### The Communicators Commentary 16a Isaiah 1 39:

The Apocalypse of Isaiah Metaphorically Speaking Brian Doyle, 2000 The analysis of metaphors constitutes an ideal point of entry into the exeges of Biblical Hebrew poetic texts because it forces the exegete to examine the said text from a variety of perspectives How can one discern the presence of metaphorical speech What are the various types of metaphorical speech available to and employed by the biblical poet How does the structure of a piece of Hebrew poetry carry its metaphorical dimensions How did the biblical poet make use of the various types of metaphor and to what end Can we ultimately gain access to the poet's meaning The present study endeavours to provide at least a partial answer to these questions In maintaining focus on the biblical text moreover the author hopes to anchor some of the abstractions of metaphorical theory with chosen examples taken from the so called Apocalypse of Isaiah The Hebrew prophets constitute fertile ground in their use of metaphorical language for speaking the unspeakable especially concerning the relationship between the people and God With His Joy Donald E. Demaray, 2001 Biographer Donald Demaray leads us to appreciate the impact of grace on this world through a man devoted fully to Christ You will laugh and weep as you read You will be challenged to reach for excellence and effect your world for Christ This book is not ultimately about David McKenna nor is it about the art of skilled biographer Don Demaray It is ultimately about the work of Jesus Christ through someone thoroughly dedicated to following the Savior As you read you will be inspired to follow Him with joy Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **Subject Guide to Books in Print** ,1997 **Isaiah 1-39** David The Communicator's Commentary ,1993 The Communicator's Commentary David Loren L.
