The Confessions of a Jilted Superstar, in His Many Conversations With God R. Martin Basso, 2005-09 **The Confessions of A Jilted Superstar, in His Many Conversations with God** Reid Basso, 2005-09-01 Conversations with God Neale Donald Walsch, 1997 Suppose you could ask God the most puzzling questions about existence and God would provide clear understandable answers It happened to Neale Donald Walsch Conversations with God is Neale Donald Walsch's account of his direct conversations with God beginning in 1992 while Walsch was immersed in a period of deep depression He composed a letter to God in which he vented his frustrations and much to his surprise even shock God answered him

Summary of Neale Donald Walsch's Conversations with God Everest Media, 2022-07-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was very unhappy during that period personally professionally and emotionally and my life was feeling like a failure on all levels I wrote a letter to God asking him what I had done to deserve a life of struggle and how I could get it working 2 The tools of communication are feelings thoughts and experience The challenge is to distinguish between messages from God and data from other sources The rule is Mine is always your Highest Thought your Clearest Word and your Grandest Feeling 3 My most powerful messenger is experience But you ignore it You keep re living the same experience over and over again because you don't listen to your experience I will never stop sending you messages until you receive them and hold them close 4 God does not reveal Himself to us in a way that is incontrovertible We cannot know God if we do not stop telling ourselves that we already know God We cannot hear God if we think we have already heard Him We must listen to our feelings our Highest Thoughts and our experience

Conversations with God Neale Donald Walsch, 2011-11-28 Blasphemy Heresy Who does this man think he is claiming to speak directly to God Jesus did it Muhammad did it the Jewish prophets did it but none of their gods had the sardonic wit or raw verve of Prophet Walsch's God Neale Donald Walsch isn't claiming to be the Messiah of a new religion just a frustrated man who sat down one day with pen in his hand and some tough questions in his heart As he wrote his questions to God he realized that God was answering them directly through Walsch's pen The result far from the apocalyptic predictions or cultic eccentricities you might expect turns out to be matter of fact in your face wisdom on how to get by in life while remaining true to yourself and your spirituality In this expanded paperback edition Neale Donald Walsch and God resume their discussion and move on to larger topics than the personal issues addressed in their dialogue in the first volume They discuss time space politics and even kinky sex It is an honest look at some of the broad issues important to all of us and a suggestion of how things might go if we are all willing to open our minds and have our own conversations with divinity This edition includes the 2008 new preface from Walsch and new commentary on each section
