**Writings on American History** ,1918 **The Complete Idiot's Guide to Native American History** Walter C. Fleming,2003 This book is a comprehensive overview of the history and culture of the peoples who are now known as the First Americans Author Walter C Fleming covers the many different tribes that stretched from the Atlantic to the Pacific including compelling biographies of their greatest leaders He examines the beliefs customs legends and the myriad contributions Native Americans have given to modern society and details the often tragic history of their conquest by European invaders their treatment both historical and recent under the U S government and the harsh reality of life on today s reservations **Writings on American History, 1903** Andrew Cunningham McLaughlin,William Adams Slade,1905

American History from a Global Perspective David Russo,2000-03-30 This study is the first interpretive text for the study of American exceptionalism and the first overall assessment of geographic political economic social and cultural aspects of the American past written from a global perspective Russo argues that life in the United States can be better understood if it is examined from either a wider perspective the English speaking world the Western Hemisphere Western Civilization or a narrower perspective regional and local variations Even when the Americans were innovative in their multi ethnic and multi racial society in their egalitarian social beliefs in their political democracy their innovations were soon copied by others

Therefore Russo argues they are no longer distinctly American Using nations as the basis for fields of study can both reveal and distort the historical record When one considers different perspectives America s uniqueness recedes in importance American culture was a variant of a wider Western culture The American economy was an extension of Western capitalism whether agrarian commercial or industrial American society was a Western society with racial castes and multi ethnic additions to the population American government functioned like other Western governments even with innovative forms Republican then democratic The American past is thus seen to be far less distinctive than previous syntheses have assumed

Horrocks,Harold Holzer,Frank J. Williams,2011-05-13 The Living Lincoln gives new voice to several aspects of Abraham Lincoln s career as seen through the lens of recent scholarship in essays that show how the sixteenth president s appeal continues to endure and expand Featuring eleven essays from major historians the book offers thoughtful provocative and highly original examinations of Lincoln s role as commander in chief his use of the press to shape public opinion his position as a politician and party leader and the changing interpretations of his legacy as a result of cultural and social changes over the century and a half since his death In an opening section focusing largely on Lincoln s formative years insightful explorations into his early self education and the era before his presidency come from editors Frank J Williams and Harold Holzer respectively Readers will also glimpse a Lincoln rarely discerned in books calculating politician revealed in Matthew Pinsky s illuminating essay and shrewd military strategist as demonstrated by Craig L Symonds Stimulating discussions

from Edna Greene Medford John Stauffer and Michael Vorenberg tell of Lincoln's friendship with Frederick Douglass his gradualism on abolition and his evolving thoughts on race and the Constitution to round out part two Part three features reflections on his martyrdom and memory including a counterfactual history from Gerald J Prokopowicz that imagines a hypothetical second term for the president emphasizing the differences between Lincoln and his successor Andrew Johnson Barry Schwartz's contribution presents original research that yields fresh insight into Lincoln's evolving legacy in the South while Richard Wightman Fox dissects Lincoln's 1865 visit to Richmond and Orville Vernon Burton surveys and analyzes recent Lincoln scholarship This thought provoking new anthology introduced at a major bicentennial symposium at Harvard University offers a wide range of ideas and interpretations by some of the best known and most widely respected historians of our time The Living Lincoln is essential reading for those seeking a better understanding of this nation's greatest president and how his actions resonate today Bulletin United States. Office of Education, 1918 **North Over South** Michael Burgan, 2010-07 Key victories at Gettysburg in the North and Vicksburg in the South gave Union forces the upper hand in summer 1863 But the long Civil War was far from over It would take nearly two more years and thousands of lives before this bloody conflict would come to an end **Unreconstructed** Carin Peller-Semmens, 2025-09-15 Carin Peller Semmens's Unreconstructed grapples with the longstanding systemic effects of white supremacist brutality in northwest Louisiana highlighting the constancy of racial subjugation in one of the most violent areas of the South Tracing the commitment of the region's white slaveholders to racial violence from antebellum enslavement through to Reconstruction Peller Semmens unearths the durable ideology of mastery in the Red River region She demonstrates that white supremacy and vigilante violence were slaveholding recloaked and became effective calibrated tools of political social and economic control during Reconstruction White supremacist violence demonstrative controlling and visceral attempted to redress mastery and subjugate and subdue newly emancipated Black individuals imposing parameters on freedom Unreconstructed shows that white violence and racial control were foundational elements of the regional ideology and identity that Reconstruction galvanized This ideology of mastery transcended class creating a shared ethos steeped in racist behavior that remained crucial to postwar conceptions of white selfhood Barbarity harnessed boldly and overtly formed the apex of a diversified campaign of persistent violence that chipped away at freedpeople's experience of freedom and resulted in several seismic incidents of racial violence including the massacres at Shady Grove Colfax and Coushatta Peller Semmens's arguments concerning racial power structures speak to race issues prevalent in America today contributing significantly to a vibrant discourse on the inheritances of slavery and Reconstruction Indeed the implications of Reconstruction violence in this region still reverberate nationwide making this corner of the South integral to the larger narrative of southern racism white supremacy and segregation **The Burden of Confederate Diplomacy** Charles M. Hubbard, 2000-08-04 Thoroughly researched Hubbard's interpretation is solid well supported and touches all of the major aspects of Confederate diplomacy

American Historical Review As the first examination of the topic since King Cotton Diplomacy 1931 this work deserves widespread attention Hubbard offers a convincingly bleak portrayal of the limited skills and myopic vision of Rebel diplomacy at home and abroad Virginia Magazine of History and Biography Of the many factors that contributed to the South's loss of the Civil War one of the most decisive was the failure of Southern diplomacy In this penetrating work Charles M Hubbard reassesses the diplomatic efforts made by the Confederacy in its struggle to become an independent nation Hubbard focuses both on the Confederacy's attempts to negotiate a peaceful separation from the Union and Southern diplomats increasingly desperate pursuit of state recognition from the major European powers Drawing on a large body of sources Hubbard offers an important reinterpretation of the problems facing Confederate diplomats He demonstrates how the strategies and objectives of the South's diplomatic program themselves often poorly conceived were then placed in the hands of inexperienced envoys who were ill equipped to succeed in their roles as negotiators The Author Charles M Hubbard is associate professor of history at Lincoln Memorial University and executive director of the Abraham Lincoln Memorial Museum in Harrogate Tennessee
