Social Gospel For Millions

Margot Opdycke Lamme

Social Gospel For Millions:

A Social Gospel for Millions John P. Ferré, 1988 In the twentieth century Marxism challenged laissez faire economics psychoanalysis reinterpreted the processes of thought and evolution discredited the idea of creation These changes profoundly affected American Protestantism Ferré examines the belief system that underlies what middle class Protestants chose to read The Search for Social Salvation Gary Scott Smith, 2000-01-01 In their studies of social Christianity scholars of American religion have devoted critical attention to a group of theologically liberal pastors primarily in the Northeast Gary Scott Smith attempts to paint a more complete picture of the movement Smith's ambitious and thorough study amply demonstrates how social Christianity which included blacks women Southerners and Westerners worked to solve industrial political and urban problems reduce racial discrimination increase the status of women curb drunkenness and prostitution strengthen the family upgrade public schools and raise the quality of public health In his analysis of the available scholarship and case studies of individuals organizations and campaigns central to the movement Smith makes a convincing case that social Christianity was the most widespread long lasting and influential religious social reform movement in American history

A Social Gospel for Millions: The Religious Bestsellers of Charles Sheldon, Charles Gordon, and Harold Bell Wright (Ralph Connor). John Patrick Ferre, 1986 **Holy Hills of the Ozarks** Aaron K. Ketchell, 2021-04-27 Confronts readers with the implications of a popular tourist destination founded on the values and sentiments of American evangelical Protestantism Thomas S Bremer Journal of the American Academy of Religion Over the past century Branson Missouri has attracted tens of millions of tourists Nestled in the heart of the Ozark Mountains it offers a rare and refreshing combination of natural beauty and family friendly recreation from scenic lakes and rolling hills to theme parks and variety shows It has boasted of big name celebrities like Wayne Newton Andy Williams and Petula Clark as well as family entertainers like Mickey Gilley the Shanghai Magic Troupe Jim Stafford and Yakov Smirnoff But there is more to Branson's fame than just recreation As Aaron K Ketchell discovers a popular variant of Christianity underscores all Branson's tourist attractions and fortifies every consumer success In this lively and engaging study Ketchell explores Branson's unique blend of religion and recreation He explains how the city became a mecca of conservative Christianity a place for a spiritual vacation and how through conscious effort its residents and businesses continuously reinforce its inextricable connection with the divine Ketchell combines the study of lived religion popular culture evangelicalism and contemporary American history to present an accurate and honest account of a distinctly American phenomenon As Ketchell brilliantly argues Branson entrepreneurs wove Christian sentiment into a fabric of nostalgia premodern longing and whitewashed rusticity Matthew Avery Sutton The Christian Century At a time when Jim Wallis and other observers have forecast the end of the prominence of right wing religion on the U S political stage this book will cause many readers to question that prediction David Stricklin The Journal of Southern History **Public Relations and Religion in American History** Margot Opdycke Lamme, 2014-02-18 Winner of

The American Journalism Historians Association Book of the Year Award 2015 This study of American public relations history traces evangelicalism to corporate public relations via reform and the church based temperance movement It encompasses a leading evangelical of the Second Great Awakening Rev Charles Grandison Finney and some of his predecessors early reformers at Oberlin College where Finney spent the second half of his life leaders of the Woman s Christian Temperance Union and the Anti Saloon League of America and twentieth century public relations pioneer Ivy Ledbetter Lee whose work reflecting religious and business evangelism has not yet been examined Observations about American public relations history icon P T Barnum whose life and work touched on many of the themes presented here also are included as thematic bookends As such this study cuts a narrow channel through a wide swath of literature and a broad sweep of historical time from the mid eighteenth century to the first decades of the twentieth century to examine the deeper and deliberate strategies for effecting change for persuading a community of adherents or opponents or even a single soul to embrace that which an advocate intentionally presented in a particular way for a specific outcome prescriptions as it turned out not only for religious conversion but also for public relations initiatives

The Wilderness, the Nation, and the Electronic Era
Elmer J. O'Brien, 2009-07-29 The Wilderness the Nation and the Electronic Era American Christianity and Religious Communication 1620 2000 An Annotated Bibliography contains over 2 400 annotations of books book chapters essays periodical articles and selected dissertations dealing with the various means and technologies of Christian communication used by clergy churches denominations benevolent associations printers booksellers publishing houses and individuals and movements in their efforts to disseminate news knowledge and information about religious beliefs and life in the United States from colonial times to the present Providing access to the critical and interpretive literature about religious communication is significant and plays a central role in the recent trend in American historiography toward cultural history particularly as it relates to numerous collateral disciplines sociology anthropology education speech music literary studies art history and technology The book documents communication shifts from oral history to print to electronic and visual media and their adaptive uses in communication networks developed over the nation s history This reference brings bibliographic control to a large and diverse literature not previously identified or indexed

What Would Jesus Read? Erin A. Smith, 2015-04-13 Since the late nineteenth century religiously themed books in America have been commercially popular yet scorned by critics Working at the intersection of literary history lived religion and consumer culture Erin A Smith considers the largely unexplored world of popular religious books examining the apparent tension between economic and religious imperatives for authors publishers and readers Smith argues that this literature served as a form of extra ecclesiastical ministry and credits the popularity and longevity of religious books to their day to day usefulness rather than their theological correctness or aesthetic quality Drawing on publishers records letters by readers to authors promotional materials and interviews with contemporary religious reading groups Smith offers a comprehensive study that finds

surprising overlap across the religious spectrum Protestant Catholic and Jewish liberal and conservative Smith tells the story of how authors publishers and readers reconciled these books dual function as best selling consumer goods and spiritually edifying literature What Would Jesus Read will be of interest to literary and cultural historians students in the field of print culture and scholars of religious studies *The Faith of Fifty Million* Christopher Hodge Evans, William R.

