUCCESS: HARNESSING THE POWER OF HUMAN VALUES AND PROFESSIONAL ETHICS FOR UNSTOPPABLE ACHIEVEMENT** Dr. Manoj Sharma, Mastering Success Harnessing the Power of Human Values and Professional Ethics for Unstoppable Achievement Objectives 1 To help students distinguish between values and skills and understand the need basic guidelines content and process of value education 2 To help students initiate a process of dialog within themselves to know what they really want to be in their life and profession 3 To help students understand the meaning of happiness and prosperity for a

The Early Church at Work and Worship - Volume 3 Everett Ferguson, 2017-10-19 This is the third volume of Ferguson's

collected essays and includes some of his most memorable work especially on laying on of hands **The Gospel of Tatian** Matthew R. Crawford, Nicholas J. Zola, 2019-07-11 This volume combines some of the leading voices on the composition and collection of early Christian gospels in order to analyze Tatian's Diatessaron The rapid rise and sudden suppression of the Diatessaron has raised numerous questions about the nature and intent of this second century composition It has been claimed as both a vindication of the fourfold gospel's early canonical status and as an argument for the canon's ongoing fluidity it has been touted as both a premiere witness to the earliest recoverable gospel text and as an early corrupting influence on that text Collectively these essays provide the greatest advance in Diatessaronic scholarship in a quarter of a century The contributors explore numerous questions did Tatian intend to supplement or supplant the fourfold gospel How many were his sources and how free was he with their text How do we identify a Diatessaronic witness Is it legitimate to use Tatian's Diatessaron as a source in New Testament textual criticism Is a reconstruction of the Diatessaron still possible These queries in turn contribute to the question of what the Diatessaron signifies with respect to the broader context of gospel writing and what this can tell us about how the writing rewriting and reception of gospel material functioned in the first and second centuries and beyond **The Great Work of Providence** Rachel S. Stahle, 2010-01-01 Even though Jonathan Edwards is arguably America's greatest theologian the content and value of his work remains a mystery to most Stahle systematizes and summarizes Edwards's biblically grounded thought in contemporary language and makes Edwards accessible to pastors students and church study groups Edwards's conceptions of the Trinity are explained in detail and shown to be the basis for the rest of his theology including his ideas about sin salvation holiness the purpose of history Scripture revivals of religion heaven and hell and the church Reflection and study questions are provided to enrich comprehension and demonstrate the relevance of Edwards's theology for contemporary life The wealth of this Puritan's personal piety and intellectual brilliance is no longer beyond the reach of twenty first century Christians *The Main LDS Books* William Alexander Linn, John Taylor, Joseph Fielding Smith, Wilford Woodruff, B.
