

THE  
SOCIAL  
THEORY  
OF  
GEORG SIMMEL

---

NICHOLAS J. SPYKMAN

WITH A NEW INTRODUCTION BY  
DAVID FRISBY

# Social Theory Of Georg Simmel

**David Frisby**

## **Social Theory Of Georg Simmel:**

The Sociology of Georg Simmel Georg Simmel, 1950

**The Social Theory of Georg Simmel** Nicholas J.

Spykman, 2017-09-29 Contemporary sociology increasingly seems to be adopting a perspective similar to that on which Georg Simmel's analysis and interpretations rested. To a significant degree, therefore, sociologists continue to turn to Simmel for a basic understanding of the forms and processes of social life. Nicholas Spykman's *The Social Theory of Georg Simmel*, originally published in 1925, was the first comprehensive account of Simmel's ideas. It remains a most valuable summary of the major elements of his thought. Spykman wrote this study for a specific purpose: to indicate Simmel's conception of the relations between different fields of theoretic inquiry into socio-historical actuality; to make Simmel's contributions to the methodology of the social sciences understood; and to illustrate Simmel's conception of sociology as a science. He shows that Simmel was primarily a social philosopher interested in a functional understanding of socio-historical realities: art and economic values, morals and aesthetics, religion and the function of money. Spykman identifies three major phases in the development of Simmel's thought: the first is primarily occupied with methodology and the presuppositions of the social sciences; during the second, he wrote several essays containing philosophic interpretations of modern civilization; and the third culminated in his *metaphysics of culture*. *The Social Theory of Georg Simmel*, graced with a new introduction by David Frisby, one of the foremost contemporary Simmel experts, is an outstandingly organized, coherent presentation of the complex and subtle ideas of one of the intellectual giants of modern sociology.

*The Social Theory of Georg Simmel* Nicholas John Spykman, 1992

**Sociological Impressionism (Routledge Revivals)** David Frisby, 2013-09-13 When *Sociological Impressionism* was first published in 1981, it was the first comprehensive study on Simmel's social theory to appear in English since 1925. A pioneering work, it did much to bring about the rediscovery of Georg Simmel as one of the key sociologists of the twentieth century. David Frisby provides a provocative introduction to aspects of Simmel's social theory, seriously challenging many interpretations of his work, most notably the view that Simmel produced a formal sociology. By drawing on many little-known essays and pieces by Simmel and his contemporaries, the book locates him within the social and intellectual milieu in which he was working. This is a reissue of the second edition, published in 1992, which includes a new afterword confronting critical responses to the first edition. This is an important work which will be of interest to students of sociology and social philosophy in Germany in the late nineteenth and early twentieth century.

*The Social Thought of Georg Simmel* Horst J. Helle, 2014-02-04 This new volume of the SAGE Social Thinkers series, *The Social Thought of Georg Simmel*, provides a concise introduction to the work, life, and influences of Georg Simmel. Horst J. Helle closely examines the writings and ideas of Simmel that introduced a new way of looking at culture and society and helped establish sociology's place among the academic fields. The book focuses on the key intellectual concerns of Simmel, including the process of individualization, religion, private and family life, cities, and modernization. It is

ideal for use as a self contained volume or in conjunction with other sociological theory books      **Simmel and Since** David Frisby,1992-01-01      **Rethinking Georg Simmel's Social Philosophy** Ferdinand Fellmann,2020-11-17 This textbook examines interaction reciprocity dualism conflict and personality in the work of Georg Simmel These themes which made Simmel the founder of relational sociology are presented uniquely in the light of intimate relations According to Simmel intimate relations rather than the individual constitute the fundamental stratum of human culture By relating objective social facts to subjective experience Simmel also opened up a new way of understanding human life in the early 20th century Using Simmel s theory of reciprocity this book follows an innovative method of interpretation providing a quantitative perspective of lived experience This book analyzes Simmel s ideas from the viewpoint of modern hermeneutical philosophy and sociology Fellmann expertly presents the historical context of Simmel s concepts and their influence on other sociologists and philosophers especially in Germany Written in an engaging style this book is suitable as a core text in undergraduate and graduate courses on sociological theory and continental philosophy Additionally given the new focus on Simmel and intimate relations the book is of interest to scholars of relational sociology history of sociology continental philosophy history of philosophy philosophy of culture and philosophical anthropology      **The Social Thought of Georg Simmel** Horst Jergen Helle,2014 This title provides a concise introduction to the writings life and influences of Georg Simmel an important sociologist whose work is now taught across sociological theory courses worldwide It closely examines the writings and ideas of Simmel that introduced a new way of looking at culture and society and helped establish sociology s place among the academic fields      **The Challenge of Modernity** Gregor Fitzi,2018-09-03 The complete collected works of Georg Simmel are now available Yet the standing of Simmel s sociological theory is still a subject of controversy Is Simmel only a brilliant impressionist a fl neur in the territories of modernity Providing an illuminating and coherent presentation of Simmel s sociological theory The Challenge of Modernity seeks to demonstrate how Simmel contributed a structured sociological theory that fits the criteria of a sociological grand theory Indeed starting by the theory of modernity and its dimensions of social differentiation monetarisation culture reification and urbanisation it reconstructs the architecture of Simmel s sociological epistemology Particular attention is dedicated to the theory of qualitative societal differentiation that Simmel develops within his cultural sociology with the late work being presented as a double contribution to the foundation of sociological anthropology and to the social ethics of complex societies Presenting the entirety of Simmel s manifold oeuvre from the viewpoint of its relevance for sociology this comprehensive volume will appeal to scholars and advanced students who wish to understand Simmel s relevance for socio political thought and become acquainted with his contribution to sociological theory It will also be of interest to the wider public who seek a critical assessment of our age in theoretical terms

