John Hamlin,1996 This is a print on demand book and is therefore non returnable Series International Theological Commentary The book of Ruth set in the period of the judges is a beautiful story of the love covenant loyalty and daring initiative of two impoverished widows Together with a generous open hearted man they demonstrate the truth of Proverbs 23 18 that applies to individuals families communities and nations Surely there is a future and your hope will not be cut off In this excellent commentary E John Hamlin approaches the book of Ruth as literature as history as part of the canon and as truth telling story **The Story of Ruth** Maxine Rose Schur,2014-01-01 The popular biblical story of Ruth and her mother in law Naomi is retold in this beautifully illustrated picture book As Ruth chooses to remain with Naomi with the famous words Your people shall be my people she becomes the first convert to Judaism and the future grandmother of King David A powerful story of friendship and commitment for a young audience The Book of Ruth Robert L. Hubbard,1988 In the Old Testament we read God s word as it was spoken to his people Israel Today thousands of years later we hear in these thirty nine books his inspired and authoritative message for us These twin convictions shared by all of the contributors to The New International Commentary

on the Old Testament define the goal of this ambitious series of commentaries For those many modern readers who find the Old Testament to be strange and foreign soil the NICOT series serves as an authoritative guide bridging the cultural gap between today s world and the world of ancient Israel Each NICOT volume aims to help us hear God s word as clearly as possible Scholars pastors and serious Bible students will welcome the fresh light that this commentary series casts on ancient yet familiar biblical texts The contributors apply their proven scholarly expertise and wide experience as teachers to illumine our understanding of the Old Testament As gifted writers they present the results of the best recent research in an interesting manner Each commentary opens with an introduction to the biblical book looking especially at questions concerning its background authorship date purpose structure and theology A select bibliography also points readers to resources for their own study The author s own translation from the original Hebrew forms the basis of the commentary proper Verse by verse comments nicely balance in depth discussions of technical matters textual criticism critical problems and so on with exposition of the biblical writer s theology and its implications for the life of faith today
