The COMPSTAT Paradigm Vincent E. Henry, 2002 *The PerformanceStat Potential* Robert D. Behn, 2014-06-24 A Brookings Institution Press and Ash Center for Democratic Governance and Innovation publication It started two decades ago with CompStat in the New York City Police Department and quickly jumped to police agencies across the U S and other nations It was adapted by Baltimore which created CitiStat the first application of this leadership strategy to an entire jurisdiction Today governments at all levels employ PerformanceStat a focused effort by public executives to exploit the power of purpose and motivation responsibility and discretion data and meetings analysis and learning feedback and follow up all to improve government s performance Here Harvard leadership and management guru Robert Behn analyzes the leadership behaviors at the core of PerformanceStat to identify how they work to produce results He examines how the leaders of a variety of public organizations employ the strategy the way the Los Angeles County Department of Public Social Services uses its DPSSTATS to promote economic independence how the City of New Orleans uses its BlightStat to eradicate blight in city neighborhoods and what the Federal Emergency Management Agency does with its FEMAStat to ensure that the lessons from each crisis response recovery and mitigation are applied in the future How best to harness the strategy s full capacity *The PerformanceStat Potential* explains all Battleground: Criminal Justice Gregg Barak, 2007-10-30 There are many controversial aspects of our criminal justice system and this encyclopedia examines the most significant controversies throughout American history with emphasis on current debates trends and issues Arranged alphabetically approximately 100 entries cover background explanations notable cases and events various sides of an issue and what to expect in the future Entries are objective and factual allowing readers to formulate their own conclusions Sidebars and case examples help to illustrate each entry and sources for further reading point readers to other important materials Given the prevalence of controversial criminal justice topics in the news this timely reference is an important resource for anyone interested in crime and justice Entries include Boot Camps Corporal Punishment DNA Evidence Domestic Violence Expert Testimony Eye Witness Identifications Gun Control Homeland Security International Criminal Court Legalization of Marijuana Mental Health and Insanity Police Brutality Prison Violence Racial Profiling School Violence Sex Offender Laws Stalking Laws Supermax Prisons Three Strikes Treating Juveniles as Adults War on Drugs and more *FBI Law Enforcement Bulletin* , 2004 *Managing Policy and Reform in an Era of American Police Conflict* Jack St. Hilaire, 2023-08-11 The Greek philosopher Socrates posed a guardian model that would protect his Athenian world the custodes watchmen yet mused who would guard them but themselves In *The Republic* Plato spoke favorably about the guardians of the republic they should be trusted to behave and perform their duties appropriately without oversight Half a millennium later the Roman satirist Juvenal proposed that men who feared their wives infidelity could neither trust them nor the guardians who guarded them Similarly James Madison opposed oppression through blind trust and thus conceptualized

Madisonian Democracy Quis custodiet ipsos custodies Who will guard the guardians In an era of conflict with America's police and the communities they serve today's publicly expressed attitudes toward law enforcement often reflect Socrates' dilemma and the concerns of Juvenal more than that of Plato's tributes Contemporary debates concerning the increase in violent crime and the need for fundamental changes to American policing reached a new intensity and stalemate with the death of George Floyd in Minneapolis in May 2020 Police officers shot and killed 999 people in 2019 and 1021 people in 2020 in the United States 2020 was also one of the deadliest years for law enforcement with 264 officers killed the highest since 1974 In the first six months of 2021 523 civilians were shot and killed by officers Numerous active and former police officers face criminal charges for the January 6 United States Capitol Attack in Washington DC in 2021 Many current and former employees of the U.S. Border Patrol were discovered to be members of a Facebook group that posted racist and anti-immigration content Sixty current members were found to have committed misconduct by posting explicit and violent messages mocking migrants and threatening lawmakers on the site Communities are now hiring civilians to high positions in the police department's command staff justifying the need to improve deteriorating community relations For the first time in its 27 years of measuring confidence in the police in the United States Gallup found that most American adults do not trust law enforcement This book investigates and exposes the complex challenges facing law enforcement leaders and government officials with police reform policies and standards police accreditation and police legitimacy in the eyes of the community Through informative and educational discussions with law enforcement leaders from various agencies professional police organizations and academic researchers the book qualitatively evaluates individual autonomy organizational culture and political environments which influence strategic decisions made on policy and reform efforts by law enforcement officials in the United States within the milieu of national police accreditation
