The Confrontation And Other Stories:

Master and Man and Other Stories Leo Tolstoy, 2005-06-30 The ten stories collected in this volume demonstrate Tolstoy's artistic prowess displayed over five decades experimenting with prose styles and drawing on his own experiences with humour realism and compassion Inspired by his experiences in the army *The Two Hussars* contrasts a dashing father and his mean spirited son Illustrating Tolstoy's belief that art must serve a moral purpose *What Men Live By* portrays an angel sent to earth to learn three existential rules of life and *Two Old Men* shows a peasant abandoning his pilgrimage to the Holy Land in order to help his neighbours And in the highly moving *Master and Man* Tolstoy depicts a mercenary merchant travelling with his unprotesting servant through a blizzard to close a business deal little realizing he may soon have to settle accounts with his maker

Conflict and Other Stories Shubham Gupta, 2006 *CliffsNotes on Kafka's The Metamorphosis & Other Stories* Herberth Czermak, 2001-10-05 This CliffsNotes guide includes everything you've come to expect from the trusted experts at CliffsNotes including analysis of the most widely read literary works

A Lady of Expectations and Other Stories Stephanie Laurens, Nicola Cornick, Kasey Michaels, 2012-10-23 Collects three historical romance stories including *A Lady of Expectations* in which Jake Lester seeks the perfect bride and must convince Sophie Winterton that she is the woman he desires

The Death of Ivan Ilyich and Other Stories Leo Tolstoy, 2008-02-28 This edition includes *The Death of Ivan Ilyich* *Happy Ever After* and *The Cossacks* Mortality was one of Tolstoy's most persistent themes and all of the stories in this volume are connected by this preoccupation along with the author's simultaneous attempt to help us improve our lives

Malakut and Other Stories Bahrām Ṣādiqī, Bahram Sadeqi, 2012 A man who does not recognise his own face an aristocrat who keeps his amputated limbs in jars on the shelf an infant that commits suicide a cat that is secretly writing a novel a rooster that rebels against fate those are some of the characters that make Bahram Sadeqi's stories intriguing incomparable and inimitable Sadeqi is an original story teller who depicts familiar facts and mundane realities in such a way that shocks us to the core and makes us call everything into question With a subtle irony reminiscent of Poe Kafka and Marquez he engages us in an intricate quest to explore the meaning of life death and the cosmos Considering the slight body of work Sadeqi left behind after his untimely death one cannot help but be struck by the impact his work has had on Persian literature nevertheless Sadeqi consistently transgressed established literary ideologies with an easy confidence pioneering an entirely new style of literature and presenting his own unique perspective on the human condition His presence in contemporary Persian prose fiction was like that of a lone meteorite appearing in a blinding flash instantly yet fleetingly illuminating its surroundings then abruptly fading into the darkness leaving only a completely original overwhelming and fantastic trail the remainder of something singularly magnificent that we cannot hope to ever see repeated Ever since he first published his stories in literary journals as a young writer Sadeqi's works have been widely reprinted finding vast audiences among each new generation of Iranians This collection contains some of Sadeqi's best short stories as well as *Malakut* his magnum opus a

novella that took everyone by surprise in the 1960s still fascinating readers and critics alike *The Kreutzer Sonata and Other Stories* Leo Tolstoy,1985-09-26 The Kreutzer Sonata is the self lacerating confession of a man consumed by sexual jealousy and eaten up by shame and eventually driven to murder his wife The story caused a sensation when it first appeared and Tolstoy s wife was appalled that he had drawn on their own experiences together to create a scathing indictment of marriage The Devil centring on a young man torn between his passion for a peasant girl and his respectable life with his loving wife also illustrates the impossibility of pure love The Forged Coupon shows how an act of corruption can spiral out of control and After the Ball examines the abuse of power Written during a time of spiritual crisis in Tolstoy s life these late stories reflect a world of moral uncertainties **Supplement, 1969-1973** Estelle A.
