**Michael J. Holosko, Catherine N.
Dulmus, Karen M. Sowers**

Social Work Practice With The Elderly:

Social Work with the Aging Carol H. Meyer, 1986 *Social Work Practice with the Elderly* Marvin David Feit, Michael J. Holosko, 2004 The third edition describes significant practice issues and challenges facing gerontological social workers working with the fastest growing demographic cohort in North America Insightful and creative practitioners provide current accounts and case examples from their work in a variety of settings The material includes both micro and macro practice and offers a focus on advanced specialty practice while also providing an advanced generalist model All the chapters have been rewritten and updated by adding related additional readings and websites Six new chapters have been added on sensory impairment HIV AIDS elder abuse community assisted living rural elderly retirement and volunteerism *Social Work Practice with the Elderly* offers an exciting collection of well crafted readings and will be useful for any social work student at the undergraduate or graduate level It will also be a valuable resource for those in other helping professions who work side by side with social workers in this field nurses physiotherapists music and art therapists psychologists physicians recreational therapists speech and language therapists and clergy **Social Work Practice with Older People** Rory Lynch, 2014 Older people are the biggest service user group for social workers and an increasing portion of the population In this refreshingly positive and practical textbook Rory Lynch draws on years of practice and teaching experience to show how to achieve best social work practice with older adults He takes a person centred approach which fosters respect by valuing the fact that elderly people have more lived experience than others Exploring the key theoretical approaches and methods of intervention this book helps social workers to identify understand and facilitate their service users wishes for wellbeing and a fulfilling older age Chapters are practice driven containing case studies drawn from a range of care settings reflective questions and exercises Mapping directly onto the key modules on the social work degree this is **Handbook of Social Work in Health and Aging** Barbara Berkman, 2006-02-09 The Handbook of Social Work in Health and Aging is the first reference to combine the fields of health care aging and social work in a single authoritative volume These areas are too often treated as discrete entities while the reality is that all social workers deal with issues in health and aging on a daily basis regardless of practice specialization As the baby boomers age the impact on practice in health and aging will be dramatic and social workers need more specialized knowledge about aging health care and the resources available to best serve older adults and their families The volume s 102 original chapters and 13 overviews written by the most experienced and prominent gerontological health care scholars in the United States and across the world provide social work practitioners and educators with up to date knowledge of evidence based practice guidelines for effectively assessing and treating older adults and their families new models for intervention in both community based practice and institutional care and knowledge of significant policy and research issues in health and aging A truly monumental resource this handbook represents the best research on health and aging available to social workers today Gerontological Social Work Practice Enid Opal Cox, Rosemary Chapin, Elizabeth

Kelchner,2014-02-25 What are the challenges facing gerontological social workers today and in the near future This book gives you an essential overview of the role status and potential of gerontological social work in aging societies around the world Drawing on the expertise of leaders in the field it identifies key policy and practice issues and suggests directions for the future Here you ll find important perspectives on home health care mental health elder abuse older workers issues and death and dying as well as an examination of the policy and practice issues of utmost concern to social workers dealing with the elderly With Gerontological Social Work Practice Issues Challenges and Potential you ll explore the differences between real situations and what demographics lead one to expect the need for social workers to focus on economic political and social issues in order to promote positive change the long term care insurance issues facing elderly Japanese citizens a Canadian perspective on social work practice with aging people practice techniques to use with aging African Americans strengths based and empowerment oriented ways to work with frail elderly the impact of multiculturalism on social policy and much more *Social Work with the Aged and Their Families* Roberta R. Greene,Colleen Galambos,Harriet L.

Cohen,Nancy Greene,2016-11-30 Social Work with the Aged and Their Families presents the functional age model FAM of intergenerational treatment an integrative theoretical framework for social workers practicing with older adults and their families In keeping with the Council on Social Work Education s curriculum mandate of 2015 social workers are now encouraged to use human behavior theories in working with their geriatric clients This fourth edition incorporates much needed additional techniques to address the mental health assessments of the elderly FAM addresses the assessment of older adults biological psychological socio cultural and spiritual age It also incorporates an evaluation of the family system family roles and family development in this assessment Interventions at the individual family group and community levels are discussed This volume augmented with recent concepts related to successful aging spirituality and resiliency presents the major converging conceptual trends that constitute a model for twenty first century social work practice in the field of aging It is an indispensable text for those training in social work practice with the elderly or those currently in practice **Social**