A Sociological Theory of Value Natàlia Cantó Milà,2015-07-15 In this book Nat lia Cant Mil elaborates on Georg Simmel s relational approach to a theory of value pointing at the heuristic possibilities that this approach offers to modern sociology

and to a sociology of modernity She does so by focusing on the theory of value Simmel developed in his *The Philosophy of Money* delivering an alternative reading of this book that views its theory of value as its main axial point Simmel's theory of value is depicted by Cant Mil as including an intrinsically sociological aspect since economic as well as moral ethic and aesthetic values are conceived as resulting from human relations

**Simmel and Since (Routledge Revivals)** David Frisby, 2011-03-31 Originally published in 1992 this book written by one of the world's leading experts on Simmel provides a fascinating set of insights into a thinker who is fast becoming recognized as the sociologist of modernity an indispensable resource in confronting post modernity It examines the relevance of his work in relation to contemporary debates on culture aesthetics and modernity

**Sociology** Georg Simmel (Philosoph, Soziologe, Deutschland), 2009 Georg Simmel's highly original take on the newly revived field of sociology succeeded in making the field far more sophisticated than it had been beforehand He took insights from dialectical thought and Kantian epistemology to develop a form sociology method that remains implicit in the field a century later Forms include such patterns of interaction as inequality secrecy membership in multiple groups organization size and coalition formation While today texts and professional societies are organized around contents rather than forms a fresh reading of Simmel's chapters on forms suggests original avenues of inquiry into each of the contents family business religion politics labor relations leisure

**Georg Simmel on Individuality and Social Forms** Georg Simmel, 2011-08-19 Of those who created the intellectual capital used to launch the enterprise of professional sociology Georg Simmel was perhaps the most original and fecund In search of a subject matter for sociology that would distinguish it from all other social sciences and humanistic disciplines he charted a new field for discovery and proceeded to explore a world of novel topics in works that have guided and anticipated the thinking of generations of sociologists Such distinctive concepts of contemporary sociology as social distance marginality urbanism as a way of life role playing social behavior as exchange conflict as an integrating process dyadic encounter circular interaction reference groups as perspectives and sociological ambivalence embody ideas which Simmel adumbrated more than six decades ago Donald N Levine Half of the material included in this edition of Simmel's writings represents new translations This includes Simmel's important lengthy and previously untranslated *Group Expansion and Development of Individuality* as well as three selections from his most neglected work *Philosophy of Money* in addition the introduction to *Probleme der Geschichtsphilosophie* chapter one of the *Lebensanschauung* and three essays are translated for the first time

**Sociological Impressionism** David Frisby, 2013 When *Sociological Impressionism* was first published in 1981 it was the first comprehensive study on Simmel's social theory to appear in English since 1925 A pioneering work it did much to bring about the rediscovery of Georg Simmel as one of the key sociologists of the twentieth century David Frisby provides a provocative introduction to aspects of Simmel's social theory seriously challenging many interpretations of his work most notably the view that Simmel produced a formal sociology By drawing on many little known essays and pieces by Simmel and his contemporaries the book locates him

within the social and intellectual milieu in which he was working This is a reissue of the second edition published in 1992 which includes a new afterword confronting critical responses to the first edition This is an important work which will be of interest to students of sociology and social philosophy in Germany in the late nineteenth and early twentieth century

**Simmel and 'the Social'** O. Pyyhtinen,2010-09-17 This book argues for the centrality of Georg Simmel's social theory to the relational and processual emphases that are often considered as much more recent developments in social theory Situating Simmel's work in particular with respect to New Vitalism and Bruno Latour's work the book shows that Simmel has still an enormous amount to contribute Reason of Sociology Kauko Pietila,2010-12-10 Sociology has long lacked the sense of propulsive direction that it possesses in the 1960s and early 70s The subject has fragmented in a series of interlocking fields and sub disciplines Is there a way of revitalizing the subject Where can we look for guides to build a sociology that combats fragmentation constantly unites the micro with the macro level and provides a holistic view of society This book argues that the sociology of Georg Simmel is a most promising resource to accomplish these ends Although Simmel was rediscovered in the 1980s his potential for the design of the subject as a whole and the professional necessities for doing good sociology were not fully realized Simmel's inspiration for the analysis of money the mass media and the state showed how sociologists might approach in an emancipatory perspective subjective behaviour that arises from social forces that appear to be arbitrary and impenetrable Written with a clear eye upon both the needs of contemporary sociologists and international dilemmas facing the world today Pietila's book is intended to make a professional and civic contribution This is a compassionate and stimulating book that will help readers to make sense of their worlds and the worlds of others

Introduction to the Social Theory of Georg Simmel Nikolaas Johannes Spykman,1922 Sociological Theory Bert N. Adams,R. A. Sydie,2001-01-30 Providing a concise and comprehensive introduction to both classical and contemporary social thought this volume makes social theory and social theorists accessible and meaningful Georg Simmel and Contemporary Sociology M. Kaern,B.S. Phillips,Robert S. Cohen,2012-12-06

## Social Theory Of Georg Simmel Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Social Theory Of Georg Simmel PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Social Theory Of Georg Simmel PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of Social Theory Of Georg Simmel free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Social Theory Of Georg Simmel Books**

1. Where can I buy Social Theory Of Georg Simmel books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
