The Official Catholic Directory, Anno Domini 2004, 2004 *The Official Catholic Directory*, 1990 **The Official Catholic Directory** National Register Publishing, 2004-05 *The Official Catholic Directory for the Year of Our Lord ...*, 2003 *The Official Catholic Directory, 2004, Pt. II.*, 2004 *Catholic Press Directory*, 2005 *Crescent City Girls* LaKisha Michelle Simmons, 2015-05-28 What was it like to grow up black and female in the segregated South To answer this question LaKisha Simmons blends social history and cultural studies recreating children's streets and neighborhoods within Jim Crow New Orleans and offering a rare look into black girls' personal lives Simmons argues that these children faced the difficult task of adhering to middle class expectations of purity and respectability even as they encountered the daily realities of Jim Crow violence which included interracial sexual aggression street harassment and presumptions of black girls' impurity Simmons makes use of oral histories the black and white press social workers' reports police reports girls' fiction writing and photography to tell the stories of individual girls some from poor working class families some from middle class respectable families and some caught in the Jim Crow judicial system These voices come together to create a group biography of ordinary girls living in an extraordinary time girls who did not intend to make history but whose stories transform our understanding of both segregation and childhood *Electing Our Bishops* Joseph O'Callaghan, 2007-03-09 How does one become a bishop in the Catholic Church *Electing our Bishops How the Catholic Church Should Choose Its Leaders* explains how history politics and religious tradition converge to produce the episcopacy The book gives an historical overview from the earliest times when bishops were elected by the clergy and people of the diocese to the present day where they are normally appointed by the pope In light of the current clergy sexual abuse scandal many distinguished theologians canonists and church historians have called for greater popular participation in the selection of bishops and *Electing our Bishops* discusses ideas for new forms of election that involve both clergy and laity This book is an important tool for Catholics who want to understand the history and process of the election of bishops as well as how the process might change in the future *The Official Catholic Directory*, 2017 Giving status of the Catholic Church as of January 1 2017 **The Democracy of God** Robert Willis, 2006 Crisis grips the American Catholic community Church professionals abandon it in record numbers while many who remain grapple with low morale overwork and compensatory addictions Schools either close or laypeople staff them Parishes consolidate bereft of pastors and communicants The people itself lies fragmented a landscape of polarized groups a kaleidoscope of political partisans more than gatherings of the faithful Its future hangs in the balance Current leaders fixate on two plans In one they march steadfastly into the past pursuing the illusion of a remnant group of the righteous armored by uniformity a sorry substitute for a religious community In another they resolutely protect the status quo Before the eyes of an incredulous people they are transforming the church into a museum of religious artifacts a fitting destination for inquisitive tourists occasional visitors and the uninvolved The author offers a third alternative Calling upon

the democratic attempts of John Carroll and John England the incisive comments of Tocqueville about religion in a democracy and the theology of Vatican II he challenges bishops to forsake their status as minor lords in a medieval monarchy and instead to embrace a servant leadership within the People of God
