remembered today for certain depictions and stereotypes of black people These stereotypes include the affable mammy the pickaninny stereotype of black children and of course an Uncle Tom which has ironically become a pejorative for a person who suffers dutifully for his boss Life of Harriet Beecher Stowe, Compiled from Her Letters and Journals by Her Son, Charles Edward Stowe Harriet Beecher Stowe, Charles Edward Stowe, 2017-08-23 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping Uncle Tom's Cabin Harriet Beecher Stowe, 2017-12-09 Uncle Tom's Cabin or Life this knowledge alive and relevant Among the Lowly is an anti slavery novel by American author Harriet Beecher Stowe Published in 1852 the novel helped lay the groundwork for the Civil War according to Will Kaufman Stowe a Connecticut born teacher at the Hartford Female Seminary and an active abolitionist featured the character of Uncle Tom a long suffering black slave around whom the stories of other characters revolve The sentimental novel depicts the reality of slavery while also asserting that Christian love can overcome something as destructive as enslavement of fellow human beings Uncle Tom's Cabin was the best selling novel of the 19th century and the second best selling book of that century following the Bible It is credited with helping fuel the abolitionist cause in the 1850s In the first year after it was published 300 000 copies of the book were sold in the United States one million copies in Great Britain In 1855 three years after it was published it was called the most popular novel of our day The impact attributed to the book is great reinforced by a story that when Abraham Lincoln met Stowe at the start of the Civil War Lincoln declared So this is the little lady who started this great war The quote is apocryphal it did not appear in print until 1896 and it has been argued that The long term durability of Lincoln's greeting as an anecdote in literary studies and Stowe scholarship can perhaps be explained in part by the desire among many contemporary intellectuals to affirm the role of literature as an agent of social change The book and the plays it inspired helped popularize a number of stereotypes about black people These include the affectionate dark skinned mammy the pickaninny stereotype of black children and the Uncle Tom or dutiful long suffering servant faithful to his white master or mistress In recent years the negative associations with Uncle Tom's Cabin have to an extent overshadowed the historical impact of the book as a vital antislavery tool Source Wikipedia A Picture Book of Harriet Beecher Stowe David A.
