anthropology and sociology where evangelicalism has been studied in conjunction with the rise of the Religious Right while contributing unique insights from religious communication studies The book is also a landmark in its own right a work that demonstrates the productive complementarity of ethnographic and autoethnographic research and the first study to describe evangelical culture through the ethnography of its communication *Clip Art for Year A* Martin Erspamer,2025-10-01 For decades parish communications staffs worship coordinators Catholic schoolteachers and catechists have relied on this collection of unique liturgical art by Martin Erspamer OSB to adorn their bulletins worship aids calendars and handouts Now the entire collection of art is downloadable allowing easy access to more than 500 pieces of art organized by Sunday and holyday for Year A as well as national holidays Images are still suitable for print use but now are versatile enough to post on parish websites and to share on social media Each illustration is labeled by its filename helping you easily find it in the image folder The accompanying pdf guide offers brief statements about the Scriptures that the art represents and about the biblical citations *THEY Cripple Society Who are THEY and how Do They Do It?
