The One Who Kisses:

Just One Kiss Carly Phillips, 2022-08-16 It was supposed to be one fun night of hot sex It turned into a second Then a third Now Mother Nature is having the last word with a secret baby surprise Jade Dare has done everything in her power to overcome her mother's unstable influence Changed her name Became a success Vowed never to risk passing on the potential for inherited pain What has it gotten her One fianc who wanted her for money A second who cheated on her with his brother's wife Now she's sworn off men Or at least off serious relationships But when the chance to indulge in a one night stand with a man she's secretly fantasized about arrives she jumps in Only to land heart first into a case of the feels she can't bring herself to trust Knox Sinclair always suspected he liked his brother's fianc a little too much that's why he kept his hands to himself But with ties broken and Jade all too willing a no strings attached night sounds like a damned good idea Except one night isn't nearly enough But while Knox is busy convincing Jade they have a chance at forever the past is planning one last parting shot
