don't write this story I promised my kids would soon be done and always and never materialized which has to be done if only for my own sanity and to ultimately free us all up I will feel lost Now What I didn't expect to write is this other story But that must be told to give a better understanding of why this whole mess happened anyway My dupey heads might come up with better reasons and then maybe someday they'll write their books with fond memories and less pain A bestseller will be yours I'm sure If not in the bookstores it will be in your hearts I started writing my book over thirty years ago and some Smile