Work Practice with Individuals and Families Michael J. Holosko,Catherine N. Dulmus,Karen M. Sowers,2012-12-27 A lifespan approach presenting evidence informed interventions for working with individuals and families Social Work Practice with Individuals and Families covers assessment of and intervention with children adolescents adults the elderly and families It offers an array of pedagogical features within each chapter as well as online resources and review questions at the conclusion of each chapter to help guide critical thinking about topics Reflecting the current state of evidence informed social work practice each chapter s contributors emphasize the incorporation of wider forms of systematically collected data such as case studies best or promising practices and consumer focused data Reading this book will not only give readers the tools to work effectively with individuals and families but also develop their skills in evidence informed practice Comprehensive and insightful Social Work Practice with Individuals and Families is a student and practitioner friendly text

identifying the best assessment tools and strategies available for social workers to successfully serve individuals and families facing a broad range of challenges

Social Work in Geriatric Home Health Care Lucille Rosengarten, 2020-07-24 Explore how community based networks can effectively meet the needs and problems of sick elderly people and their caregivers

Social Work in Geriatric Home Health Care The Blending of Traditional Practice with Cooperative Strategies explores how social workers aides nurses administrators and policy makers can cooperatively work by maintaining appropriate health records in order to keep the elderly living at home Based on the author s twenty five years of social work experience in geriatric home care case management this book explores improved ways to organize home health care by use of cooperative strategies in order to assist older individuals in living independent lives at home Complete with informative case studies and interviews you will explore useful examples of geriatric social work practice through Concerned Home Managers for the Elderly COHME a nonprofit licensed home health care agency

Social Work in Geriatric Home Health Care examines many crucial geriatric care and case management issues of concern to geriatric social workers including offering meaningful and fulfilling work as a home health care aide providing high quality training and ongoing education for home care aides creating a cooperative environment by encouraging staff social workers and nurses to share expertise with the case management coordinators who are responsible for placing the geriatric patient at home or in a special care facility involving the client in the management of his or her own health care creating concise one page reports for each home visit by using a One Sheet to help you extract case assessments and plans for your geriatric client in a readily accessible format dealing with state regulatory authorities and the general trend in home health care to place the elderly in nursing homes paying careful attention to financial and administrative problems within your organization while striving to remain true to your original mission of providing at home care

Social Work in Geriatric Home Health Care will help you explore a different way of organizing home health care for the sick and elderly at a time when the percentage of people over sixty five who will require care is rapidly increasing This important book works to improve the case management of geriatric people and challenges home health care workers and legislators to become more progressive in their thinking about the direction in which geriatric health care should move at the turn of the century With this vital book you will gain insight into organized and cooperative methods of providing home health care for the elderly and find improved methods for managing your geriatric cases to give your clients optimum care

Gerontological Social Work in Small Towns and Rural Communities Sandra S. Butler, Lenard W. Kaye, 2003 *Gerontological Social Work in Rural Towns and Communities* provides a range of intervention and community skills aimed precisely at the needs of rural elders This essential guide fills a gap in the literature by focusing on the specific practice concerns for social workers assisting older adults in rural areas including the aging experience social worker skills professional functions working with special populations and health and long term care concerns This valuable resource will benefit social workers gerontologists allied health professionals in rural areas and health and human services administrators

and managers Each chapter contains a comprehensive review of the subject it addresses and several chapters include tables and graphs to further establish their revealing empirical findings An appendix provides additional sources to turn to for more information on social work with rural older adults Clinical Social Work Practice with the Elderly Marion L. Beaver, Don Miller, 1985 **Social Work With the Aged and Their Families** Roberta R. Greene, 2008 In recent years theoreticians researchers and practitioners have become increasingly interested in older adults and the aging process This volume draws on related disciplines to better understand the biological psychological and social aspects of aging Social Work with the Aged and Their Families covers areas of central interest to those coping with the needs of an aging population Among the topics addressed are assessment of the aging taking into account biological age psychological age and socio cultural and spiritual age Greene also considers the importance of the family system family roles and development functional age individual and family intervention and group and community interventions The scientific and systematic study of aging is known as gerontology Geriatric social workers are those who have applied established social work theories in an attempt to find suitable techniques for working with their elderly clients The need for specialized services has given birth to various services and programs For example meals on wheels and home health care services have been designed to meet specific physical needs of older adults However mental health services have lagged far behind as practitioners struggled to adapt such specialties as family therapy to families of later years A major contribution of this book now in its third edition is the functional age model of intergenerational treatment FAM which is an outgrowth of that demand The functional age model of intergenerational treatment is an integrative theoretical framework for social workers interested in clinical social work practice with older adults and their families Since its initial construction in 1986 the model has been augmented by more recent concepts related to successful aging spirituality and resiliency These additions together with the original assessment and intervention strategies present the major converging conceptual trends that constitute a model for twenty first century social work practice in the field of aging Roberta Greene is a professor and the Louis and Ann Wolens Centennial Chair in Gerontology and Social Welfare at the School of Social Work at The University of Texas at Austin Greene is the author of nine texts and numerous research articles She currently is continuing her scholarship through filmmaking and Web site design

