Social Enterprises

Jacques Defourny, Lars Hulgård, Victor Pestoff

Social Enterprises:

Succeeding at Social Enterprise Social Enterprise Alliance, 2010-04-26 From the Social Enterprise Alliance the organization dedicated to building a robust social enterprise field comes Succeeding at Social Enterprise This practical guide is filled with the best practices tools guidance models and successful cases for leaders and future leaders of social ventures and enterprises A groundbreaking work it brings together the knowledge and experience of social enterprise pioneers in the field and some of today's most successful social entrepreneurs to show what it takes to implement and run an effective social venture or organization Succeeding at Social Enterprise focuses on real life examples lessons learned and the core competencies that are needed to run a social venture in a nonprofit highlighting such skills as managing and leading business planning marketing and sales and accounting Praise for Succeeding at Social Enterprise This is a must read for anyone starting or growing a social enterprise The lessons learned offer valuable practical and real insights from pioneers in the field The frameworks and tools presented can be implemented immediately to help drive success and expand your social impact KRISS DEIGLMEIER executive director Center for Social Innovation Stanford Graduate School of Business By successfully weaving together the best thinking and advice from a diverse set of our field's leading experts and practitioners Succeeding at Social Enterprise will be the new must have handbook for Social Enterprise JED EMERSON www.BlendedValue.org This is a timely book needed for a movement that's taking off The leading thinkers and top practitioners in this book make today's pressing issues clear to both the novice and the experienced social entrepreneur KEVIN JONES founding principal Good Capital Written by the nation's leading experts on starting building and leading a successful social venture this book is a profoundly important contribution to the growing body of literature on social entrepreneurship No other book brings to bear this kind of business experience practical advice and wisdom on the challenges of creating and sustaining a social enterprise DAVID ROLL founder Lex Mundi Pro Bono Foundation The Social Enterprise Alliance is advocate for the field hub of information and education and builder of a vibrant and growing community of social enterprises [The Emergence of Social Enterprise](#) Carlo Borzaga, Jacques Defourny, 2004 This book investigates the remarkable growth of the third sector focusing on social enterprises their characteristics their contribution and their future prospects **Social Enterprises** B. Gidron, Y. Hasenfeld, 2012-08-20 Presents an organizational perspective of social enterprises which allows us to analyze issues such as their governing structure their modes of operation and their marketing strategies and to begin to formulate some theoretical constructs on how these entities can survive and thrive [Social Enterprise](#) Rosario Laratta, 2016-04-13 This book is an original high quality research level work It sheds lights on the similarities and differences of social enterprise practices across the international scene Most of the chapters include empirical findings derived from researches conducted by the authors in Middle East and North Africa East and West Europe Southeast Asia and Latin America From this perspective the book fills an important knowledge gap while also making a contribution to sorting out the competing and contrasting

predictions of social enterprise Through exploring context dependent dynamics in a global perspective the authors address potential opportunities and benefits of social enterprise that may help to find solutions to face emerging social needs Written by leading academics this book will be of interest not only to students and academics of social enterprise and entrepreneurship but also to those international practitioners who are looking for new approaches for sustainably tackling emerging social challenges *Social Enterprises* B. Gidron,Y. Hasenfeld,2012-08-20 Presents an organizational perspective of social enterprises which allows us to analyze issues such as their governing structure their modes of operation and their marketing strategies and to begin to formulate some theoretical constructs on how these entities can survive and thrive

The International Handbook of Social Enterprise Law Henry Peter,Carlos Vargas Vasserot,Jaime Alcalde Silva,2022-12-29 This open access book brings together international experts who shed new light on the status of social enterprises benefit corporations and other purpose driven companies The respective chapters take a multidisciplinary approach combining law philosophy history sociology and economics and provide valuable insights on fostering social entrepreneurship and advancing the common good In recent years we have witnessed a significant shift of how business activities are conducted mainly through the rise of social enterprises In an effort to target social problems at their roots social entrepreneurs create organizations that bring transformative social changes by considering among others ethical social and environmental factors A variety of social enterprise models are emerging internationally and are proving their vitality and importance But what does the term social enterprise mean What are its roots And how does it work in practice within the legal framework of any country This handbook attempts to answer these questions from a theoretical historical and comparative perspective bringing together 44 contributions written by 71 expert researchers and practitioners in this field The first part provides an overview of the social enterprise movement its evolution and the different forms entities can take to meet global challenges overcoming the limits of what governments and states can do The second part focuses on the emergence of benefit corporations and the growing importance of sustainability and societal values while also analyzing their different legal forms and adaptation to their regulatory environment In turn the last part presents the status quo of purpose driven companies in 36 developed and emerging economies worldwide This handbook offers food for thought and guidance for everyone interested in this field It will benefit practitioners and decision makers involved in social and community organizations as well as in international development and more generally speaking social sciences and economics **Social Enterprise** Janelle A. Kerlin,2009-11-15 The first comparative look at how social enterprise is shaped by local conditions worldwide

