Social Sketches Of Australia:

Social Sketches of Australia Humphrey McQueen, 2004 This new edition is about the lives and times of ordinary people from 1888 to the present Unlike more conventional histories it uses little known accounts ranging from regional histories to pen portraits anecdotes and diaries *Social Sketches of Australia, 1888-1975* Humphrey McQueen, 1978 Lives of ordinary people their clothes eating habits houses schooling working conditions **Social Sketches of Australia** Humphrey MacQueen, 1978 **Australian National Bibliography: 1992** National Library of Australia, 1988 **Gay Sydney** Garry

Wotherspoon, 2016-03-01 Garry Wotherspoon's *Gay Sydney* A History is an updated version of his 1991 classic *City of the Plain* History of a Gay Sub culture written in the midst of the AIDS crisis In this vivid book Wotherspoon traces the shifts that have occurred since then including majority support for marriage equality and anti discrimination legislation He also ponders the parallel evaporation of a distinctly gay sensibility and the disappearance of once packed gay bars that have now become cafes and gyms This book also tells the story of gay Sydney across a century looking at secret underground gay life the never ending debates about sex in society and the role of social movements in the 60 and 70s in effecting social change *Nation, Culture, Text* Graeme Turner, 2002-09-10 *Nation Culture Text* Australian Cultural and Media Studies is the first collection of cultural studies from Australia selected and introduced for an international readership Participating in the de centring of cultural studies considering what perspectives other than the European and the American have to offer the contributors raise important issues about the role of a national tradition of critical theory and about the cultural specificity of theory itself A key theme is the place of the postcolonial nation within contemporary cultural theory particularly those aspects of contemporary theory which see the category of contemporary theory which see the category of the nation as either outdated or suspect The writers tackle subjects ranging from the televising of the Bicentennial to the role of policy in film television and the heritage industry from the use of video technologies with remote Aboriginal communities to the role of ethnography in cultural studies

The Unknown Judith Wright Georgina Arnott, 2016 Judith Wright 1915 2000 remains a giant figure within Australian art culture and politics Her 1946 collection of poetry *The Moving Image* revolutionized Australian poetry She helped to establish the modern Australian environmental movement and was a key player in early campaigns for Aboriginal land rights A friend and confidante of artists writers scholars activists and policy makers she remains an inspiration to many And yet as Georgina Arnott is able to show in this major new work the biographical picture we have had of this renowned poet activist has been very much a partial one This book presents a more human figure than we have previously seen and concentrates on Wright's younger years New material allows us to hear directly thrillingly the feisty voice of a young Judith Wright and forces us to reconsider the woman we thought we knew Thoroughly reader friendly in organization and presentation *The Unknown Judith Wright* is unreservedly recommended for community and academic library Literary Studies collections in general and supplemental studies reading lists in the subject areas of Australian History Art Poetry Gender Studies Literary Criticism and

of Identity in Australia Geoff Stokes, 1997-06-30 Issues of identity are central to many historical and current debates in Australia This superb collection of essays represents a significant rethinking of received ideas on identity and reveals how issues of identity lie at the heart of Australian political thought and form the foundation of Australian society and culture It provides a comprehensive introduction to the political discourse surrounding Australian identity through key themes including identity theory the manipulation of identity for political ends gender and sexuality immigration and national identity citizenship and Aboriginality and literature and film The book rejects many of the assumptions underlying contemporary political debates including the promulgation of a singular national identity in historical fact or as a political goal This is a thought provoking study of identity its links with nationalism and its potentially divisive effects **Dangerous**

John Frow, Meaghan Morris, 1993 Cultural studies has emerged as a major force in the analysis of cultural systems and their relation to social power Rather than being interested in television or architecture or pinball machines themselves as industrial or aesthetic structures cultural studies tends to be interested in the way such apparatuses work as points of concentration of social meaning as media literally according to John Frow and Meaghan Morris Here two of Australia's leading cultural critics bring together work that represents a distinctive national tradition moving between high theory and detailed readings of localized cultural practices Ethnographic audience research cultural policy studies popular consumption

bad aboriginal art landscape in feature films style form and history in TV miniseries and the intersections of tourism with history and memory these are among the topics addressed in a landmark volume that cuts across myriad traditional disciplines The Excluded Past Robert MacKenzie, Peter Stone, 2013-10-23 A ground breaking book that examines the uneasy relationship between archaeology and education Argues that archaeologists have a vital role to play in education alongside other interpreters of the past Contributors from different countries and disciplines show how the exclusion of aspects of the past tends to impoverish and distort social and educational experience Profile Pieces Sue Joseph, Richard Lance Keeble, 2015-10-14 This book examines the history theory and journalistic practice of profile writing Profiles and the practice of writing them are of increasing interest to scholars of journalism because conflicts between the interviewer and the subject exemplify the changing nature of journalism itself While the subject often through the medium of their press representative struggles to retain control of the interview space the journalist seeks to subvert it This interesting and multi layered interaction however has rarely been subject to critical scrutiny partly because profiles have traditionally been regarded as public relations exercises or as soft journalism However chapters in this volume reveal not only that profiling has historically taken many different forms but that the idea of the interview as a contested space has applications beyond the subject of celebrated individuals The volume looks at the profile s historical beginnings at the contemporary manufacture of celebrity versus the ordinary at profiling communities countries and movements at profiling the destitute at sporting personalities and finally at profiling and trauma Australian Books in Print 1999 K G Saur Books, 1999-04 Excellent coverage essential to worldwide bibliographic coverage American Reference Books Annual This comprehensive reference provides current finding ordering information on more than 123 000 in print books published in Australia You ll also find brief profiles of more than 12 000 publishers distributors whose titles are represented as well as information on trade associations local agents of overseas publishers literary awards more From Thorpe **Watriama and Co** Hugh Laracy, 2013-10-01 WATRIAMA AND CO the title echoes Kipling s STALKY AND CO is a collection of biographical essays about people associated with the Pacific Islands It covers a period of almost a century and a half However the individual stories of first hand experience converge to some extent in various ways so as to present a broadly coherent picture of Pacific History In this politics economics and religion overlap So too do indigenous cultures and concerns together with the activities and interests of the Europeans who ventured into the Pacific and who had a profound widespread and enduring impact there from the nineteenth century and who also prompted reactions from the Island peoples Not least significant in this process is the fact that the Europeans generated a paper trail through which their stories and those of the Islanders who also contributed to their written record can be known Thus not only are the subjects of the essays to be encountered personally and within a contextual kinship but the way in which the past has shaped the future is clearly discernible Watriama himself features in various historical narratives So too certain of his confreres in this collection which is the product of several