The Oxford Handbook of Social Work in Health and Aging Daniel B. Kaplan, Barbara Berkman, 2016 This Second Edition of the Handbook addresses the evolving interdisciplinary health care context and the broader social work practice environment as well as advances in the knowledge base which guides social work service delivery in health and aging This includes recent enhancements in the theories of gerontology innovations in clinical interventions and major developments in the social policies that structure and finance health care and senior services In addition the policy reforms of the 2010 Patient Protection and Affordable Care Act set in motion a host of changes in the United States healthcare system with potentially profound implications for the programs and services which provide care to older adults and their families In this

volume the most experienced and prominent gerontological health care scholars address a variety of populations that social workers serve and the arenas in which they practice followed by detailed recommendations of best practices for an array of physical and mental health conditions The volume s unprecedented attention to diversity health care trends and implications for practice research policy make the publication a major event in the field of gerontological social work This is a Must Read for all social work social work educators practitioners and students interested in older adults and their families

Employment Issues in Social Work with the Elderly National Clearinghouse on Aging, Philip L. Rones, 1980

Gerontological Social Work in Small Towns and Rural Communities Lenard W Kaye, Sandra Butler, 2012-10-12 Learn the skills you need to work with geriatric populations in rural areas Gerontological Social Work in Rural Towns and Communities provides a range of intervention and community skills aimed precisely at the needs of rural elders This book fills a gap in the literature by focusing on the specific practice concerns for social workers assisting older adults in rural areas including the aging experience social worker skills professional functions working with special populations and health and long term care concerns This valuable resource will benefit social workers gerontologists allied health professionals in rural areas health and human services administrators and managers Gerontological Social Work in Rural Towns and Communities explores the challenges social workers need to overcome when working with the elder community in rural areas This book s significance to social workers will only increase as more adults choose to live and grow old away from the cities Experts in the field suggest strategies to overcome barriers in planning and providing services such as a longer distance for the elderly to travel to use social service centers a narrower range of available services in the local area increased poverty levels for the elderly a stronger dependency by elderly on family rather than public assistance This book is divided into five sections Rurality and Aging introduces the concept of rurality and examines the demographics of aging from a rural perspective Practice Dimensions of Social Work with Rural Elders includes clinical practice models intervention and advocacy techniques program planning and marketing approaches Special Populations gives attention to four special population groups indigenous elders African American older adults elderly Latinos and disabled elders Special Issues Pertaining to Rural Elders covers five essential issues for rural gerontological social workers health promotion older workers and retirement preparation aging in place specialized housing and ethical practice Training and Policy Recommendations future training and education recommendations for social workers are explored as well as service capacity building the aging network and the future of long term care While a variety of theoretical perspectives are explored in Gerontological Social Work in Rural Towns and Communities the book s empowerment orientation and strengths based approach will enhance your abilities to improve quality of life for elderly individuals in rural communities Each chapter contains a comprehensive review of the literature on the subject it addresses and several chapters include tables and graphs to further establish their revealing empirical findings An appendix provides additional sources to turn to for more information

Social Work with the Aging Louis Lowy, 1979

Religion, Spirituality, and Aging Harry R Moody, 2012-12-06 Learn how to make a more positive impact with your social work with the aged Religion is an important coping mechanism for many aging adults Religion Spirituality and Aging A Social Work Perspective presents the latest research that shows how religion and spirituality can improve quality of life for elders Respected social work researchers and scholars provide insight and practical methods for fostering positive aging while also considering how spirituality and religion can affect practitioners themselves The full range of advantages and ethical implications are discussed in clear detail from a social work viewpoint Case studies plainly illustrate the positive impact that the inclusion of spirituality and religion in an aging person's life may have on their physical and mental welfare Organized social work in the early twentieth century actively tried to distance itself from its roots as a form of religious charity in favor of becoming a scientific and professional endeavor Religion Spirituality and Aging once again bridges the gap between social work and spiritual matters by presenting penetrating articles that discuss the issues of the aging soul while examining ways to improve care Creative strategies are offered to contribute to the spiritual side of aging while considering every implication and ethical question The compilation is extensively referenced and includes helpful figures and tables to clearly illustrate data and ideas Religion Spirituality and Aging discusses the latest social work trends and attitudes toward spirituality prayer meditation and acts of altruism as interventions an empirical study of how social workers use religion and spirituality as an intervention ethical considerations and best practices religion and spirituality during long term care the Postcards to God project dreams and their relationship to the search for meaning in later life a spiritual approach to positive aging through autobiography dementia and spirituality creating new rituals for sacred aging spiritual master Henri Nouwen's principles of aging and his approaches to caring for older people an interview study on elders spirituality and the changes manifested in their views of religion Religion Spirituality and Aging is a remarkable reminder that elders are our future selves This erudite well reasoned examination of aging and spirituality from a social work perspective is crucial reading for social workers human service professionals who work with the aged and gerontology scholars

