The Conflict of the Church and the Synagogue James Parkes, 1974 Jews, Pagans and Christians in Conflict D. Rokeah, 1982-06-01

Religious Violence Between Christians and Jews A. Abulafia, 2001-12-03 Exploring deep into the history of the conflict between Christians and Jews from medieval to modern times, this wide-ranging volume, which includes newly uncovered material from the recently opened post-Soviet archives, seeks to bring positive understanding to controversial issues of interfaith confrontation. Here a number of eminent scholars from around the globe come together to discuss openly and objectively the dynamics of Jewish creative response in the face of violence. Through the analysis of the histories of both the Christian and Jewish religious traditions, we are brought to an understanding of their relationship as a modern-day phenomenon. *Essential Papers on Judaism and Christianity in Conflict* Jeremy Cohen, 1991-03 **The Conflict Between Christianity and Judaism** Leopold Lucas, 1993 The Fourth Century was crucial to both the Christian Church and Judaism; it saw the formulation of Christian doctrine and the completion of the Palestinian Talmud. Christianity was now the favoured religion of the Roman Empire, but Judaism remained a vital force. **The Theology of the First Christians** Walter Schmithals, 1997-01-01 In *The Theology of the First Christians*, Walter Schmithals offers a comprehensive history of the development of religious thought from the preaching of Jesus to the formation of the New Testament canon. This well-researched volume will be of great interest to New Testament scholars and students. Christians and Jews in Dispute Anna Sapir Abulafia, 2024-10-28 The articles brought together here use anti-Jewish disputational literature to shed light on the rise of anti-Judaism in the West. Christian theologians at this time were particularly interested to work out the relationship between Christianity and Judaism because they were in the process of clarifying their own doctrines under the influence of classical material which had not been fully utilised since late Antiquity. In this context, a response to the continued and vociferous Jewish rejection of Christianity seemed all the more urgent. It is not for nothing that the output of anti-Jewish polemics rose sharply towards the end of the 11th century and simultaneously became more and more sophisticated. Many of the anti-Jewish ideas of later centuries go back to what was formulated in the 11th and 12th centuries. **Jews, Pagans, and Christians in Conflict** David Rokeah, 1982 Christianity and Rabbinic Judaism Jonas Alexis, 2013-01-10 Our way must be never knowingly support lies. Having understood where the lies begin, step back from that gangrenous edge. Let us not glue back the flaking scale of the Ideology, not gather back its crumbling bones, nor patch together its decomposing garb, and we will be amazed how swiftly and helplessly the lies will fall away and that which is destined to be naked will be

exposed as such to the world Alexander Solzhenitsyn Enlightenment writer Voltaire was amazed that twelve fishermen some of them unlettered from an obscure place in the world called Galilee challenged an empire through self denial and patience and eventually established Christianity He seriously thought that twelve philosophers or intellectuals himself included would do the opposite and crush Christianity Voltaires self appointed cheerleaders such as Diderot Helvitius dHolbach DAlembert Lametrie and Baron Cloots among others tried to do just that and wrote volumes of work trying to tear down the basis of Christianity and erect an edifice of their own Diderot in particular declared I would sacrifice myself perhaps if I could annihilate forever the notion of God Cloots wrote We shall see the heavenly royalty condemned by the revolutionary tribunal of victorious Reason Lametrie produced *Man A Machine* and an entire French encyclopedia was written between 1751 and 1772 by those philosophers because Christianity to a large degree had to go Voltaire would send letters to his disciples and friends saying *crasez linfme* Rousseau of course was a disciple of Voltaire and declared that Voltaires work inspired me The French Revolution failed Yet like all significant revolutions before and after that period the French Revolution indirectly had a theological root which was then a categorical and metaphysical rejection of Logos That theological substratum has jumped from one era to the next and had and still has historical political economic and spiritual ramifications This book is about the historical and theological struggle of that conflict which had its inception at the foot of the cross

The Jewish-Christian Argument Hans-Joachim Schoeps,1963 *The Theme of Jewish Persecution of Christians in the Gospel According to St Matthew* Douglas R. A. Hare,2005-10-06 This book examines the historical data related to the suffering imposed on Christians and evaluates Matthew s portrayal of the persecutions

Jews and Christians William Horbury,2006-07-15 Jewish Christian contact and controversy were central to early Christian experience An understanding of this interaction and its continuation over the centuries is also central to any true understanding of the history of Christianity and of the history of Judaism The twelve chapters of this book deal especially with the interconnected subjects of polemic and biblical interpretation Nine are concerned with the ancient world beginning with post exilic Jewish writing and the New Testament and going on to later pagan Jewish and Christian controversies Three concentrate on medieval and early modern Jewish controversies William Horbury makes an important contribution to the understanding of abundant primary sources both Jewish and Christian which remain in large part under explored

