Larson, Timothy A. Keiper, 2011-03-17. Written explicitly for pre-service social studies teachers, this exciting methods-based text integrates an in-depth look at seven distinct teaching strategies with appropriate management and assessment techniques.

Creating Stellar Lessons with Digital Tools Kenneth J. Luterbach, 2022-05-12. Creating Stellar Lessons with Digital Tools prepares teachers in training and in-service teachers to use technologies for design and development activities with middle and high school students. While software, open resources, handheld devices, and other tools hold great potential to enhance learning experiences, teachers themselves must model technology use in ways that inspire students to become producers and leaders rather than consumers and followers. Featuring concrete applications in social studies, English, mathematics, and science scenarios, this book provides pre-service and in-service teachers with seven paths to creatively integrate and innovate with computational thinking, datasets, maker spaces, visual design, media editing, and other approaches.