Social Work with Older People Karin Crawford, Janet Walker, 2008-08-08 This second edition looks in detail at the role of the social worker who engages with older people It enables the reader to develop the key skills required to understand the mental and physical needs of older people in society while encouraging plenty of discussion and critical independent thought Furthermore this book is a source of contemporary research and offers the reader insights into government legislation and policy It is an essential read for any student who wants to develop a distinctive focus on social work with older people

Critical Issues in Social Work With Older People Mo G. Ray, Miriam Bernard, Judith Phillips, 2018-06-26 This timely text highlights the importance of informed and critical practice in social work with older people With an emphasis on reflection throughout it argues for the need to rethink how social workers support some of the most vulnerable people in society The text begins with an exploration of the relationship between gerontology the study of aging and social work and demonstrates that a

gerontological approach has long been missing from social work practice The central chapters consider key issues affecting older people and social work practice such as Risk of poverty Memory loss and dementia Palliative and end of life care Loss and bereavement Moving into a care home Bringing together theoretical and research insights this agenda setting text provides a sound base for creative practice with older people All those looking to make a positive and discernible difference to older people will find this text rewarding reading

Respect for the Elderly Kyu-t'ak Söng, Bum Jung Kim, 2009 This book is concerned with the fundamental issues of elder respect how it is practiced and perceived in the broad context of human service settings and with the resolution of those issues The writings presented in this book describe the role of elder respect in health social work religious and cultural and ethnic settings The authors aim for elder respect to be better understood by professionals in human services as well as by those people who care for elderly relatives in the East and the West Book jacket

Advancing Gerontological Social Work Education Joanna Mellor, Joann Ivry, 2013-10-23 s your gerontological social work program as comprehensive and as well attended as it could be Advancing Gerontological Social Work Education will help you develop courses that effectively prepare social work students and practitioners to work with the ever increasing older population It clearly presents the rationale for geriatric gerontological preparation and defines the current status of geriatric gerontological education With fascinating case studies detailed curricula and a review of the skills and knowledge competencies necessary for effective geriatric social work practice this book also describes a variety of courses and teaching programs in detail noting the problems that other educators have encountered and offering practical suggestions to help in replicating the programs in other institutions This book is especially useful because it not only examines the issues surrounding and need for increased gerontological education for social workers but because it follows this with specific concrete descriptions of educational approaches and curricula It provides you with both the framework and the specifics to develop your own gerontological social work education program at the graduate or undergraduate level Helpful charts and tables make the information easy to access and understand Advancing Gerontological Social Work Education is divided into three sections each of which will increase your knowledge and understanding of this vital area of social work education The first section examines the historical development of gerontological social work education the CSWE SAGE SW Competencies Project the importance of interdisciplinary teamwork and the educational basis for interdisciplinary team training highlighting organizational context team structure team process and team outcomes ways to increase students interest in this vital area of social work In the second section of this well referenced book you will examine school based initiatives focusing on the development and implementation of the John A Hartford Foundation Geriatric Social Work Initiative the recruitment of students into geriatric social work with an examination of a fellowship program the relationship between the aging population of the United States and the growing demand for geriatric social workers and how that need can be met through graduate level social work training developing a field training rotation model a doctoral fellowship

program and its dissertation support mentorship and leadership development The third section of Advancing Gerontological Social Work Education features an empirical study exploring the potential for a limited curriculum module to enhance MSW and BSW students gerontological practice related knowledge attitudes and interest an overview of the history and rationale of service learning in elder care a description of the varied service learning in elder care programs an experiential exercise that was used successfully to assist graduate students in integrating and applying their knowledge about geriatric assessment the results of interviews with MSW students about the appropriateness of their preparation for medical social work with an aged population conducted at the beginning midpoint and end of their field placements a report on incorporating intergenerational service learning into an undergraduate introductory gerontology course the use of the family study which exposes teams of students for 20 weeks to a family that includes an older adult

Social Work Practice With The Elderly Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Social Work Practice With The Elderly PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant

information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Social Work Practice With The Elderly PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Social Work Practice With The Elderly free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Social Work Practice With The Elderly Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
