Navy Department,1874 *Literary Criticism from Plato to Postmodernism* James Seaton,2014-04-28 This book offers a
history of literary criticism from Plato to the present arguing that this history can best be seen as a dialogue among three
traditions the Platonic Neoplatonic and the humanistic originated by Aristotle There are many histories of literary criticism
but this is the first to clarify our understanding of the many seemingly incommensurable approaches employed over the
centuries by reference to the three traditions Making its case by careful analyses of individual critics the book argues for the
relevance of the humanistic tradition in the twenty first century and beyond **The Complete Book of the Horse** Deborah
