Sabina, 2023-01-01 Across the United States and globally school districts are regularly facing a shortage of both willing and highly qualified candidates to assume positions as school leaders A number of factors have contributed to this shortage including but not limited to 1 retiring baby boomers leaving P 12 schools ex Aaronson Carlson 2004 Parylo Wiedmer 2015 2 shifting demographics and population changes across the United States workforce and schools ex Betts Urias Brimley Garfield Brown 2016 Miller Mordechay Lortie 2009 Norton 2002 Yan 2019 and 4 the shift of schools to 21st Century Learning centers which have changed the role of school administrators ex Crow Hausman Huber 2014 According to the National Bureau of Labor Statistics the current demand for school principals continues to increase Occupational Outlook Handbook 2019 and will accelerate in the coming 10 20 years Because of the high need for school administrators many schools and school districts are creating unique targeted and innovative programs to find principals who can meet the changing needs in our school system The Role of the School Principal Patrick J. Renihan, Susan

Phillips, Ontario. Ministry of Education, Helen Raham, Society for the Advancement of Excellence in Education, 2006 **How School Leaders Contribute to Student Success** Kenneth Leithwood, Jingping Sun, Katina Pollock, 2017-03-15 While considerable evidence indicates that school leaders are able to make important contributions to the success of their students much less is known about how such contributions are made This book provides a comprehensive account of research aimed at filling this gap in our knowledge along with guidelines about how school leaders might use this knowledge for their own school improvement work Leadership practices known to be effective for improving student success are outlined in the first section of the book while the remaining sections identify four paths along which the influence of those practices flow to exercise an influence on student success Each of the Rational Emotional Organizational and Family paths are populated by conditions or variables known to have relatively direct effects on student success and also open to influence by effective leadership practices While the Four Path framework narrows the attention of school leaders to a still considerable number conditions known to contribute to student success it leaves school leaders the autonomy to select for improvement efforts the sub set of conditions that make the most sense in their own local circumstances The approach to leadership described in this book provides evidence based guidance on what to lead and flexibility on how to lead for purposes of improving student learning **The Engineer** ,2002
