The Old Testament Without Illusion

Wolfgang Guggemos

The Old Testament Without Illusion:

The Old Testament Without Illusion John L. McKenzie, 1980 *The Old Testament Without Illusions* John L. McKenzie, 2009-01-01 While for many the old and destructive controversy as to whether the Bible is to be taken literally has long since been resolved modern research and scholarship has progressed far beyond this debate The point of the research has not been to destroy the credibility of the Bible but rather to understand Scripture better In the process many popular and traditional certainties have fallen by the wayside Scholars doubt that Moses led the Israelites across the Red Sea or into the Sinai that David is the author of the Psalms or indeed that Solomon was even wise These and dozens of other illusions are being stripped away and more will surely follow Beyond this there are the larger contradictions which exist between the law and spirit of the Old and New Testaments The modern believer needs both to know of these findings and put them into a perspective which will enhance rather than diminish understanding of the Scriptures *The Old Testament Without Illusions* John L. McKenzie, 1979 The New Testament Without Illusion John L. McKenzie, 2009-03-01 From the beginning of the New Testament era there have been disputes over what individual passages meant who wrote them when they were written and whether certain sayings could be directly attributed to Jesus McKenzie's aim is not to destroy the credibility of the New Testament but rather to enhance belief by allowing it to rest on a foundation freed from various manmade illusions and historically inaccurate assumptions that modern biblical research has discovered from both internal and external evidence about the writings Father McKenzie takes on a variety of topics the real Jesus and the Son of man gospels and gossip the roles of Peter and Paul divorce the resurrection the meaning of the Apocalypse to name but a few in this highly informative look at key themes and episodes of the New Testament *Faith Without Illusions* Andrew Byers, 2011-02-28 Cynicism has become almost a cliché It pervades the culture and defines the age and threatens to derail faith Andrew Byers identifies the primary factors in the church that inspire disillusionment rather than faith but he goes beyond that to help struggling cynics channel their frustrations into the redemptive vocations found in the Bible the prophet the sage the tragic poet These all find their fulfillment in Jesus and he in turn inspires cynics from the apostle Paul to you and me to embrace our saintly calling hopeful realism *A Theology of the Old Testament* John L. McKenzie, 2009-03-01 By thoroughly investigating every aspect of theology to be found in the Old Testament Father McKenzie offers a total theological statement of this timeless record The theology of the Old Testament he writes has to be the study of the reality of Yahweh The Old Testament is the sole literary witness to that reality as the record of the experience of Israel Seven categories outline the book cult revelation history nature wisdom political and social institutions and the future of Israel Together these categories provide a pathway to God that is far more complete than that which can be experienced by any individual For McKenzie the Hebrew scriptures are to be understood as the independent record of the early Israelite community's experience with God rather than as a prelude to or forecast of the New Testament **Islam Without Illusions** Ed Hotelling, 2003-08-01 Hotelling describes

how Muhammad created the first Islamic state He was an innovative general and diplomat who respected women s rights Hotaling draws the stunning conclusion that if the Prophet were alive today he would be an American Hotaling explains Just as he did in the heat of persecution embattled leadership and war he would have stood up today for his principles debated and negotiated with his rivals tolerated their ideas until he could win them over and fought in the open Here is the amazing story of how Muhammad s followers conquered half the world exceeded early Christian Europe in the arts sciences and government and won the bloody battles of the Crusades Hotaling traces the path of Islam to modern times and the spread of Islamic Revivalism spurred by the Iranian Revolution He reveals its connection to the attacks on the World Trade Center and the Pentagon With compelling precision he uncovers alternatives to an impending cataclysmic clash of civilizations The Evolution of Love Sheldon W. Liebman,2021-04-06 This book an examination of Judaism as it evolved over a period of approximately 1 500 years is an analysis of the Hebrew Bible and other ancient Jewish writings with special emphasis on theology and morality By the middle of the first millennium with the writing of Deuteronomy the Psalms and the works of the prophets Judaism had embraced the idea that God is a compassionate father that His relationship with His people is based on love rather than fear and that His response to their commission of sins is based on the assumption that they are capable of repentance and worthy of forgiveness In the final stage of its development culminating in the first and second centuries AD Judaism was understood to require its adherents to enact the will of God specifically to establish a community based on political economic and social laws that enforce the principles of justice and mercy And that process came to be seen as inevitably dependent on human agency the need for human beings to fulfill God s commandments In Judaism loving neighbors and strangers came to be understood as the principal and for many Jews the only way of loving God The Great Betrayal Sheldon W. Liebman,2018-11-27 In the view of many contemporary scholars both Jesus and Judaism have been misrepresented by the church for the past two thousand years Their main point is that Judaism was not a superficial rigid and outdated religion and Jesus did not reject it In fact along with his disciples he remained a Law abiding Jew his entire life However as Christianity developed from a Jewish sect in the first century AD to the official religion of the Roman Empire in the fourth century the church was transformed Jesus was redefined and both Jews and their religion were repudiated and marginalized In short both Christians and Jews were deeply affected by what many scholars now call the de Judaization of Jesus This book is an attempt to correct the traditional theological and scholarly misinterpretations of Jesus and Judaism that emerged over the first four centuries of the life of the church *The New Testament Without Illusion* John L. McKenzie,2009-03-01 From the beginning of the New Testament era there have been disputes over what individual passages meant who wrote them when they were written and whether certain sayings could be directly attributed to Jesus McKenzie s aim is not to destroy the credibility of the New Testament but rather to enhance belief by allowing it to rest on a foundation freed from various manmade illusions and historically inaccurate assumptions that modern biblical research has discovered

from both internal and external evidence about the writings Father McKenzie takes on a variety of topics the real Jesus and the Son of man gospels and gossip the roles of Peter and Paul divorce the resurrection the meaning of the Apocalypse to name but a few in this highly informative look at key themes and episodes of the New Testament

The Old Testament Without Illusion: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Old Testament Without Illusion : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Old Testament Without Illusion : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
