The Ambassador's Camel David Holdsworth, 2010-12-17 When politics and policy clash politics always win And in this case senior diplomat Percy Williamson loses At odds with Canada's new Minister of Foreign Affairs George Crowley Percy draws an overseas assignment as ambassador to Bharalya a small country in Asia that recently discovered a big cache of oil When Percy and his wife Marilyn arrive in Bharalya they are quite unprepared for the bizarre experiences they will share and the eccentric people they will meet There's the king who's addicted to collecting medals from foreign governments a junior diplomat who impersonates his own foreign minister a visiting minister caught by the press in a brothel and a travel averse diplomat reduced to jelly by his one and only trip outside the capital Diplomatic conflicts almost turn into wars over golf tournaments and Percys and Marilyn's duties include attending flower competitions Christmas parties national day celebrations and events with rented camels And regularly erupting at the most awkward moments is the dreaded Bharali amoeba scourge of the diplomatic intestinal tract But all frivolity is set aside when the government threatens to close down the embassy the Foreign Service springs into action with surprising results

Evolution of a Corporate Idealist Christine Bader, 2016-10-21 There is an invisible army of people deep inside the world's biggest and best known companies pushing for safer and more responsible practices They are trying to prevent the next Rana Plaza factory collapse the next Deepwater Horizon explosion the next Foxconn labor abuses Obviously they don't always succeed Christine Bader is one of those people She worked for and loved BP and then CEO John Browne's lofty rhetoric on climate change and human rights until a string of fatal BP accidents Browne's abrupt resignation under a cloud of scandal and the start of Tony Hayward's tenure as chief executive which would end with the Deepwater Horizon disaster Bader's story of working deep inside the

belly of the beast is unique in its details but not in its themes of feeling like an outsider both inside the company accused of being a closet activist and out assumed to be a corporate shill of getting mixed messages from senior management of being frustrated with corporate life but committed to pushing for change from within The Evolution of a Corporate Idealist When Girl Meets Oil is based on Bader's experience with BP and then with a United Nations effort to prevent and address human rights abuses linked to business Using her story as its skeleton Bader weaves in the stories of other Corporate Idealists working inside some of the world's biggest and best known companies *Red Twilight* Dustin Feyder, 2012-11-14 Welcome to Red Twilight Here men may become monsters and monsters can be beautiful Snake Gekks El Driver and Richard Blake have escaped the darkness once but the darkness has a terrible hunger for life New plots arise and the hunters must do battle again this time accompanied by allies Joe Dove a high ranking member of the Von Richton Watchers society and Reizuki Lowe a mysterious and brilliant young man Be it for love honor or duty these warriors will stand and fight again for the fate of this world Now they find themselves at odds with a new enigmatic man Marks Karingson a man powerful enough to defeat death What will your impotent God do Your God has failed to deliver you from evil a dozen times already Your prayers are quaint but utterly meaningless Your worship is misplaced The world will not be spared the never ending darkness by any unseen father figure Nothing but sweet hot blood spilled upon cold earth can hope to fulfill your miserable hallucinations of peace I am the sword and the shield that will deliver you from the grip of sorrow Only I can materialize your dreams and I will cast away despair and I will do it if I have to send us all to hell first Send me your lords and your kings your sisters and your brothers your bishops and your fools sinners and saints Let them all come and be enveloped by my rage You can have your war and when it ends I alone will rise as a goddess from the ashes of dissilience You shall leave behind Your lord will grovel in disarray at the power I shall unveil Wright Von Richton *Bits of Life* Bitsy Bowman, 2018-02-26 One day while Bitsy and I were living in Wichita Kansas I came home for lunch to find a round black and charred spot on the kitchen floor Of course I knew what had happened Bitsy was a smoker then and she had emptied a hot ash tray into the kitchen waste basket caught it on fire and burned the floor but being a considerate husband I gave her an opportunity to explain by asking What happened She calmly stated Would you believe spontaneous combustion I replied You don't even know what that means She replied Well I know it's not my fault To be both quick witted and funny are great traits to have especially when your vocation is writing I have selected several of her columns for this book which will bring back memories to you fill you with much laughter and perhaps a few tears but most of all you will be entertained Sam S Bowman *Lost Restaurants of Grand Rapids* Norma Lewis, 2015 Grand Rapids restaurants have served up meals and memories since the city's earliest days At Bentham's one of the first downtown restaurants customers without money to eat could trade an animal pelt for supper John Sebaitis trained his German shepherd Spooky to serve beer to the patrons at his tavern And a seventeen year old Gerald R Ford worked part time as a server and dish washer at Bill's Place Join Norma Lewis as she explores the history of Grand
