Social Setting Of Pauline Christianity:

The Social Setting of Pauline Christianity Gerd Theissen, 2004-09-21 Recent emphasis on the social matrix out of which the early church's documents arose marks a notable turn in the path of contemporary New Testament studies Although the terms goals and procedures of scholars vary considerably there is widespread agreement that much of the interesting and innovative work in the field is that of Gerd Theissen Four of his most formidable and sustained contributions treat Paul's correspondence with the Christian community at Corinth Together these four essays provide a composite picture of the social stratification at this ancient urban center and of the concrete organizational and ethical problems that that stratification engendered for the Christians common life A fifth essay helps to focus the critical questions of methodology that arise whenever one approaches ancient religious texts for information on issues which to the texts themselves are of peripheral concern A lucid introduction by the translator and a helpful bibliography of the author's major writings round out this significant exploration and interpretation of the social world of early Christianity **Essays on Corinth** Gerd Secular and Christian Leadership in Corinth Clarke, 2018-12-10 This volume traces Theissen, John Howard Schütz, 1982 the influences of first century Corinthian secular leadership on local church leadership as reflected in 1 Corinthians 1 6 It then shows how Paul modifies the Corinthian understanding of church leadership By comparing secular leadership in first century Corinthian society with leadership in the Corinthian church it has been argued that one of Paul's major concerns with the church in Corinth is the extent to which significant members in the church were employing secular categories and perceptions of leadership in the Christian community This volume has adopted the method of assessing the New Testament evidence in the light of its social and historical background Both literary and non literary sources rather than modern sociological models were employed in making the comparison To Each Its Own Meaning Stephen R. Haynes, Steven L. McKenzie,1999-01-01 This volume introduces the reader to the most important methods of biblical criticism It serves as an indispensable handbook for the work of students approaching biblical studies for the first time and for the professional interpreter of scripture who wants to understand the latest currents in biblical scholarship After the First Urban Christians Todd D. Still, David G. Horrell, 2009-11-13 After the First Urban Christians introduces the groundbreaking volume The First Urban Christians to a new generation of students scholars and even general readers Currents in the Interpretation of Paul Neil Elliott, 2024-09-05 The apostle Paul has long been championed or criticized as a Christian thinker as a brilliant theological genius or an enthusiastic convert who spun arguments to justify his new allegiances In these essays Neil Elliott engages some of the most provocative currents in contemporary scholarship including Paul and the nature of violence the presumptions of religious cultural or national innocence in particular interpretations of the apostle the recent enthusiasm for Paul in some streams of Marxist thought competing construals of economic realities in Paul s day and our own and guestions surrounding Paul's legacy today The Making of Christian Morality David G. Horrell, 2019-01-29 In this

volume David Horrell focuses on themes of community ethics and ecology in Paul moving from the concrete social circumstances in which the earliest Christian communities gathered to the appropriation of Paul's writings in relation to modern ethical challenges Often questioning established consensus positions Horrell opens up new perspectives and engages with ongoing debates both in Pauline studies and in contemporary ethics After covering historical questions about the setting of the Paul ine communities The Making of Christian Morality analyzes Paul ine ethics through a detailed study of particular passages In the third and final section Horrell brings Pauline thought to bear on contemporary issues and challenges using the environmental crisis as a case study to demonstrate how Paul's ethics can be appropriated fruitfully in a world so different from Paul s own The Blackwell Companion to Paul Stephen Westerholm, 2014-01-07 The Blackwell Companion to Paul presents a distinctive dual focus approach that encompasses both the historical Paul and the history of Paul s influence In doing so expert contributors successfully address the interests of students of early Christianity and those of Christian theology Offers a complete overview of the life writings and legacy of one of the key figures of Christianity The essays compass the major themes of Paul s life and work as well as his impact through the centuries on theology Church teaching social beliefs art literature and contemporary intellectual thought Edited by one of the leading figures in the field of Pauline Studies The contributors include a range of world renowned academics Corinthian Wisdom, Stoic Philosophy, and the Ancient Economy Timothy A. Brookins, 2014-07-28 This work re examines the divisive wisdom that Paul addresses in 1 Corinthians Challenging the recent consensus that the Corinthians wisdom was rooted primarily in the Greco Roman rhetorical tradition Timothy A Brookins offers a revisionary thesis centered on discourse similarities between the perspective of the Corinthian wise and the Stoic system of thought Brookins argues that several members of the church after hearing Paul s initial gospel message construed that message in terms of Stoic philosophy and began promoting a kind of Stoic Christian perspective that helped to precipitate divisions in the church Being apprised of their views Paul then exploited the Stoic discourse of his opponents in order to sustain common discursive ground In addition to providing a fresh synthesis of the data in 1 Corinthians Brookins brings in cutting edge research on the ancient economy as he explores questions related to philosophical education and social status within the church community Early Christianity: Oxford Bibliographies Online Research Guide Eric Rebillard, 2010-05 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In classics as in other disciplines researchers at

