Sociolinguistics An Introduction To Language And Society:

Sociolinguistics Peter Trudgill, 2000-08-03 This is a classic book on a fascinating subject Peter Trudgill examines the close link between language and society and the many factors that influence the way we speak These range from gender environment age race class region and politics Trudgill's book surveys languages and societies from all over the world drawing on examples from Afrikaans to Yiddish He has added a fascinating chapter on the development of a language as a result of a non native speaker's use of it Compelling and authoritative this new edition of a bestselling book is set to redraw the boundaries of the study of sociolinguistics

Sociolinguistics Peter Trudgill, 1983 The way we talk is deeply influenced by our class sex and ethnic background It can also have a profound effect on how we are perceived by others In this fully updated edition of a classic text Peter Trudgill explores the evidence and the huge implications for social and educational policy

Language in Society Suzanne Romaine, 2000-10-05 Why have 1500 separate languages developed in the Pacific region Why do Danes understand Norwegians better than Norwegians understand Danish Is Ebonics a language or a dialect Linguistics tends to ignore the relationship between languages and the societies in which they are spoken while sociology generally overlooks the role of language in the constitution of society In this book Suzanne Romaine provides a clear lively and accessible introduction to the field of sociolinguistics and emphasizes the constant interaction between society and language discussing both traditional and recent issues including language and social class language and gender language and education and pidgins and creoles The text shows how our linguistic choices are motivated by social factors and how certain ways of speaking come to be vested with symbolic value and includes examples drawing on studies of cultures and languages all over the world This new edition incorporates new material on current issues in the study of gender as well as other topics such as the linguistic dimension to the ethnic conflict in the Balkans and the controversy over Ebonics in the United States

An Introduction to Sociolinguistics Sharon K.

Deckert, Caroline H. Vickers, 2011-05-19 This unique work analyzes the crisis in modern society building on the ideas of the Frankfurt School thinkers Emphasizing social evolution and learning processes it argues that crisis is mediated by social class conflicts and collective learning the results of which are embodied in constitutional and public law First the work outlines a new categorical framework of critical theory in which it is conceived as a theory of crisis It shows that the Marxist focus on economy and on class struggle is too narrow to deal with the range of social conflicts within modern society and posits that a crisis of legitimization is at the core of all crises It then discusses the dialectic of revolutionary and evolutionary developmental processes of modern society and its legal system This volume in the Critical Theory and Contemporary Society by a leading scholar in the field provides a new approach to critical theory that will appeal to anyone studying political sociology political theory and law
