Socialist Economic Policy:

Socialist economy and economic policy Gerhard Fink,1985 **Socialist Economic Policy** Béla Csikós Nagy,1973
Basado en la obra del mismo autor Bevezet s a gazdas g po litik ba Budapest Kossuth K nyvkiad 197 **Socialist Economy and Economic Policy** Gerhard Fink,1985 The Socialist System János Kornai,1992 This book presents a comprehensive analysis of socialist economics It addresses the reasons for the early successes of socialist systems and the reasons for their gradual breakdown *The Economics and Politics of Socialism* Wlodzimierz Brus,2013-11-05 The volume focuses on the socio political aspects of economic transformations in the Eastern European Socialist countries Particular emphasis is laid on the problem of interrelations between the plan and the market and between economic incentives and social consumption The volume also examines economic and political factors in the wider political context particularly looking at the question of democratization within industry and politics **Planning and Profits in Socialist Economies** Jean Charles Asselain,2003 This study of economic reforms throughout Eastern Europe covers the history of attempts at decentralization Countries covered include the former USSR the former East Germany and Hungary Socialist Economic Systems Steven Rosefielde,2023-06-29 Bernie Sanders socialist advocacy in the United States communist China s economic successes and a Marxist revival are inspiring many to muse about improved strategies for building superior socialist futures Socialist Economic Systems provides an objective record of socialism s promises and performance during 1820 2022 identifies a feasible path forward and provides a rigorous analytic framework for the comparison of economic systems The book opens by surveying pre industrial utopias from Plato to Thomas More and libertarian communal designs for superior living It plumbs all aspects of the revolutionary and democratic socialist political movements that emerged after 1870 and considers the comparative economic political and social performance of the USSR and others from the Bolshevik Revolution onwards The book also provides case studies for all revolutionary Marxist Leninist regimes and supplementary discussions of Mondragon cooperatives Israeli kibbutzim Nordic corporatism and European democratic socialism It investigates the theoretical and practical complexities of command planning reform communism market communism worker economic management and egalitarianism It examines communism as an engine of economic growth and a mechanism for improving people s quality of existence including living standards labor self governance egalitarianism social justice and prevention of crimes against humanity before addressing the perennial question of what needs to be done next A suggested path forward is elaborated drawing lessons from the warts and all historical performance of socialist economies during 1917 2022 and failed socialist prophesy The evidence indicates that the key to 21st century socialism success lies in empowering workers of all descriptions to govern democratically for their mutual protection and welfare without the extraneous imposition of priorities imposed by other movements The book is essential reading for anyone interested in socialism political economy comparative economic systems and political and social history Socialist Economics G. D. H. Cole,G. Cole,2010-11 This volume sets forth as

simply as possible the theoretical foundations which underlie the practical policies of democratic Socialism This involves both a repudiation and a refutation of the assumptions of the older classical economists who believed in laissez faire and a careful differentiation of the economics of democratic Socialism from the neo classical doctrines associated with the name of

Maynard Keynes **Cuba and the Economic Policies of Peripheral Socialism** Vitor Eduardo Schincariol,Joana Salém Vasconcelos,2023-12-06 Departing from the category of peripheral socialism this book offers an economic history of the Cuban revolution between 1959 and 2019 with a focus on the period that ranges between 2008 and 2018 The core of the research is the administration of Ra l Castro and the economic and social reforms introduced by it under the concept of socialism update The book describes Cuba s recent economic policies and analyses the structure and dynamics of Cuba s economic changes offering a panoramic view which can serve as an introduction to further more detailed analyses The book also offers an interpretation of Cuba s socialism in light of the Latin American political economy of underdevelopment so as to interpret Cuba s structural economic performance The analytical background will enable readers to understand the contemporary crises in Cuba with a balanced look at the triumphs and limits of its peripheral socialism It will find an audience among scholars and researchers of economic development and history macroeconomics Latin American and Cuban Studies Socialism Studies and related areas It will also be of interest to economists politicians diplomats journalists and NGOs *Socialist Economic Integration* Jozef M. van Brabant,1980-07-31 This book examines the history of the Council for Mutual Economic Assistance and attempts to assess the probable future of economic integration of the CMEA The author pursues three main themes in analyzing the sluggish pace of East European integration on trade during the last thirty years the role of East West relations in the integration process and the future of integration in the 1980s *The French Socialists in Power, 1981-1986* Thomas Rodney Christofferson,1991 An overview of the Socialist movement espousing a quasi Marxist ideology before the 1981 election that discusses the conflicts of the 1970s and the 1981 electoral campaign as well as the economic problems that generated a Socialist position of implementing a very limited agenda of reforms once they had gained power **The Economics of Feasible Socialism** Alec Nove,2013-11-05 The first part of The Economics of Feasible Socialism demonstrates why Marx s theories provide no guide to the issues that must face economists under any realistically conceivable Socialism The experience of communist ruled countries especially the former Soviet Union is often negative economic inefficiency bureaucracy despotism The causes of these defects and possible remedies and reforms are discussed The problems of transition in the context of Western industrialized countries and of developing countries is also examined with particular attention centred on the errors of economic policy in Chile and China amongst other countries **Socialism: Institutional, Philosophical and Economic Issues** S. Pejovich,2012-12-06 It was Lenin s genius to recognize the importance of socialist system with all the trappings of embellishing the democracy If the people want a constitution give them one and even include the bill of rights If they want a parliament give them that too And a system of courts If they want

