The British In Northern Nigeria:

The British in Northern Nigeria Robert Heussler, 1968 **British Colonisation of Northern Nigeria, 1897-1914** Mahmud Modibbo Tukur, 2016-08-15 In this densely detailed and interpretatively nuanced study Mahmud Modibbo Tukur lays bare the very foundations of the colonial state in what is now northern Nigeria This is a must read for anyone wanting to understand the foundations of contemporary Nigeria and how we came to be what we are Prof Abdul Raufu Mustapha University of Oxford UK Mahmud Modibbo Tukur's work challenges fundamental assumptions and conclusions about European colonialism in Africa especially British colonialism in northern Nigeria Whereas others have presented the thesis of a welcome reception of the imposition of British colonialism by the people the study has found physical resistance and tremendous hostility towards that imposition and contrary to the pacification and minimal violence argued by some scholars the study has exposed the violent and bloody nature of that occupation Rather than the single story of Indirect rule or abolishing slavery and lifting the burden of precolonial taxation which others have argued this book has shown that British officials were very much in evidence imposed numerous and heavier taxes collected with great efficiency and ruthlessness and ignored the health and welfare of the people in famines and health epidemics which ravaged parts of northern Nigeria during the period British economic and social policies such as blocking access to western education for the masses in most parts of northern Nigeria did not bring about development but its antithesis of retrogression and stagnation during the period under study Tukur's analysis of official colonial records and sources constitutes a significant contribution to the literature on colonialism in Africa and to understanding the complexity of the Nigerian situation today The British Colonial Legacy in Northern Nigeria Yusufu Turaki, 1993 The Impact of Ethnic, Political, and Religious Violence on Northern Nigeria, and a Theological Reflection on Its Healing Sunday Bobai Agang, 2011-09-07 This publication seeks to challenge established thinking about the causes of violence in Northern Nigeria It explores immediate and long term effects of that violence through reflection study and survey of previous research The fundamental argument within is that ethnic political and religious violence has affected Christian perspectives and core values and thus has hampered efforts towards just peacemaking **Reconciliation in Northern Nigeria** Oluniyi, Olufemi Olayinka, 2017-08-09 In this book Dr Olufemi Oluniyi takes a fresh look at Muslim Christian violence which has become synonymous with the name of Northern Nigeria It is fresh in the sense that he takes a historical approach to the problem dating back to the founding of Northern Nigeria This approach inevitably brings to the fore the culpability of the colonial government for the institutionalisation of inequality and for pursuing policies which are tantamount to planting the seeds of religious violence for post independence fruitage and harvest By highlighting the role of the colonial administration he is by no means suggesting that post independence perpetrators of violence are less culpable for their crimes against humanity Rather the highlight is meant to raise awareness of what was really going on despite official cover up Muslim-Christian Dialogue in Post-Colonial Northern Nigeria M.
