Challenges and Choices James A. Holstein, Gale Miller, 2024-11-01 The social constructionist perspective has revolutionized the way that social scientists investigate social problems Constructing Social Problems Spector and Kitsuse 1977 2001 offered the guiding statement of the approach which both transformed and revitalized the sociology of social problems propelling it into a quarter century of exciting and innovative empirical research John Kitsuse and Malcolm Spector challenged conventional approaches to the field they insisted on treating social problems as social constructions as the products of claims making and constitutive definitional processes The purpose of this book is to highlight contemporary challenges to the social constructionist perspective on social problems In 1993 two collections of essays Reconsidering Social Constructionism Debates in Social Problems Theory Holstein and Miller 1993 and Constructionist Controversies Issues in Social Problems Theory Miller and Holstein 1993 brought a wide variety of constructionist challenges into focus Challenges and Choices attempts to distill these debates and offers some compelling suggestions for how challenges may be met and where constructionist studies might proceed in the future While each of the essays in this volume deeply appreciates the constructionist approach each of them points to issues and choices that social constructionists must confront if the perspective is to continue to be a vital part of ongoing debates on social problems The essays critique previous constructionist formulations make suggestions for advancing expanding or diversifying the

constructionist agenda and challenge the perspective to move in new directions They remind us that social constructionism is an ongoing not a finished product and the essays point to some of the choices available to social constructionists in moving their projects into new even uncharted territories James A Holstein and Gale Miller are professors in the Department of Social and Cultural Sciences at Marquette University *Resources in Education* ,1996-04 *Environmental Social Work* Mel Gray,John Coates,Tiani Hetherington,2013 Divided into three parts this field defining work explores what environmental social work is and how it can be put into practice It focuses on theory discussing ecological and social justice as well as sustainability spirituality and human rights

**The New Temperance** David Wagner,2018-02-12 The war on drugs the campaigns against smoking cigarettes v chips to control what children watch on TV censoring the Internet and Calvin Klein jeans ads bipartisan lectures about the dangers of teen sex constant warnings about food and fat all are examples of what David Wagner terms the New Temperance The New Temperance contrasts the new obsession with personal behavior in America during the last two decades with the brief period of relative freedom in the 1960s and early 1970s and suggests strong consistencies with our past In particular the late twentieth century appears to have re created the mood of the Victorian and Progressive Periods when social movements such as the Temperance Social Purity and Vice and Vigilance movements held sway The New Temperance questions the constant mantra in the media and in political debates about the dangers of personal behavior and challenges America s love affair with repression