Mudge, 2007-12-12 The nature and story of the Christian church is immensely important to theology students and scholars alike Written by an international team of distinguished scholars this comprehensive book introduces students to the fundamental historical systematic moral and ecclesiological aspects of the study of the church as well as serving as a resource for scholars engaging in ecclesiological debates on a wide variety of issues It divides into six parts the church in its historical context the different denominational traditions global perspectives methods and debates in ecclesiology key concepts and themes ecclesiology and other disciplines social sciences philosophy literature and film Authoritative accessible and easily navigable this book is indispensable for everyone interested in the nature and history of the Christian Church Memory and Identity in Ancient Judaism and Early Christianity Tom Thatcher, 2014-08-29 Essential reading for scholars and students interested in sociology and biblical studies In this collection scholars of biblical texts and rabbinics engage the work of Barry Schwartz Professor Emeritus in the Department of Sociology at the University of Georgia Schwartz provides an introductory essay on the study of collective memory Articles that follow integrate his work into the study of early Jewish and Christian texts The volume concludes with a response from Schwartz that continues this warm and fruitful dialogue between fields Features Articles that integrate the study of collective memory and social psychology into religious studies Essays from Barry Schwartz Theories applied rather than left as abstract Picturing Christian Witness Stanley H. Skreslet, 2006-05-03 Christian mission in previous centuries often principles drew on images of imperial expansion and war While few today would describe the gospel task in such imperialistic terms have we developed appropriate alternate images to associate with the good news of Jesus Christ In Picturing Christian Witness missiologist Stanley Skreslet searches for new more holistic images of mission from Scripture Undertaking a novel exegetical study of mission in the New Testament he highlights five actions that depict the witness of Jesus first followers announcing good news sharing Christ with friends interpreting the gospel shepherding and building planting After carefully examining key biblical passages Skreslet draws out the implications of these five images for the theology of mission and lets each image take shape visually through an array of Western and non Western art Picturing Christian Witness will provoke readers to imagine what mission will look like when actively embodied by contemporary disciples of Jesus Thankina God Emphatically David C. Dickenson, 2024-07-11 Is Paul being ironic when he thanks God for the Corinthians in 1 Cor 1 4 9 On one hand the apostle seems sincere as he gives thanks for God's gifting of the church On the other hand it can be hard to

trust Paul s sincerity when the very things mentioned e g speech and knowledge will later be associated with Paul s rebuke of the church This book clarifies the apostle's intent A look at rhetorical ornamentation from Paul's world reveals that he is using one of the most popular rhetorical figures of his day called emphasis The figure allows Paul to give thanks genuinely while implicitly chiding his audience through various hints These hints prepare for every major section of the letter and the rebukes contained within them Intriguingly the only two comparable thanksgivings in the letter 1 14 16 14 18 19 also employ emphasis These passages all reveal a subtlety that is at once sincere critical and even humorous They reveal that Paul is thanking God emphatically Small Christian Communities and the Parish John Paul Vandenakker, 1994 Examines the pastoral and theological implications of North American Small Christian Community programs Theology and Ethics in Paul and His Interpreters Eugene H. Lovering Jr., Jerry L. Sumney, 2017-09-12 This significant volume draws together an exceptional list of contributors to honor the life and work of Victor Paul Furnish Doing credit to the focus and character of Furnish's career as a scholar educator and churchman the individual essays and the volume as a whole have been written in a way that renders them accessible to seminary students in the classroom and that builds substantially on Furnish's own work The book is structured in three parts 1 Theology and Ethics in Paul focusing on individual Pauline texts and on the broader themes foundations and context of Paul's theological and ethical thought 2 Theology and Ethics in Paul's Earliest Interpreters both in the NT and in the church which came to accept Paul s letters as canonical and 3 Paul in Contemporary Theology and Ethics engaging Furnish's own work as well as that of his colleagues and students in the area of Pauline Household Conversion Narratives in Acts David Matson, 1996-02-01 Using features of the theology and ethics narrative critical method this book offers an innovative approach to a notable phenomenon in the book of Acts the conversion of entire households to the Christian faith When viewed against the household mission of the seventy two messengers in Luke the stories of Cornelius Lydia the Roman jailer and Crispus comprise a pattern of evangelistic activity that provides a common framework for their interpretation Repetition and variation of the pattern offer important clues for the way each story functions within the wider context of Acts opening up new lines of interpretation as well as new levels of unity disunity between the Lukan writings Women & Christian Origins Ross Shepard Kraemer, 1999 This new collection of fourteen integrated original essays by prominent scholars and experienced teachers provides a comprehensive and accessible entree to current research on women and the origins of Christianity Engaging for both the interested reader and the specialist in religion Women and Christian Origins is sensitive to feminist theory and attentive to distinctions between the re construction of women's history in early Christian churches and ancient constructions of gender difference The Lord's Supper in Corinth in the Context of Greco-Roman Private Associations Jin Hwan Lee, 2018-11-02 In this socio historical study Jin Hwan Lee offers fresh insights on social aspects of communal banqueting practice in early Christ groups particularly in Corinth With an emphasis on banqueting practice in Greco Roman private associations he attempts to understand social conflicts at

communal gatherings of the Christ group in Corinth His research on the social dynamics of banquet meetings in associations is thorough fresh and even striking readers will be amply rewarded by new ideas to this field Making use of a wide range of ancient literature and epigraphical and papyrological sources from associations Lee helps recover the real issues that the Christ group members encountered at their communal meal described in 1 Cor 11 17 34 boldly claiming that current scholarly approaches to these issues at the Corinthian Christ group communal meal are anachronistic Lee provides a new paradigm for thinking about early Christ movement meals and by and large early Christ movements in the first and second centuries A D