Social Enterprise in Central and Eastern Europe Jacques Defourny,Marthe Nyssens,2021-02-26 In the last two decades the quest for a widely accepted definition of social enterprise has been a central issue in a great number of publications The main objective of the ICSEM Project on which this book is based was to show that the social enterprise field would benefit much more from linking conceptualisation efforts to the huge diversity of social enterprises than from an additional and

ambitious attempt at providing an encompassing definition Starting from a hypothesis that could be termed the impossibility of a unified definition the ICSEM research strategy relied on bottom up approaches to capture the social enterprise phenomenon in its local and national contexts This strategy made it possible to take into account and give legitimacy to locally embedded approaches while simultaneously allowing for the identification of major social enterprise models to delineate the field on common grounds at the international level Social Enterprise in Central and Eastern Europe the last volume in a series of four ICSEM based books on social enterprise worldwide will serve as a key reference and resource for teachers researchers students experts policy makers journalists and others who want to acquire a broad understanding of the social enterprise and social entrepreneurship phenomena as they emerge and develop in this region *Social Innovation, Social Enterprises and the Cultural Economy* Rocío Nogales Muriel, 2023-04-21 Faced with a depleted planet and a series of connected crises socially minded agents and entities within the world of culture and the arts are reacting from within With insights from sociology economics and cultural management and policy this book aims to chronicle the journey of SMart a cultural and artistic social enterprise now present in eight European countries in order to illustrate such organisation s efforts to achieve its potential for social innovation and transformation Tackling the endemic precariousness and intermittency of work through innovative arrangements for cultural workers and artists has been central to these efforts In many cases however this activism not only had a direct impact at the level of individual and collective labour but also has transformed the ways culture is governed Readers of this book will better understand the connection between social innovation and culture and the arts gain awareness of the trends and transformations within the field of culture and cultural work and their connection with institutional arrangements and critically engage with the processes challenges and benefits of scaling up and diffusing social innovation The debates presented will be of relevance to scholars and students across disciplines policy makers at both EU and national levels practitioners and social activists

Social Enterprise in Western Europe Jacques Defourny, Marthe Nyssens, 2021-04-12 In the last two decades the quest for a widely accepted definition of social enterprise has been a central issue in a great number of publications The main objective of the ICSEM Project on which this book is based was to show that the social enterprise field would benefit much more from linking conceptualisation efforts to the huge diversity of social enterprises than from an additional and ambitious attempt at providing an encompassing definition Starting from a hypothesis that could be termed the impossibility of a unified definition the ICSEM research strategy relied on bottom up approaches to capture the social enterprise phenomenon in its local and national contexts This strategy made it possible to take into account and give legitimacy to locally embedded approaches while simultaneously allowing for the identification of major social enterprise models to delineate the field on common grounds at the international level Social Enterprise in Western Europe the third volume in a series of four ICSEM based books on social enterprise worldwide will serve as a key reference and resource for teachers researchers students experts policy makers

journalists and others who want to acquire a broad understanding of the social enterprise and social entrepreneurship phenomena as they emerge and develop in this region

The Cambridge Handbook of Social Enterprise Law Benjamin Means, Joseph W. Yockey, 2019-01-03 Growing numbers of employees consumers and investors want companies to be truly good these stakeholders will accept lower economic returns in order to support companies that prioritize sustainability fair wages and fair trade Unlike charities or non profit organizations such companies or social enterprises are not only permitted but also expected to produce an economic return for investors Yet unlike traditional business ventures social enterprises have no obligation to maximize profits even on a long term basis In this comprehensive volume Benjamin Means and Joseph W Yockey bring together leading legal scholars and practitioners to offer an authoritative guide to social enterprise law and policy The Cambridge Handbook of Social Enterprise Law takes stock of the field and charts a course for its future development It should be read by entrepreneurs investors practitioners academics students and anyone else interested in how companies are evolving to address new demands for capitalism with a conscience

