Social Treatment An Approach To Interpersonal Helping In Social Work Practice

Helen Northen, Roselle Kurland

Social Treatment An Approach To Interpersonal Helping In Social Work Practice:

Social Treatment James K. Whittaker, 2017-07-05 The book has two principal purposes To provide an introduction to interpersonal helping in the context of social work practice and to develop a conceptual framework for interpersonal helping called social treatment that will enable the social worker and members of other helping professions effectively to use all the various methods and strategies currently practiced The book offers an orderly and systematic way of proceeding through a complex and often confused area of practice in it large issues such as remediation versus prevention are explored along with concrete suggestions for intervention with individuals families and small groups Theoretical systems are considered not merely for the techniques they suggest but also for the values and views of man inherent in them The helping process itself is analyzed from the point of view of the consumer as well as the worker A conceptual framework for practice is developed that allows for systematic eclecticism in theory and technique providing a framework for evaluating and comparing different methods of social treatment The author defines social treatment as an approach to interpersonal helping which utilizes direct and indirect strategies of intervention to aid individuals families and small groups in improving social functioning and coping with social problems Beginning with a discussion of the concept of remediation within the context of the larger contemporary issues of social reform and environmental protection Professor Whittaker proceeds to consider several critical issues in present social work practice such as client advocacy service delivery systems and professionalization Subsequent chapters discuss the multiple roles that social work practitioners perform the major theoretical bases of social treatment the treatment sequence from intake to after care and the full range of helping activities that practitioners undertake indirectly on behalf of their clients The fin

Social Treatment James K. Whittaker, The book has two principal purposes To provide an introduction to interpersonal helping in the context of social work practice and to develop a conceptual framework for interpersonal helping called social treatment that will enable the social worker and members of other helping professions effectively to use all the various methods and strategies currently practiced The book offers an orderly and systematic way of proceeding through a complex and often confused area of practice in it large issues such as remediation versus prevention are explored along with concrete suggestions for intervention with individuals families and small groups Theoretical systems are considered not merely for the techniques they suggest but also for the values and views of man inherent in them The helping process itself is analyzed from the point of view of the consumer as well as the worker A conceptual framework for practice is developed that allows for systematic eclecticism in theory and technique providing a framework for evaluating and comparing different methods of social treatment The author defines social treatment as an approach to interpersonal helping which utilizes direct and indirect strategies of intervention to aid individuals families and small groups in improving social functioning and coping with social problems Beginning with a discussion of the concept of remediation within the context of the larger contemporary issues of social reform and environmental protection Professor Whittaker proceeds to consider

several critical issues in present social work practice such as client advocacy service delivery systems and professionalization. Subsequent chapters discuss the multiple roles that social work practitioners perform, the major theoretical bases of social treatment, the treatment sequence from intake to after care, and the full range of helping activities that practitioners undertake indirectly on behalf of their clients. The final chapter explores current trends and future directions in social treatment. In the Appendix, a framework for evaluating methods of interpersonal helping is developed, and 21 approaches to social treatment are described, and resource bibliographies are provided. This book, brief, lucid, and systematic, is a major step toward that redefinition and will be invaluable to beginning students and advanced practitioners in social work and in all the other professional and paraprofessional fields engaged in providing human services.

James K. Whittaker is Charles O. Cressey endowed professor in the School of Social Work, University of Washington. He is a frequent consultant on child care training both in the Seattle area and nationally, and is a consultant on research and training to the Child Development and Mental Retardation Center, University of Washington. He has served as director of the Social Welfare Program. He is also a founding member of the International Association for Outcome Based Evaluation Research on Family and Children's Services in Italy, as well as an associate board member of the European Scientific Association for Residential and Foster Care for Children and Adolescents in Belgium.

Social Work with Groups Helen Northen, Roselle Kurland, 2001-08-23. When should someone not be admitted to a group? How can a reluctant child be persuaded to participate in a group? What is the best way to deal with issues of low self-esteem? Part of the enduring appeal of this classic work is its vivid depiction of actual group work and the challenges that arise. Opening with an instructive survey of the roots and development of group social work from the first YMCA to the establishment of the NASW, Northen and Kurland contribute to the integration of theory and research that forms the basis of group social work practice. Using an ecosystem approach, they set forth a generic framework for practice with diverse groups, establishing a common core of values, knowledge, purposes, and interventions that can be applied to different populations and situations. With clear step-by-step guidance, this book covers the major issues as well as the ethical challenges that working with groups entails. This fully revised and updated edition includes seven new chapters that reflect the most recent developments in group practice.

Integrating Social Work Methods Harry Specht, Anne Vickery, 2021-11-07. Throughout its history, social work has been seeking a means to state its purposes and methodology as a unity that transcends the purposes and methodology applicable in particular fields of practice or sanctioned by particular legislation or practised by a particular kind of worker. Recent changes in society, developments in social work practice, new additions to the knowledge base of social work, and current reorganisation of the social services have led to an intensified interest in this integrated approach. Originally published in 1977, *Integrating Social Work Methods* introduces the reader to the main developments in the conceptualisation of a unitary method. It clarifies what it is that is being unified, identifies issues involved in the attempt to unify, and discusses their implications for social work practice and training. As such, it represented the first

substantial British text in the field and was widely welcomed by social work practitioners administrators and educators at the time **Ecological Framework: Oxford Bibliographies Online Research Guide** Oxford University Press,2010-05-01

Social Treatment An Approach To Interpersonal Helping In Social Work Practice Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Social Treatment An Approach To Interpersonal Helping In Social Work Practice free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform

for discussions and networking within the academic community. When it comes to downloading Social Treatment An Approach To Interpersonal Helping In Social Work Practice free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Social Treatment An Approach To Interpersonal Helping In Social Work Practice free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Social Treatment An Approach To Interpersonal Helping In Social Work Practice. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Social Treatment An Approach To Interpersonal Helping In Social Work Practice any PDF files. With these platforms, the world of PDF downloads is just a click away.
