Witchcraft Craig Hawkins,1996-06-01 This introduction to contemporary witchcraft and neopaganism shows you what witches themselves say they believe what the Bible says about witchcraft and philosophical holes in the worldview of witches

The A to Z of Witchcraft Michael D. Bailey,2009-09-28 A great deal has been written about the history of witchcraft but much of what has been written is unreliable exaggerated or inaccurate This problem is especially acute in regard to modern witchcraft or Wicca and its supposed connections to historical witchcraft in medieval and early modern Europe The A to Z of Witchcraft provides a reliable reference source for both academics and general readers interested in the actual historical development of witchcraft in the western world The focus of the dictionary is on Western Europe during the late medieval and early modern periods when the specific idea of diabolical witchcraft developed and when the so called great witch hunts occurred Entries are also provided that deal with magic and witchcraft in the earlier Christian period and classical antiquity as well as with the lingering belief in witchcraft in the modern world and with the development of the modern neo pagan religion of witchcraft also known as Wicca For comparative purposes some entries have been provided that deal with aspects and systems of magic found in other parts of the world that seem to bear some relation to the idea of witchcraft as it developed in Christian Europe The regions dealt with are mainly Africa along with such New World practices as Voodoo and Santeria Entries in the dictionary cover important people in the history of witchcraft from the medieval inquisitors and early modern magistrates who developed the stereotype of the historical witch to the modern individuals who have developed the religion of Wicca Also included are legal terms and concepts important to the prosecution of the supposed crime of witchcraft and religious and theological concepts pertaining to the demonic elements that came to be associated with witchcraft as well as more popular beliefs and aspects of common folklore and mythology that became attached to the developing idea of witchcraft Geographic entries are also included discussing the scope of witch hunting in various reg **The to Z of Witchcraft** Michael D. Medicine Women, Curanderas, and Women Doctors Bobette Perrone, Victoria Krueger, H. Henrietta Stockel, 2012-11-15 The stories of ten women healers form the core of this provocative journey into cultural healing methods utilized by women In a truly grass roots project the authors take the reader along to listen to the voices of Native American medicine women Southwest Hispanic curanderas and women physicians as they describe their healing paths This book will fascinate anyone interested in the relationship between illness and healing medical practitioners and historians patients anthropologists feminists psychologists psychiatrists theologians sociologists folklorists and others who seek understanding about our relationship to the forces of both illness and healing

Saguaro Gloria H. Giroux, 2018-02-15 In the late 1970s a diabolical killer stalks the streets of Tucson Arizona Viciously striking at random and leaving no clues the killer thrusts the city and its residents into a state of terror Law enforcement and private citizens are desperate to uncover the identity of the monster dubbed the Saguaro Sadist and stop his bloody reign of fear and death A motley crew stands up to investigate including two police detectives battling their own demons a famous author whose interest in the city is unusual at best several college professors of anthropology and criminology a British expatriate PI a psychic witch from Salem two sets of twins from New Orleans and a determined but grieving Cajun cop from the Big Easy As the bodies pile up it becomes clear that unless the culprit is caught he will disappear into history Why Because this isn't the first such suite of murders and that murderer was never caught Has he begun reimagining his old crimes or has someone taken up his mantle in a most savage way

Beyond Heaven and Earth Steven H. Goddess Worship, Witchcraft, and Neo-Paganism Craig Hawkins, 2016-09-06 The twentieth century has seen a remarkable revival of the Old Religion as adherents of New paganism call the native religious traditions of Europe and tribal traditions from North America that predated Christianity Many neo pagan groups identify with Celtic Druidic Egyptian Native American Norse or Roman traditions others with modern science fiction motifs and still others with witchcraft Neo paganism is occultic in nature A central figure in much of Neo paganism is the Mother Goddess who has been introduced and worshiped among certain feminists even in some mainline Protestant churches Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys Each book has five sections A concise introduction to the group An overview of the group's theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood This is an age when countless groups and movements new and old mark the religious landscape in our culture As a result many people are confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully the Zondervan Guide to Cults and Religious Movements series provides essential information and insights for their spiritual journeys The second wave of books in this series addresses a broad range of spiritual beliefs from non Trinitarian Christian sects to witchcraft and neo paganism to classic non Christian religions such as Buddhism and Hinduism All books but the summary volume Truth and Error contain five sections A concise introduction to the group being surveyed An overview of the group's theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group Truth and Error the last book in the series consists of parallel doctrinal charts compiled from all the other volumes Three distinctives make this series especially useful to readers Information is carefully distilled to bring out truly essential points rather than requiring readers to sift their way through a sea of secondary details Information is presented in a clear easy to follow outline form with menu bar running heads This format greatly assists the reader in quickly locating topics and details of interest Each book meets the needs and skill levels of both nontechnical and technical readers providing an elementary level of refutation and progressing to a more advanced level using arguments based on the biblical text The writers of these volumes are well qualified to present clear

