## **The Conditions Of Discipleship:**

**Personal Consecration; Or, Conditions of Discipleship. A Series of Bible Studies** Hubert Brooke, 1897      **The crowds in the Gospel of Matthew [electronic resource]** J. R. C. Cousland, 2002 Annotation Arguing that crowds in the Gospel of Matthew serve as a theological entity that represent the people of Israel as opposed to their leaders Cousland classical Near Eastern and religious studies U of British Columbia Canada explores how this representation sheds light on Matthew s relationship to Judaism Although Matthew had broken with Jewish leadership he still had hopes of converting the Jewish people to Christianity and this tension was displayed in the ambivalent manner in which crowds were portrayed in the gospel Annotation copyrighted by Book News Inc Portland OR      *The Power We Leave on the Table* Rick Hertless, 2010-02 The Power We Leave on the Table is a book that looks into the power of Christianity available to those who walk in the saving grace of Jesus Christ The power of the Holy Spirit is available to all who call on the name of Jesus Nevertheless the power given to his followers at his ascension is denied and rejected daily by believers Many have decided not to pick up the gifts that have been freely given to those who follow Jesus Christ God has given all believers gifts to complete the task in which they are called 1 Corinthians 12:11 says All these gifts are the work of one and the same Spirit and he gives them to each one just as he determines NIV God does not want his children to be ignorant about the blessings he has supplied to those who are willing to accept them However his power goes beyond the gifts There is abundance in every breath of every believer who lives for Christ His abundance resides in his saving grace and is manifested to those in whom he loves through his power It is up to you to decide to use his power and learn of his greatest gift of salvation through Christ Accept the wealth of Jesus as we learn to pick up The Power We Leave on the Table      **The Christian Disciple** John E. Skinner, 1984 Defines the distinctive characteristics of true Christian discipleship derived from following the pattern of the life and death of Jesus Christ This pattern consists of the three conditions of in the author s words self denial taking up the Cross and following Jesus Concludes that spiritual discipline and the conditions for discipleship are one and the same reality Co published with the Episcopal Divinity School      *The Gospel of Luke* I. Howard Marshall, 1978-11-14 Marshall s study of the Gospel of Luke is part of The New International Greek Testament Commentary a series based on the UBS Greek New Testament Each volume provides thorough exegesis on the text that is sensitive to theological themes as well as to the details of the historical linguistic and textual context      **The Spirit of the New Testament** John Christopher Thomas, 2019-05-21 The essays in this volume on the one hand together form an exploration of the Spirit in the New Testament and on the other hand a demonstration of the spirit of the NT The focus is largely on the Johannine literature but there are also exegetical studies in Matthew and Luke The studies are either entirely new or have already been influential among Pentecostal theologians this publication makes them deservedly and conveniently available to a wider readership Essays include The Kingdom of God in Matthew Discipleship in Mark The Ending of Mark The Composition of the Fourth Gospel The Fourth Gospel and Rabbinic Judaism The

Spirit in the Fourth Gospel Healing in the Atonement The Structure of Acts Footwashing Women Pentecostals and the Bible The Literary Structure of 1 John Pentecostal Theology in the 21st Century      **The Lucan Journey** Maria Yen Thi Do,2010 This work investigates the Lucan journey motif from a literary and theological perspective It starts by examining the indications of movement in the narrative sequence of the Gospel Using the historical critical method the author continues with a study of the Transfiguration Luke 9 28 36 and the Ascension Acts 1 6 11 narratives and presents a comparison between them The work concludes with an investigation of the Lucan journey in the two volume work of Luke On the literary level the author suggests that the Transfiguration and the Ascension narratives are composed as an architectural pair and in turn serve as the respective starting points for the parallel journeys in Luke Acts On the theological level she shows that the two journeys are in fact two stages of the one unique journey namely the journey of the Salvific Message Thus the author provides a further confirmation of the unity of the two volume work of Luke      *Exegetical Dictionary of the New Testament, Vol. 2* horst Balz, Gerhard M. Schneider,2004-01-20 The English translation of the three volume Exegetisches Wörterbuch zum Neuen Testament this monumental work by an ecumenical group of scholars is first of all a complete English dictionary of New Testament Greek Going beyond that however EDNT also serves as a guide to the usage of every New Testament word in its various contexts and it makes a significant contribution to New Testament exegesis and theology EDNT's thorough lengthy discussions of more significant words and its grouping of words related by root and meaning with alphabetical cross references distinguish it from simpler Greek English lexicons Advancing the discussion of the Theological Dictionary of the Old Testament EDNT summarizes more recent treatments of numerous questions in New Testament study and takes into consideration newer viewpoints of linguistics      *The Path of Discipleship* Annie Besant,1906      **The Numerical Bible: The Gospels** ,1904      **The Synoptic Gospels : Together with a Chapter on the Text-criticism of the New Testament** George Lovell Cary,1900      The Numerical Bible ,1899      **The Synoptic Gospels Edited with an Introduction and a Commentary** Claude Goldsmid Montefiore,1927      **THE DIVINE WORD** Rev. Leon Ngandu SVD,2025-09-11 Rev Leon Ngandu has observed that many believers do not fully understand the Scriptures proclaimed at Mass and the homilies that explain them As a result they do not participate in Mass actively intentionally and prayerfully Therefore he recognized a critical need to evangelize God's people about the prayerful character of the first part of the Mass the liturgy of the Word of God He strongly emphasizes that both parts of the Mass the liturgy of the Word of God and the liturgy of the Eucharist are deeply connected We cannot fully engage in one without the other This means we cannot truly participate with Jesus at the Eucharistic Table if we do not listen to and understand him at the table of the Word of God The liturgy of the Word is not just a part of the Mass it is a prayerful encounter with God Therefore a deep understanding of the liturgical Scriptures is essential for the faithful to participate reverently in the Mass This Liturgical Weekly Bible Study Workbook serves as a helpful tool aiming to assist the faithful in becoming familiar with the liturgical scripture readings before attending each