Social Enterprise Simon Denny, Frederick Seddon, 2013-08-15 Social enterprise has become a much discussed term in recent years often in conjunction with the public sector the idea that entrepreneurship might somehow step in and save the public purse has taken hold in a number of areas This book introduces and explains the terminology surrounding social enterprise and brings much needed rigour to proceedings by demonstrating how this can be measured evaluated and held accountable A range of validated evaluation measures tools and techniques such as SROI the Outcomes Star and randomised control trials are presented in individual research projects conducted by an exciting and eclectic mix of international authors who are recognised experts in the field of social enterprise Wrapping up with the ground breaking use of a General Self Efficacy scale a reflective critique of social finance and a challenge to the actual concept of social enterprise the book discusses the potential disadvantages that can arise from the commodification of social enterprise activities resulting in a fascinating summary of current thinking surrounding this topic

The Art of Social Enterprise Carl Frankel, Allen Bromberger, 2013-05-14 Mission driven business as a vehicle for change

Social Enterprise in China Benedicte Brøgger, 2021-11-08 This book explores social innovation and entrepreneurship in China Focusing on selected social enterprises and processes it addresses the question of why China not in terms of military economic or political ambitions but in the terms of social innovation and welfare policies The analyses range from detailed ethnography to discussions of broad global trends Despite vastly improved social conditions in the country there are still unresolved issues that social enterprises address The study elaborates on the complexities involved in their positioning between the state and their beneficiaries Adding to the complexity is China's dual system of circulation and the moral economy of ethnic minorities The theoretical foundation of the study is the Durkheimian concept of the social contract Its content is viewed as comprised of Maussian total social facts or guanxi a similar Chinese framing operationalised to particular socio cultural configurations The empirical

cases document how social enterprises reposition elements in the various configurations in order to mobilise resources from their stakeholders The book concludes that the discursive topology is altered in the process and the social contract is renewed in culturally meaningful if paradoxical ways This book will be of interest to researchers students and academics in the fields of business and social entrepreneurship especially to those with a particular interest in the Chinese case *Social Enterprise: Building Businesses That Change Lives* Ahmed Musa, 2024-12-28 Social Enterprise is a guide for entrepreneurs who want to create businesses with a purpose beyond profit The book focuses on how to build organizations that address societal challenges while remaining financially sustainable It covers everything from identifying social issues to crafting a mission driven business model funding and scaling social enterprises It also examines the importance of impact measurement stakeholder engagement and marketing with a purpose Entrepreneurs will gain practical advice on how to develop business models that make a positive difference in the world This book is a must read for anyone interested in creating a social enterprise that blends business success with social impact Social Enterprise in Asia Eric Bidet, Jacques Defourny, 2019-05-29 In the absence of a widely accepted and common definition of social enterprise SE a large research project the International Comparative Social Enterprise Models ICSEM Project was carried out over a five year period it involved more than 200 researchers from 55 countries and relied on bottom up approaches to capture the SE phenomenon This strategy made it possible to take into account and give legitimacy to locally embedded approaches thus resulting in an analysis encompassing a wide diversity of social enterprises while simultaneously allowing for the identification of major SE models to delineate the field on common grounds at the international level These SE models reveal or confirm an overall trend towards new ways of sharing the responsibility for the common good in today's economies and societies We tend to consider as good news the fact that social enterprises actually stem from all parts of the economy Indeed societies are facing many complex challenges at all levels from the local to the global level The diversity and internal variety of SE models are a sign of a broadly shared willingness to develop appropriate although sometimes embryonic responses to these challenges on the basis of innovative economic business models driven by a social mission In spite of their weaknesses social enterprises may be seen as advocates for and vehicles of the general interest across the whole economy Of course the debate about privatisation deregulation and globalised market competition all factors that may hinder efforts in the search for the common good has to be addressed as well The first of a series of four ICSEM books Social Enterprise in Asia will serve as a key reference and resource for teachers researchers students experts policy makers journalists and other categories of people who want to acquire a broad understanding of the phenomena of social enterprise and social entrepreneurship as they emerge and develop across the world **Understanding Social Enterprise** Rory Ridley-Duff, Mike Bull, 2015-10-31 The emergence of social enterprises over the past 35 years has been an exciting and significant development in the economy at a local national and international level How should we understand the growing popularity of social enterprise and the wider

