**Social Problems and Criminal Justice** Emilio Viano, Alvin W. Cohn, 1975      **Indian Police and Equal Justice Under Law** James Vadackumchery, 1999      **Books in Series**, 1985 Vols for 1980 issued in three parts Series Authors and Titles

**Social Problems and Criminal Justice** Emilio Viano, Alvin W. Cohn, 1974      **Monographic Series** Library of Congress,      **Subject Catalog, 1975** Library of Congress, 1975      *The Routledge International Handbook of the Crimes of the Powerful* Gregg Barak, 2015-06-05 Across the world most people are well aware of ordinary criminal harms to person and property Often committed by the powerless and poor these individualized crimes are catalogued in the statistics collected annually by the FBI and by similar agencies in other developed nations In contrast the more harmful and systemic forms of injury to person and property committed by powerful and wealthy individuals groups and national states are neither calculated by governmental agencies nor annually reported by the mass media As a result most citizens of the world are unaware of the routinized crimes of the powerful even though they are more likely to experience harms and injuries from these types of organized offenses than they are from the atomized offenses of the powerless Research on the crimes of the powerful brings together several areas of criminological focus involving organizational and institutional networks of powerful people that commit crimes against workers marketplaces taxpayers and political systems as well as acts of torture terrorism and genocide This international handbook offers a comprehensive authoritative and structural synthesis of these interrelated topics of criminological concern It also explains why the crimes of the powerful are so difficult to control Edited by internationally acclaimed criminologist Gregg Barak this book reflects the state of the art of scholarly research covering all the key areas including corporate global environmental and state crimes The handbook is a perfect resource for students and researchers engaged with explaining and controlling the crimes of the powerful domestically and internationally      **Criminal Justice Policy and Planning** Wayne N. Welsh, Philip W. Harris, 2016-03-31 Unlike other textbooks on the subject Criminal Justice Policy and Planning Planned Change Fifth Edition presents a comprehensive and structured account of the process of administering planned change in the criminal justice system Welsh and Harris detail a simple yet sophisticated seven stage model which offers students and practitioners a full account of program and policy development from beginning to end The authors thoughtfully discuss the steps analyzing a problem setting goals and objectives designing the program or policy action planning implementing and monitoring evaluating outcomes and reassessing and reviewing Within these steps students focus on performing essential procedures such as conducting a systems analysis specifying an impact model identifying target populations making cost projections collecting monitoring data and performing evaluations In reviewing these steps and procedures students can develop a full appreciation for the challenges inherent in the process and understand the tools that they require to meet those challenges To provide for a greater understanding of the material the text uses a wide array of real life case studies and examples of programs and policies Examples include policies such as

Restorative Justice Justice Reinvestment Stop and Frisk and the Brady Act and programs such as drug courts community based violence prevention and halfway houses By examining the successes and failures of various innovations the authors demonstrate both the ability of rational planning to make successful improvements and the tendency of unplanned change to result in undesirable outcomes The result is a powerful argument for the use of logic deliberation and collaboration in criminal justice innovations Research Methods for Criminology and Criminal Justice M. L. Dantzker, Ronald D Hunter, 2000-02-03 Research should be enjoyable whether it is a college student completing a project for a degree or a professor meeting requirements or expectations associated with his or her position Learning the basics for conducting research is the first step This text is a reader friendly primer which has as its strength the facility to positively and gently ease the reader into the task of conducting research Each chapter begins with a vignette describing a hypothetical situation in which students might find themselves By chapter s end students should be equipped with the knowledge on how to address the confusion or problem presented in the appropriate scenario Another pedagogical tool is the Methodological Link which refers to excerpts from actual criminal justice and criminological research the full text which is available in a companion text Readings for Research Methods in Criminology and Criminal Justice Each chapter also ends with Methodological Queries questions and exercises requiring students to apply what has been learned Uses practical examples from criminal justice scenarios to bring complex and involved issues to life Hypothetical scenarios at the beginning of each chapter Shows the relevance of research methodology to the practical problems of everyday criminal justice operations in a reader friendly manner American Book Publishing Record Cumulative, 1950-1977 R.R. Springer, Albert R. Roberts, 2017-05-16 Social Work in Juvenile and Criminal Justice Systems sets the standard of care for mental health treatment and the delivery of social services to crime victims juvenile and adult offenders and their families The chapters all authored by experts in the field and all committed to the mission of social justice are written with the clear understanding that we cannot study criminal justice in

a vacuum Therefore a major focus of the book is on the renewed growing sense of the profession s obligation to social justice Each chapter interconnects with the various components of juvenile and criminal justice Another prominent aspect of the book is that it is strength based It views those involved in the criminal and juvenile justice systems as individuals rather than inmates or criminals each with unique positive talents and abilities The book is divided into four sections The first section discusses forensic social work including crime and delinquency theories trends and ethical issues The second section prepares social workers for practice in correctional institutions and explores crisis intervention with victims of violence reentry of adult offenders in society and aging in prison The third section covers assessment and intervention in child sexual abuse mental health and substance abuse interpersonal violence and prevention child welfare and juvenile justice The final section presents an overview on social work in the twenty first century which includes restorative justice and the justice system new ways of delivering justice domestic violence neighborhood revitalization race and ethnicity and social work practice with LGBTQ offenders This book will be the best single source on social work in criminal justice settings and will prove to be an invaluable resource for the many professionals who have responsibility for formulating and carrying out the mandates of the criminal justice system

**Criminology** Stephen Eugene Brown, Finn-Aage Esbensen, Gilbert Geis, 2013 This highly acclaimed criminology text presents an up to date review of rational choice theories including deterrence shaming and routine activities
