**The Concordia University Art Index to Nineteenth Century Canadian Periodicals** Hardy George, 1981 Early Periodical Indexes Robert Balay, 2000 Balay's Early Periodical Indexes is the most comprehensive guide available to the indexing of periodical literature from the 16th century until the end of the 19th century limited in scope to European languages The material itself is widely scattered difficult to find and until now without a systematic way to identify it This extraordinarily useful tool lists and describes titles in a wide range of disciplines including indexes published prior to 1900 that are restricted to periodicals such as Poole's those published later such as Wellesley as well as serial and topical bibliographies citing publications in all formats and Balay explains the relationships among them Electronic databases both Web based and CD ROMs are included Indexes are by author title topical subjects and dates of coverage This landmark resource should be a familiar sight in every research library

**Canadian Reference Sources** Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include a citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers

Art Information and the Internet Lois Swan Jones, 2013-12-16 In the first book of its kind art information expert Lois Swan Jones discusses how to locate visual and textual information on the Internet and how to evaluate and supplement that information with material from other formats print sources CD ROMs documentary videos and microfiche sets to produce excellent research results The book is divided into three sections Basic Information Formats Types of Websites and How to Find Them and How to Use Web Information Jones discusses the strengths and limitations of Websites scholarly and basic information resources are noted and search strategies for finding pertinent Websites are included Art Information and the Internet also discusses research methodology for studying art historical styles artists working in various media individual works of art and non Western cultures as well as art education writing about art problems of copyright and issues concerning the buying and selling of art This title will be periodically updated