and reliable information and help readers to discern truth from falsehood If You Want to be a Witch Edain McCoy,2013-11-08 Choosing the right book to learn about the Old Religion can be quite challenging If You Want to Be a Witch is dedicated to those who want an easy to read yet thorough introduction to the Craft and its practices Filling in the gaps often found in other Wiccan guides this primer explains the basic tenets of Witchcraft detailing Wiccan history philosophy common traditions and modern day ethics Learn about cyclical time Wiccan magick and festivals and how to keep a Book of Shadows Soon you ll discover if Witchcraft is the right spiritual path for you and the next steps you can take in the learning process Goddess Astrology Elisabeth Brooke,2022-09-27 A fascinating exploration of the Goddesses and women of Greek mythology in relation to the astrological signs Offering a new and insightful discussion into the subjects of both Greek mythology and astrology Elisabeth Brooke skilfully intertwines the two to create an original and captivating exploration of the female experience It expresses a deep appreciation that women s lives are not all the same and should not be put into the same overused stereotypes instead it offers a refreshing perspective of female archetypes illustrated by the lives of extraordinary women both alive and dead which women everywhere will relate to Each chapter of this book follows one of the twelve Astrological Signs seven traditional planets as well as the Houses and Aspects The connection to a Goddess of Greek mythology is detailed for each of these providing an illuminating and engrossing background to the Greek myths and Goddess lore The chapters bridge the gap between ancient and modern exploring more recent examples of brave strong and empowering women for each of the Astrological Signs The book can be read straight through as an exploration of the Goddesses and Astrology and as a reference book for both astrological studies and historical Goddess lore Goddess Astrology also contains excerpts from classical texts newly translated by the author Elisabeth Brooke *The Path Of The Green Man* Michael Thomas Ford,2005 A handbook containing information of interest to gay men who want to know what paganism and Wicca are how these traditions speak specifically to them and how to go about beginning to explore pagan spirituality as a rewarding spiritual path The Path of the Green Man is composed of two parts arranged in alternating chapters The first part is a basic primer on paganism and Wicca on spiritual practice and beginning to play with the tools of spirituality The second part puts all of this information to use in a practical guide to living the pagan year Ashling Wicca, Book Two Aislin,2012-11 This book continuing where Ashling Wicca Book One left off takes the student even further into the mysteries of this wonderful tradition Begin learning what it is that makes Ashling Wicca so beautiful This book is the second of five in total and serves to bring the student deeper into Ashling Wicca Lessons include both the practical and the theoretical Because initiation into this tradition can only be acquired under the direction of a High Priestess of Ashling Wicca this material is presented by an expert on the tradition a woman who has been trained to teach Ashling Wicca to students of the Craft Here you will find the information necessary to continue following the Ashling path Anarchy in High Heels Denise Larson,2025-07-30 Anarchy in High Heels is not a state of dress it s a state of mind A San Francisco porno theater might be

the last place you'd expect to plant the seed of a feminist troupe but truth is stranger than fiction In 1972 access to birth control and a burn your bra ethos were leading young women to repudiate their 1950s conservative upbringing and embrace a new liberation Denise Larson was a timid twenty four year old actress wannabe when at an after hours countercultural event The People's Nickelodeon she accidentally created Les Nickettes This banding together of like minded women with an anything goes spirit unlocked a deeply hidden female humor For the first time Denise allowed the suppressed satirical thoughts dancing through her head to come out in the open Together with Les Nickettes which quickly became a brazen women's lib troupe she presented a series of feminist skits stunts and musical comedy plays In 1980 The Bay Guardian described the group as nutty messy flashy trashy and very funny With sisterhood providing the moxie Denise took on leadership positions not common for women at the time playwright stage director producer and administrative artistic director But in the end the most important thing she learned was the power of female friendship The Woman Magician Brandy Williams,2012-03-08 For generations women have had to channel their strength and power into the role of muse priestess or earth mother and always in the shadow of male magicians This groundbreaking book shatters outdated notions of the Western magical tradition and presents a new paradigm that celebrates and empowers the woman magician Drawing on thirty years of study and personal experience Brandy Williams boldly revises metaphysics from a female perspective She introduces a new Magia Femina a female centered exploration of tradition history philosophy science culture theology and magic and shares unique wisdom on how to live authentically as a woman and as a dedicated practitioner of her craft Williams discusses women's roles in magic and philosophy throughout history as well as issues of gender sexuality feminism cultural identity God as divine feminine the Qabalah and the evolution of such magical systems as the Golden Dawn and modern Witchcraft Offering a complete and workable ritual system based on Egyptian cosmology The Woman Magician invites you to become a practicing member of the Sisters of Seshat the first all female initiatory magical order since the French Revolution Experience powerful hands on individual and group initiatory rituals and help launch this new order into the greater world **Witches' Craft** Bruce K. Wilborn,2011-10-26 Do you seek to know more about the foundation and modern practices of witchcraft In Witches Craft Bruce Wilborn demystifies Wicca a religion that is loving and nonjudgmental Wicca's strength is in its ability to provide spiritual light for a truly diverse group of people However its expansive range of rituals and traditions may be confusing to the new practitioner Witches Craft provides detailed explanations of practices from each of the five major Wiccan traditions removing the shroud of mystery surrounding one of the fastest growing religions of the twenty first century To Stir a Magick Cauldron Silver RavenWolf,1995 Silver RavenWolf dishes out tried and true Witch wisdom covering the essentials of Witchcraft She leads us to the next step in craft practice focusing on intermediate level magical practices such as the proper mechanics of circle casting and 10 ways to raise power The Fortune-Telling Book Raymond Buckland,2003-08-01 A look at Fortune Telling and Divination from the author of Buckland's Complete Book
