The Only Good German:

Representing the "good German" in Literature and Culture After 1945 Pól Ó Dochartaigh, Christiane Schönfeld, 2013 Essays analyzing postwar literary cultural and historical representations of good Germans during the Second World War and the Nazi period In the aftermath of the Second World War both the allied occupying powers and the nascent German authorities sought Germans whose record during the war and the Nazi period could serve as a counterpoint to the notion of Germans as evil That search has never really stopped In the past few years we have witnessed a burgeoning of cultural representations of this other kind of Third Reich citizen the good German as opposed to the committed Nazi or genocidal maniac Such representations have highlighted individuals choices in favor of dissenting behavior moral truth or at the very least civil disobedience The good German's counterhegemonic practice cannot negate or contradict the barbaric reality of Hitler's Germany but reflects a value system based on humanity and an other ideal community This volume of new essays explores postwar and recent representations of good Germans during the Third Reich analyzing the logic of moral behavior cultural and moral relativism and social conformity found in them It thus draws together discussions of the function and reception of Good Germans in Germany and abroad Contributors Eoin Bourke Manuel Bragança Maeve Cooke Kevin De Ornellas Sabine Egger Joachim Fischer Coman Hamilton Jon Hughes Karina von Lindeiner Strömsky Alexandra Ludewig Pól Ó Dochartaigh Christiane Schönfeld Matthias Uecker Pól Ó Dochartaigh is Professor of German and Dean of the Faculty of Arts at the University of Ulster Northern Ireland Christiane Schönfeld is Senior Lecturer in German and Head of the Department of German Studies at Mary Immaculate College University of Limerick

Woodbury, 2013-03-27 A collection of serious and not so serious short stories from the coast of Maine Some of these stories are intended to amuse and some may touch a chord and bring a tear But they are all intended to help pass some leisure time perhaps while waiting for the kids to get home from school or the even the winter to pass into spring No guarantee is given concerning the political correctness of any of these stories but when reading one should remember that some people actually enjoy satire And for those who do not the author humbly submits that perhaps those who can't laugh at history may be worrying about the wrong things
