**Words on Cassette, 1999** Bowker Editorial Staff,Staff Bowker R R,Bowker,1999-02      *Instructor's Guide to Accompany The Enduring Vision* Robert B. Grant,1996      **Making Popular Music** Jason Toynbee,2016-07-28 Nominated for the International Association for the Study of Popular Music Book Prize Partly because they are the objects of such intense adulation by fans popular musicians remain strangely enigmatic figures shrouded in mythology This book looks beyond the myth and examines the diverse roles music makers have had to adopt in order to go about their work designer ventriloquist star delegate of the people The musician is a divided subject and jack of all trades However the story does not end here Arguing against that strand in cultural studies which deconstructs all claims for authorship by the individual artist Jason Toynbee suggests that creativity should be reconceived rather than abandoned He argues that what is needed is a sense of the radius of creativity within which musicians work an approach that takes into account both the embedded collectivism of popular music practice and the institutional power of the music industries Drawing on a wide range of theoretical positions as well as examining musical texts from across the history of twentieth century pop this groundbreaking book develops a powerful case for the importance of production in contemporary culture Students of cultural and media studies music and the performing arts will find this book an invaluable resource      *Billboard* ,1986-10-04 In its 114th year *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      **Researching Human Geography** Anna Davies,Keith

Hoggart, Loretta Lees, 2014-04-04 Researching Human Geography is an essential new text for any geography student about to embark on a research project An understanding of how different theories of knowledge have influenced research methodologies is crucial in planning and designing effective research this book makes this link clear and explores how various philosophical positions from positivism to post structuralism have become associated with particular methodologies The book gives an overview of a wide range of methods and data collection both quantitative and qualitative and explores their strengths and weaknesses for different kinds of research Researching Human Geography also looks at the various techniques available for the analysis of data which is presented as an integral and ongoing part of the research process Clearly written with extensive use of examples from previous research to show methodology in action this new text is an invaluable addition to both the theory and method of research in human geography

**Music in American Life** Jacqueline Edmondson, 2013-10-03 A fascinating exploration of the relationship between American culture and music as defined by musicians scholars and critics from around the world Music has been the cornerstone of popular culture in the United States since the beginning of our nation s history From early immigrants sharing the sounds of their native lands to contemporary artists performing benefit concerts for social causes our country s musical expressions reflect where we as a people have been as well as our hope for the future This four volume encyclopedia examines music s influence on contemporary American life tracing historical connections over time Music in American Life An Encyclopedia of the Songs Styles Stars and Stories That Shaped Our Culture demonstrates the symbiotic relationship between this art form and our society Entries include singers composers lyricists songs musical genres places instruments technologies music in films music in political realms and music shows on television

**A Social History of the Media** Asa Briggs, Peter Burke, 2018-07-26 Written by two leading social and cultural historians the first two editions of A Social History of the Media became classic textbooks providing a masterful overview of communication media and of the social and cultural contexts within which they emerged and evolved over time This third edition has been thoroughly revised to bring the text up to date with the very latest developments in the field Increased space is given to the exciting media developments of the early 21st Century including in particular the rise of social and participatory media and the globalization of media Additionally new and important research is incorporated into the classic material exploring the continuing importance of oral and manuscript communication the rise of print and the relationship between physical transportation and social communication Avoiding technological determinism and rejecting assumptions of straightforward evolutionary progress this book brings out the rich and varied histories of communication media In an age of fast paced media developments a thorough understanding of media history is more important than ever and this text will continue to be the first choice for students and scholars across the world

**The Sound of Two Hands Clapping** Kenneth Tynan, 1976 Drama critic and impresario Kenneth Tynan here presents what he calls a book of enthusiasms in which he gives a fascinating sometimes controversial picture of personalities and performers who stand out in his memory for their excellence and individualism Here are Merman Marlene and Noël Coward the hard edged clarity of Lenny Bruce the audacious vitality of Roman Polanski and the quirkish hypnotic clowning of Eric Morecambe A rehearsal schedule of Othello captures the shattering experience of a first read through when the sheer power of Olivier's magnificent voice makes windows shake and scalps tingle After turning down six of the most coveted parts going at the National Theatre Nicol Williamson unhesitatingly agrees to play the White House for Nixon as described in Tynan's wild saga of the frenzied week before the performance in which Tynan unselfishly drank for Nicol to leave him in condition to rehearse Tynan expounds his provocative views on erotic art and pornography and he drafts a fictitious letter to The Times lodging a protest against the ever increasing flood of obscenity in people's dreams He also composes a dazzling hymn of praise to his favourite Mediterranean city stinking Valencia The range of Tynan's subjects his unequivocal appreciation of excellence and the sheer brilliance and humour of his perception make *The Sound of Two Hands Clapping* an exceptional document in the written history of the dramatic arts Publisher *The Publishers Weekly*, 1996 *Music/sound*, 1948-1993 Art Gallery of Ontario, Power Plant (Art gallery), 1994
