movement reveals how we can all heal At the center of The Healer s Way is the hoop a seven step process of healing First we need to make sure our core needs are met without those we not only can t heal ourselves or others we probably can t live Then we need to get lost step 2 get hurt step 3 get stuck and hit the bottom of the circle step 4 Only then can we get called step 5 get up step 6 and get going step 7 Once we get going we move through the cycle again and again as life presents us with new opportunities for healing ourselves and others The Healer s Way is the culmination of Earnie Larsen s thirty plus years as a counselor The seeds for the book were the questions of a young counselor How do you keep going What do you do when you can t make a difference What makes a healer The young man asked Larsen to be his mentor and some time later his stories clues questions and answers came together in this book Larsen writes In the beginning and in the end healing is about change The pages here are about one thing and one thing only the spiritual alchemy involved in the amazing grace process of personal transformation *The Christian Science Journal* ,1919 **Journals of a Healer** Mary
