The Heart Speaks:

The Heart Speaks Mimi Guarneri, 2006 An evaluation of the multi faceted role of the heart considers its representation of emotions and spirituality drawing on recent studies to reveal that the heart has its own intelligence and memory and operates independently from the brain **The Heart Speaks** Mauryne Taylor Brent, 1976 *When the Heart Speaks!* Renzie, 2006-01-30 When the Heart Speaks is a recollection of the past twenty years of my life which includes serving in the army and traveling around the world to places I dreamed about as a child but never imagine I would actually go there and for that I am forever grateful When the Heart Speaks will allow you become a part of me for a brief moment or however long you choose to do so You will experience the emotional rollercoaster ride of life as well as the trail and tribulations one goes through when they keep things inside to long or don t know how to express themselves when those feelings are pleading to come out but you refuse to release them or don t know how to release them I ve learned when that happens in my opinion GOD The Real Author brings you to a point in your life with the assistance of your heart and lets you know that s enough They re trying to tell you to get your act together if you re not living the way you should especially if you know you ve been given blessings from above and still choose to go down the wrong path In my case I haven t listen or paid attention to the warning signs that were there so now it s either their way or the byway I ve decided it would be their way Thank you GOD