Jewish-Christianity and the History of Judaism Annette Yoshiko Reed,2018-07-12 Jewish Christianity is a contested category in current research But for precisely this reason it may offer a powerful lens through which to rethink the history of Jewish Christian relations Traditionally Jewish Christianity has been studied as part of the origins and early diversity of Christianity Collecting revised versions of previously published articles together with new materials Annette Yoshiko Reed reconsiders Jewish Christianity in the context of Late Antiquity and in conversation with Jewish studies She brings further attention to understudied texts and traditions from Late Antiquity that do not fit neatly into present day notions of Christianity as distinct from Judaism In the process she uses these materials

to probe the power and limits of our modern assumptions about religion and identity

Jewish Responsibility for the Death of Jesus in Luke-Acts Jon Weatherly, 1995-01-01 For over a century New Testament scholars have explored the issue of possible antisemitism in Luke Acts especially because the author apparently blames the Jews for the death of Jesus This monograph offers a fresh analysis of this question revealing a different emphasis that among the Jews only those associated with Jerusalem especially the Sanhedrin are responsible for Jesus death Luke s Israel is in fact divided in response to Jesus not monolithically opposed to him Furthermore the ascription of responsibility to the people of Jerusalem in Acts widely regarded as a Lukan creation in fact is more likely to have been based on sources independent of the synoptics A consideration of ancient literature concerned with the deaths of innocent victims further suggests a likely Sitz im Leben for the transmission of material ascribing responsibility for Jesus death

Anti-Judaism in Early Christianity: Paul and the Gospels Peter Richardson, David Granskou, Stephen G. Wilson, Canadian Corporation for Studies in Religion, 1986-04-30 The period since the close of World War II has been agonizingly introspective not least because of the pain of reassessing Christianity s attitude to Judaism The early Christian materials have often been examined to assess their role in the long standing negative attitude of Christians to Jews The motivation for the early church s sometimes harsh attitude was partly theological it needed to define itself over against its parent and partly sociological it needed to make clear the line that divided the fledgling group of Christian believers from the group with which it was most likely to be confused This collection of studies emphasizes the context and history of early Christianity in reconsidering many of the classic passages that have contributed to the development of anti Judaism in Christianity The volume opens with an essay that clearly delineates the state of the question of anti Judaism in early Christianity Then follow discussions of specific passages in the writings of Paul as well as the Gospels

Christians & Jews—Faith to Faith Rabbi James Rudin, 2013-10-01 In time for Pope Francis s new initiatives We now have the potential to end two thousand years of hostility will we succeed New in paperback With keen wisdom and a masterful understanding of history Rabbi James Rudin an acclaimed authority in the field of Jewish Christian relations provides the context necessary for Christians and Jews to recognize the critical challenges posed by the past and the future of their two religions Spanning twenty centuries of controversy horror and promise Rudin s narrative examines The sources of both conflict and commonality between the two religions The need to address and redress past wrongs The agenda required to create a shared future free of bigotry It includes proven approaches for successful interreligious dialogues including tips on session organization project ideas and a discussion guide to enhance Christians and Jews knowledge of each other

Christian-Jewish Relations Through the Centuries Stanley E. Porter, Brook W. Pearson, 2004-12-19 Christian Jewish relations have had changing fortunes throughout the centuries Occasionally there has been peace and even mutual understanding but usually these relations have been ones of tension often involving recrimination and even violence This volume addresses a number of the major questions that have been at the heart and the

periphery of these tenuous relations through the years The volume begins with a number of papers discussing relations as Christianity emerged from and defined itself in terms of Judaism Other papers trace the relations through the intervening years And a number of papers confront issues that have been at the heart of the troubled twentieth century In all these papers address a sensitive yet vital set of issues from a variety of approaches and perspectives becoming in their own way a part of the ongoing dialogue **The Conflict of the Church and the Synagogue** James William Parkes, 2008-11

Jewish-Christian Relations Since the Second World War Geoffrey Wigoder, 1988 The five sections of the book are entitled Christian Attitudes to Judaism and the Jews Jewish Attitudes to the Dialogue The Vatican and the Jews Israel in the Dialogue The Dialogue in Israel Ch 3 discusses the Nostra Aetate declaration 1965 The Churches undertook the revision of many religious teachings in order to eliminate the traditional antisemitic stereotype of the Jews Not enough however is being done in either Jewish or Christian education to build up understanding of the values and beliefs of the other The appendix pp 143 167 contains documents statements by the Vatican Nostra Aetate the Guidelines the Notes and the World Council of Churches
