The Old Rocking Chair:

Primary Education ,1918 *Through the Years* Irene Runkle Smith,2011 In my youth my father said to me Don t just read about life but LIVE it so that others may read about you I write because I love to write Words fascinate me I did not plan to write a book As my writings became many my granddaughter Heather insisted that they belonged in a book Bless her She worked long and hard taking care of all the details Because of her the book exists The book holds my memories observations love laughter tears and poems It embraces a loving family cherished friends and faithful pets In retrospect it is a brief glance into my life the way it has been the ninety two years that I have walked this earth And so too to let the world know that I was here Okay Dad Irene Runkle Smith July 2010 I was born in 1918 on Cool Springs Farm in Ashville Columbus Ohio to loving parents who raised me with high morals and values and to always respect truth and honesty After school I worked in the Budget Department at General Motors My dearest role in life was wife and mother I then worked as a postal clerk retiring after twenty years Norman and I enjoyed twenty years of retirement before his tragic accident and death I started writing after I lost Norman Any talent of mine I owe to my father The perfect words that flowed from his pen were inspiring Today I am independent except for driving I have the tender love of a beautiful family and I am blessed and happy I thank God every day for having had a wonderful and fulfilling life I attribute my ninety two years to love laughter and vinegar and honey

From the Trenches N.S Jordan,2019-01-18 Have you ever been chased by a ghost or felt one Hounded by a reporter or a ghost chaser Or be asked to check out a property to see if it s haunted Ever chased a seller s runaway dog down the street in high heels or got bitten by one From suburban deer hunting tenants naked homeowners and stories that would make a good scene for a Hitchcock Thriller to voodoo hoodoo and all kind of craziness Get ready to read a collection of true stories that I couldn t dream up even with my wildest imagination Poems of the Day Eli Grellet Jones,1896 *The Cricket Song* Ben Kraieski,2014-03-12 This is a novel containing two parallel stories a fable about Ortho the Cricket s quest to sing a World Song which transcends the traditional Cricket Song and it is also a story about Dan Lesniak s quest for artistic expression that transcends traditional painting techniques Ortho and Dan travel different paths to same destination Both meet obstacles on the way that hinder their quests and threaten to prevent them from achieving their life long pursuits *Prose and Poetry*

... Herr Cherrytree (pseud.?),1889 Herr Cherrytree's Prose and Poetry Cherrytree (Herr.),1889 **Ghosts of the Yadkin Valley** R. G. Absher,2009-05-29 Ghostly footsteps mysteriously locked doors and apparitions from centuries past The rolling hills and hollers of the Yadkin Valley have been home to many historic events from Stonemans raid to the hanging of Tom Dooley These events have left their imprint on the countys architecture and landscape and some of them have even left a ghostly legacy Ghosts of the Yadkin Valley is a collection of spine tingling tales including ghost stories from many of the areas National Historic Register sites Join local storyteller R G Absher as he relates the history behind the haunts *This Dangerous Place* Betty Krawczyk,2011-05 While imprisoned for Contempt of Court in the spring of 2003 Betty Krawczyk

searched for understanding into the reasons for her actions Had she signed a paper promising not to go back to the forest where she was arrested for blockading logging trucks she would have been released from prison until trial But she refused Her own stubbornness and intransigence before the courts of British Columbia baffled everybody including Krawczyk herself In This Dangerous Place Krawczyk searches for answers from her childhood by revisiting in memory an old plantation house in southern Louisiana It was from this setting of long ago that Krawczyk s father wrestled with a ghost he didn t know didn t ask for and didn t believe existed Until it was too late *Impacting Change in Marriage* Bryan A. Moten, 2023-02-09 This book was lovingly crafted with the intent for men and women to understand that marriage is designed to work a certain way God manufactured marriage like a Mercedes Benz sedan which is intended for the road It is not designed for pulling a boat It is not designed to float It is not designed for rugged mountain terrain It is designed for the road asphalt concrete street driving It may drive on a wet road but it s not for off road mudding Worldly ways run contrary to the divine design God s ways are spiritual not secular Herein lies the contrast between God s design versus your application to marriage Secular methodologies take your Mercedes Benz off road because they run contrary to God s intent Ideologies such as My way or the highway or What he doesn t know won t hurt or Happy wife happy life or My money my house my way or Giving your spouse fifty fifty effort or being simply selfish abusive and unloving Too many goodwill couples have become bewildered in the marital wilderness simply because they lack the compass of God s Word to navigate their course to love joy passion romance and the desire to live together happily ever after Remember marital change begins with me