social economy Are alternative business models even more relevant in an uncertain business climate Do they provide a robust response to periods of state austerity How do social enterprises contribute to global initiatives to improve the sustainability and responsibility of the business community Through discussion of theoretical and practical considerations for the field and a wealth of learning features this 2nd edition of Understanding Social Enterprise Focuses on the distinct pathways that social enterprises follow critiquing the competencies and practices that contribute to a successful social economy Contains updated coverage on sector issues including the recent development of the social investment industry Explores how private voluntary and public sector agencies engage the social economy and how distinctive new forms have emerged from it Examines the management of social enterprises in different contexts within the social economy Contains updated coverage of international issues informed by global studies of the social economies Revisions include a new tripartite structure and two new chapters on Marketing and Measuring Social Value and Social Investment and Crowd Funding Visit the companion website for sample curricula instructors manual PowerPoint slides and extra case studies for lecturers and access to full text journal articles for students

Social Innovation and Social Enterprises Antonino Vaccaro,Tommaso Ramus,2022-06-16 This book provides an exhaustive critical analysis of the challenges and opportunities associated with social enterprises and social innovation More specifically it addresses questions such as What is a social innovation Which are the best theories that explain how social innovations are generated and propagated in the global society What is a social enterprise Which are the theoretical perspectives that best describe the functioning of Social Enterprises the threats and opportunities How do social enterprises deal with the profit and non profit worlds and how these interactions affect their capability to be social innovators The most recent literature has focused on strategies integrating conflicting logic organizational practices or processes In all these cases the hybrid nature of the organization is implemented and sustained through original business models new organizational arrangements and governance and novel strategies We believe that the hybrid and institutional perspectives are just one of the many theoretical lenses that can be used to frame social innovation and social enterprises Along this line some have highlighted the inherent ethical nature of these phenomena the critical role played by ethical values whose advancement go well beyond what expected by the corporate social responsibility business ethics and institutional theorizing This book follows these perspectives exploring the link between social innovation and social enterprises presenting them as a new a new possible field of research that support new ways to understand and theorize individual organizational and community behaviors

Social Entrepreneurship and Social Enterprises Linda Lundgaard Andersen,Malin Gawell,Roger Spear,2016-06-23 Migrant women stepping into ethnic catering homeless men employed to take care of bees producing honey for sale young people on the edge getting microcredit funding to start social businesses or former criminals joining forces to create social and economic structures for an honest lifestyle These initiatives capture the transformative power of social enterprise and might indicate how social enterprises have the potential to make a difference for people and societies

The Nordic countries represent an interesting case Social enterprises and co operatives played a significant part in paving the way for the Nordic solidaristic welfare state As the welfare state grew civil society organizations and co operatives lost ground to a certain extent But in recent decades the welfare state has been restructured and simultaneously the concepts social entrepreneurship and social enterprises have gained attention The Nordic context with extensive public welfare structures and a high degree of citizens participation in public affairs might affect the emergence of social entrepreneurship and social enterprises

Social Enterprise and the Third Sector Jacques Defourny, Lars Hulgård, Victor Pestoff, 2014-06-05

The concepts of social enterprise and social entrepreneurship are rapidly attracting increased attention in academic spheres and from policy makers as well as field workers who are setting up new initiatives or reshaping their organizations These concepts are perceived as defining innovative and dynamic responses to major global challenges in today's societies The debate about social enterprise is now world wide with lively exchanges between American and European scholars However the research and landscapes still differ significantly in different regions and diversity also exists within specific regions such as Europe This book presents the most comprehensive set of contributions reflecting the European wide debate but with frequent connections to developments in other parts of the world This book is a result of work carried out by members of the EMES International Research Network which is a pioneer in this field Social Enterprise and the Third Sector will appeal to all researchers who focus on the third sector social economy and social enterprise to MBA and postgraduate students as well as to intellectual social enterprise leaders and practitioners It will soon become a key reference for all those who want to explore the full richness of these concepts and follow this important academic debate

Social Enterprises Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Social Enterprises free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Social Enterprises free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Social Enterprises free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Social Enterprises. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source

before downloading Social Enterprises any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Social Enterprises Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
