Social Work in Health and Mental Health Tuula Heinonen, Anna Metteri, 2005 Social Work in Health and Mental Health Issues Developments and Actions was created for final year undergraduate and master's level students in the health and mental health fields It is primarily a book on social work practice discussing how one might approach a specific health or mental health related problem or issue as a social worker Health and mental health are conceptualized broadly in this volume The health and well being of body and mind are seen as integrally connected shaped by biological physics psychological material social and structural features and determinants Clients are viewed as active engaged agents with strengths and resources from which to draw in meeting everyday challenges and major life crises Contributions form around the world allow the social work student to learn about current practice in places as diverse as Australia Finland China South Africa Wales Canada and the United States Each chapter is accompanied by both reflection questions and a case study derived from practice and written to stimulate discussion that develops assessment and treatment planning skills

Gerontological Practice for the Twenty-first Century Virginia E. Richardson, Amanda Smith Barusch, 2006 Gerontological Practice for the Twenty first Century provides state of the art information on practice approaches with older patients that are age specific and empirically based Part 1 reviews current and classic theories of aging and proposes an original framework to practice that incorporates both individual and policy level interventions Part 2 covers such psychological problems as anxiety depression suicide substance abuse and dementia and describes appropriate evidence based interventions Part 3 discusses working with older families end of life care bereavement and work and retirement and part 4 focuses on core sociopolitical issues in the lives of older people

such as economic policy poverty health policy quality of life concerns and social services Designed as a text for students and as a professional resource for practitioners this book is a comprehensive review of the current literature and contains authoritative information on issues relating to a vulnerable population in need of sophisticated care The Routledge International Handbook of Social Work Supervision Kieran O'Donoghue, Lambert Engelbrecht, 2021-06-28 This handbook provides a comprehensive overview of social work supervision internationally and presents an analytical review of social work supervision theory practice and research Presented in seven parts International perspectives Supervision settings Roles responsibilities and relationships Models and approaches The interactional process Leading and managing supervision Emerging areas The book examines how supervision contributes to the well being development and practice of social workers It also sets the agenda for the future development of social work supervision internationally Social work supervision is examined across countries practice settings and in terms of participants roles relationships and responsibilities Contributors show how and why social work supervision is integral to social work and the rich diversity of ways supervision can be practiced Bringing together an international team of social work supervision scholars researchers supervisors and practitioners this handbook is essential reading for social workers supervisors managers policy advisors and professional leaders *Culture, Values and Ethics in Social Work* Richard Hugman, 2013 This groundbreaking book examines the ways in which questions of culture and diversity impact on the values and ethics of social work Using detailed case studies to illustrate key points for practice Richard Hugman discusses how social workers can develop cross cultural engagement in practice and work creatively with the tensions it sometimes involves Debates rage over whether there is a core set of unchangeable social work values or whether they might be different at different times and for different people This textbook proposes a new approach of ethical pluralism for social work practice in which both shared humanity and the rich variety of cultures contribute to a more dynamic way of understanding social work s underpinning values and ethics In particular this book explores the implications of a pluralist approach to ethics for the central questions of Human rights and social justice Caring relationships Social and personal responsibilities Agency and autonomy Values such as truth honesty openness service and competence It is vital that social workers understand the values and ethics of their profession as a crucial part of the foundations on which practice is built and this is the only text to explore the connections between culture values and ethics and fully develop the pluralist approach in social work *Culture Values and Ethics in Social Work* is essential reading for all social work students and academics Ethics and Professional Issues in Couple and Family Therapy Lorna Hecker, 2012-07-26 While on some issues couple and family therapists have an exquisitely clear direction from professional codes of ethics others fall under gray areas that instead rely on therapists making reasoned ethical decisions Therapists need to develop ethical sensitivity to potential ethical issues in order to decrease their risk in practice and increase their maneuverability in the therapy room In *Ethics and Professional Issues in Couple and Family Therapy* Lorna Hecker and her

contributing authors address various clinical scenarios that demonstrate the complex ethical situations couple and family therapists face every day Some points discussed in this holistic book include boundary power and privilege issues along with unique ethical issues in practicing therapy with children Risk issues when working with potential danger suicide and partner violence are also explored Each chapter sensitizes readers to potential ethical issues and provides a model for ethical decision making that best promotes good on behalf of clients Couple and family therapists will find this text an invaluable and inexhaustible resource

International Social Work Lynne Moore Healy, Rebecca Leela Thomas, 2020-07-30 International Social Work Professional Action in an Interdependent World Third Edition is a comprehensive treatment of all dimensions of international social work The authors four part framework includes domestic practice and policy influenced by global forces professional exchange international practice and global social policy The first section of the book explores globalization development and human rights as foundational concepts for international social work The text then provides an overview of global social issues and international organizations related to social welfare Part II offers an overview of the global history of the profession Similarities and differences in social work around the world are examined through seven country examples Part III provides an extensive discussion of current aspects of the global profession with chapters on ethics social policy international development practice and practice at the international domestic interface Modalities of international professional exchange are then explored prior to a concluding chapter that provides recommendations for international action The text is enlivened by numerous case examples drawn from many parts of the world The history chapters include brief biographies of noted social workers on the international scene whose accomplishments serve as inspiration for readers The text is extensively referenced with updated professional literature and intergovernmental documents Carefully selected items in the appendix expand the usefulness of the book
