Trotzer, 1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company **Interviewing for the Helping Professions** Fred R. McKenzie, 2013-09 Conducting a successful professional interview is more than an exercise of technical skills The specific approach an interviewer takes with any client should be informed by the interviewer s understanding of the client s needs and preferences exhibited within the developing relationship Interviewing for the Helping Professions promotes a theory driven relational approach to professional interviewing across disciplines The author s aim is to organically illustrate the theories and techniques of interviewing within the context of building and utilizing the therapeutic relationship The author uses example interviews to illustrate the variety of settings clients and issues interviewers encounter Each interview is fully annotated with the theory and practice skills being exhibited The emphasis on theory allows the reader to fully understand the underlying principles of interviewing encouraging them to be present and in the moment with their clients This comprehensive book is an indispensable resource for practice courses in counseling human services psychology and social work programs *THE UNHEARD CRY OF THE IGBO PEOPLE* KENNETH CHIGBO, 2011-03-21 In this book which itself is the outcome of an Award

winning research work Fr chigbo utilized the resources in Rabbi Abraham Joshua Heschel s Meta psychology of the Meaning of Human Life to study the Phenomena of the proliferation of prayer and healing ministries in Igboland He states The religious and spiritual world outlooks of Ndi Igbo predisposed them to seek for meaning of life in a religious spiritual setting The double assaults of the invasive colonialism and Christian Missionary exploits as well as these catastrophes slavery and slave trade the Nigerian Biafran war Neo Colonialism the exploitation marginalization and oppression of the Igbo people motivated them to raise questions about the fundamental quality of being human who am I and what is the meaning of my life The economic hardship political instability and the attack on fundamental Igbo cultural heritage also joined forces with the other factors mentioned above to cause existential frustration and existential vacuum within the Igbo population The author developed and explored what he calls Heschelian Diagnostic Tool as well as the ten psycho pastoral phases in the search for the meaning in Human life He proposed a new vision for prayer and healing ministry which is centered on the empowerment of each individual person to respond responsibly to the demand quality of life to engage in actions that are responses to the questions life poses before each unique individual This is an invaluable resource for all those involved or interested in the diverse field of pastoral care *Current Catalog* National Library of Medicine (U.S.), First multi year cumulation covers six

years 1965 70 **Skilled Interpersonal Communication** Owen Hargie,2010-09-13 There is a fundamental powerful and universal desire amongst humans to interact with others People have a deep seated need to communicate and the greater their ability in this regard the more satisfying and rewarding their lives will be The contribution of skilled interpersonal communication to success in both personal and professional contexts is now widely recognised and extensively researched As such knowledge of various types of skills and of their effects in social interaction is crucial for effective interpersonal functioning Previous editions have established Skilled Interpersonal Communication as the foremost textbook on communication This thoroughly revised and expanded 5th edition builds on this success to provide a comprehensive and up to date review of the current research theory and practice in this burgeoning field of study The first two chapters introduce the reader to the nature of skilled interpersonal communication and review the main theoretical perspectives Subsequent chapters provide detailed accounts of the fourteen main skill areas namely nonverbal communication reinforcement questioning reflecting listening explaining self disclosure set induction closure assertiveness influencing negotiating and interacting in and leading group discussions Written by one of the foremost international experts in the field and founded solidly in research this book provides a key reference for the study of interpersonal communication This theoretically informed yet practically oriented text will be of interest both to students of interpersonal communication in general and to qualified personnel and trainees in many fields Interviewing for the Helping Professions Fred McKenzie,Nicole Nicotera,2018-04-17 A successful professional interview depends on the development of a generally positive human interaction Without a positive base the interview can be fraught with difficulties and roadblocks This is true regardless of the

discipline be it social work psychology human services nursing criminal justice medicine psychiatry or any other field Beginning interviewers may have learned solid technique but often are initially focused more on thinking about what they will say next than on understanding or even listening to the client As a result that critical initial interview whose success affects the future of most professional encounters is often disrupted by a failure to truly listen and understand which is the foundation for earning clients trust This second edition goes beyond most other clinical interviewing books in its emphasis on the emotional foundation of interviewing and its focus on the importance of social justice and attention to the problem of microaggressions that can prohibit building and maintaining therapeutic rapport with clients Interviewing for the Helping Professions can help both the beginning professional and the veteran interviewer understand the nature and purpose technique meaning emotions and outcomes of the interviewing process The book also provides a comprehensive overview of the theory and technique so crucial to meaningful interviewing More important it emphasizes the emotional significance of the interaction and grounds the interviewing process in contemporary theories of practice and social justice