Herzog, 2002-01-01 This volume features essays by religion scholars who analyze the relation of baseball and theology in American culture Topics include issues of national identity baseball and civil religion baseball as a metaphor and more

American Religious Leaders Timothy L. Hall, 2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life *American Religious History* Gary Scott Smith, 2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice educational institutions and instruction social norms and customs marriage and family life By analyzing religion s interaction with American culture and prominent religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each introduced by a contextualizing headnote A selected general bibliography closes volume three **Money, Lies, and God** Katherine Stewart, 2025-02-18 INSTANT NEW YORK TIMES BESTSELLER An eerily prescient guide to the phantasmagoria of our political moment The New York Times Book Review American democracy isn t simply dying It is as Stewart observes being murdered The New Republic Meticulously researched elegantly written and hard hitting Kristin Kobes Du Mez From the acclaimed author of *The Power Worshippers* an indispensable citizen s guide to the anti democratic MAGA Right in America Congressman Jamie Raskin Why have so many Americans turned against democracy In this deeply reported book Katherine Stewart takes us to conferences of conspiracy mongers backroom strategy gatherings and services at extremist churches and profiles the people who want to tear it all down She introduces us to reactionary Catholic activists atheist billionaires pseudo Platonist intellectuals self appointed apostles of Jesus disciples of Ayn Rand women hating opponents of the gynocracy pronatalists preoccupied with the dearth of white babies Covid truthers militia members masquerading as concerned moms

and battalions of spirit warriors who appear to be inventing a new style of religion even as they set about attacking democracy at its foundations Along the way she provides a compelling analysis of the authoritarian reaction in the United States She demonstrates that the movement relies on several distinct constituencies with very different and often conflicting agendas Stewart s reporting and comprehensive political analysis helps reframe the conversation about the moral collapse of conservatism in America and points the way forward toward a democratic future Katherine Stewart has written what may be the most important political book of the day exposing the networks of dark money funded ultra right wing subversives who have already done enormous damage to our Constitution and the rule of law and are now perilously close to overthrowing the American government as we know it Sean Wilentz A Social Gospel for Millions: The Religious Bestsellers of Charles Sheldon, Charles Gordon, and Harold Bell Wright (Ralph Connor). ,1986 Women who Give Away Millions Iris

Nowell,1996-10-22 This book pays tribute to 14 women who donated millions of dollars to causes close to their hearts Iris Nowell is the author of five books Writing her 1996 book Women Who Give Away Millions has given her a solid foundation of philanthropy the not for profit sector and the wealthy She has also written a memoir of Canadian artist Harold Town and a biography of artist filmmaker and impassioned feminist Joyce Wieland **The Personalist** Ralph Tyler Flewelling,1924

End Time Politics Keri L. Ladner,2024 End Time Politics shows how popular beliefs about God s impending judgment on the world rooted in millenarian ideologies Cold War grandstanding racial antipathy and nuclear build up shaped an economic movement that led to white evangelicals unflinching support of Donald Trump The Million Dollar Mind Mitch Horowitz,2021-01-06 In an age when success by all means is too often the norm Mitch Horowitz sets the record straight by highlighting how to develop your personal power with honor nobility poise and effectiveness Through a series of powerful yet simple techniques Horowitz outlines how you can pursue your highest material career and financial aims with dignity Discover how to combine power with principle and success with self respect The book includes these topics The power of simple ideas The power of right relations The power of a single aim Lifting emotional blocks The power of decision

Money, Power, and the People Christopher W. Shaw,2022-12-22 An engaging and well researched study of ordinary people who joined together to challenge financial institutions Choice Banks and bankers are hardly the most beloved institutions and people in this country With its corruptive influence on politics and stranglehold on the American economy Wall Street is held in high regard by few outside the financial sector But the pitchforks raised against this behemoth are largely rhetorical We rarely see riots in the streets or public demands for an equitable and democratic banking system that result in serious national changes Yet the situation was vastly different a century ago as Christopher W Shaw shows This book upends the conventional thinking that financial policy in the early twentieth century was set primarily by the needs and demands of bankers Shaw shows that banking and politics were directly shaped by the literal and symbolic investments of the grassroots This engagement remade financial institutions and the national economy through populist pressure and the

establishment of federal regulatory programs and agencies like the Farm Credit System and the Federal Deposit Insurance Corporation Shaw reveals the surprising groundswell behind seemingly arcane legislation as well as the power of the people to demand serious political repercussions for the banks that caused the Great Depression One result of this sustained interest and pressure was legislation and regulation that brought on a long period of relative financial stability with a reduced frequency of economic booms and busts Ironically this stability led to the decline of the very banking politics that brought it about Giving voice to a broad swath of American figures including workers farmers politicians and bankers alike Money Power and the People recasts our understanding of what might be possible in balancing the needs of the people with those of their financial institutions *American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History* Gina Misiroglu, 2015-03-26 Counterculture while commonly used to describe youth oriented movements during the 1960s refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day This fascinating three volume set explores these movements in America from colonial times to the present in colorful detail American Countercultures is the first reference work to examine the impact of countercultural movements on American social history It highlights the writings recordings and visual works produced by these movements to educate inspire and incite action in all eras of the nation s history A Z entries provide a wealth of information on personalities places events concepts beliefs groups and practices The set includes numerous illustrations a topic finder primary source documents a bibliography and a filmography and an index *Faithful Politics* Miranda Zapor Cruz, 2024-08-20 Christians who share similar faith convictions can arrive at different political conclusions In this nonpartisan overview Miranda Zapor Cruz shares ten theological approaches Christians throughout history have used to navigate political participation helping us form a vision of faithful citizenship in an increasingly polarized society