a federal system create that myth as well Above all let them have the elections for the act of voting is what the common man most clearly associates with democracy Give them all these but make sure that they have no effect on how things are run G Warren Nutter Most research by Western scholars has emphasized macroeconomics and to a considerable extent still does as the method of analysis and growth rates as a standard for evaluating the performance of different economies In the early 1960s Nutter raised questions about the reported growth rates in socialist states the importance of growth policies for human welfare and the ability of macroeconomists to enhance our understanding of social and economic processes In his work Nutter used the standard price theory adjusted to incorporate the incentive effects of property rights in resources He was castigated for defying the traditional wisdom Not surprisingly history has validated Nutter's theoretical framework and his conclusions

Michal Kalecki on a Socialist Economy Jerzy Osiatynski, 1988-06-18 Kalecki's ideas on economic functioning are discussed in this book followed by an analysis of his contributions to the theories of long run planning and growth under socialism His ideas on social aspects of economic development under socialism are discussed

Socialist Economics in Yugoslavia Marko Grdešić, Mislav Žitko, 2025-10-31 This book presents a critical history of Yugoslav socialist economics from its inception in the late 1940s to its dissolution in the late 1980s After the dramatic break with the Soviet Union in 1948 Yugoslavia found itself in urgent need of a third way A socialist trajectory which would not resemble the Soviet model nor succumb to the imperatives of capitalist modernization This monumental historical task resulted in the gradual constitution of the system of socialist self management This book is the first to provide a systematic response to key questions about this specifically Yugoslav form of socialist economics How did it develop How was it consolidated into a productive and influential academic discipline What were the theoretical concerns and empirical procedures used by economists in order to create a modern scientific discipline and advance the cause of socialist Yugoslavia And finally how did this body of work enter a terminal crisis and disappear simultaneously with the country itself Even given its failure socialist Yugoslavia constitutes one of the more important and sustained twentieth century attempts at building socialism Thus the Yugoslav way of thinking remains relevant for contemporary topics such as economic democracy comparative economic systems and post capitalist economic models This book will appeal to all readers interested in the history of economics economic sociology political economy the history of Yugoslavia and socialist debates

Socialism, Economic Calculation and Entrepreneurship Jesús Huerta de Soto, 2010-01-01 This highly topical book presents a new theory on the characteristics of entrepreneurial knowledge It explores the recent shift among professional economists and scholars in their evaluation of the debate of socialism Socialism Economic Calculation and Entrepreneurship presents an application of Israel M Kirzner's theory of entrepreneurship to the theory of the impossibility of socialism It discusses the influence of the fall of socialism with particular reference to the evolution of economic thought

Socialism and the Market: Marginalist economics and the socialist economy Peter J. Boettke, 2000

Socialism, Capitalism, Transformation Leszek

Balcerowicz,1995 Professor Balcerowicz is highly regarded in both policy making and academic circles Most of the essays are based on his first hand experience in stabilizing the Polish economy at an early stage of hyperinflation and transforming it into a competitive capitalist market economy This volume gathers together a collection of essays integrated by two central themes the comparative economic performance of different economic systems centralized socialism reformed socialism competitive socialism and the transition from socialism to capitalism under newly established pluralistic political systems in Central and Eastern Europe *Profit, Risk and Incentives under Socialist Economic Planning* J. Wilczynski,1973-06-18

Psychological Socialism Jeremy Nuttall,2006 To Labour s first Prime Minister Ramsay MacDonald socialism meant not only satisfactory figures of death rates and improved houses but also the mental cleanliness the moral robustness of our people This book explores the neglected theme of individual character and mental qualities in British social democratic thought and Labour Party history How important was it for the centre left that citizens be good people What was the relationship between socialism and psychology in the 1930s Did Labour s technocratic statist socialism of the 1950s and 1960s downgrade moral and mental progress Why was the party often more concerned to produce a rationally planned economy that rational independent minded citizens Does New Labour represent a sidelining of ethical socialism or a re birth of the pre war left s belief in improvement through education and self control
